No: 3344 SEIAA/2022

Date: 17/3/22

To,
Shri Manoj Kumar Mittal, Vice President - EHS (Corporate),
M/s. Ipca Laboratories Ltd,
C-89 to C-95 MIDC Area, MIDC Mahad,
Dist. Raigad (Maharashtra) – 457002

Sub:- Case No 8880/2021: Prior Environment Clearance for Proposed expansion project for manufacturing of API at village - Sejavta, Tehsil & Dist. Ratlam, (MP) Total production capacity after expansion of API will be 5078 TPA (Existing 3222 TPA & Additional proposed: 1856 TPA) plot Area of 45.94 Ha. (459400 m²) of land by M/s. Ipca Laboratories Ltd, Shri Manoj Kumar Mittal, Vice President - EHS (Corporate), C-89 to C-95 MIDC Area, MIDC Mahad, Dist. Raigad (Maharashtra) – 457002 Env. Consultant: Goldfinch Engineering System Private Limited

The case was discussed in 709th SEIAA meeting dtd. 07.03.21 and recorded that:-

“The case was recommended for EC in 549th SEAC meeting dated 15.02.2022. After the recommendation today the case was considered and it was observed by the authority that there is huge expansion of production of API and Additional 5.47 Ha. (54700 m²) land is also acquired for the proposed expansion. From the google image it is seen that the proposed site seem to be located close to the habitation areas & could have adverse affect the people residing there. Hence it is decided that PP & Environment consultant may be called for presentation for justification of suitability of the site for proposed expansion.”

In light of above, you are requested to kindly present your project as per schedule of SEIAA meeting.
