

**MINUTES OF 36th MEETING OF STATE EXPERT APPRAISAL
COMMITTEE HELD ON 23rd September, 2009**

1

1.0 Opening Remarks of the Chairman

The Chairman welcomed all the members of the Committee. Thereafter agenda items were taken up for deliberations. The list of participants present during meeting is annexed as **Annexure-1**.

2.0 Miscellaneous Issues:-

- A. 20 proposals of TOR and EIA were invited for deliberation, of which only 15 cases were presented before the Committee.
- B. Next meetings i.e. the 37th & 38th meetings were fixed for 22nd and 23rd October 2009.

1) 447/2009 M/s Padwar Laterite & Fire Clay Deposit Sh. Sachin Dubey R/o Nehru Colony, Thatipur Distt.Gwalior (M.P.) Padwar Laterite & Fireclay Mine, - 11.13 Ha., Capa. - 4856 TPA at Village- Padwar, Tehsil-Bahoriband, Distt.- Katni (M.P.)

This being a mining project with lease area between 5ha to 50ha is listed at S.N. 1(a) of schedule under 'B' Category of EIA Notification, 2006 and is to be appraised by SEAC.

The applicant, presented the salient features of the project. Information pertaining to the above project was examined by the committee. After discussion on the project it was revealed that:

This is a fresh proposal for **Laterite & Fire Clay** mining with an area of 11.13 Ha and production capacity of approx. 4856 MT/ Annum at Village- Padwar, Tehsil-Bahoriband, Distt.- Katni (M.P.)

Committee has agreed to issue standard TOR to the PP to carry out EIA /EMP, with inclusion of following:

1. Micro-level features shall be depicted on to-the-scale map and presented with the EIA.
2. Impacts of transportation have to be addressed.

2) 448/2009 M/s Smt.Manju Singh, Legal Heir of Late Shri Gopal Saran Singh P.O.- Satna Distt.-Satna (M.P.) 485001 Bhatiya Limestone Mine, - 8.094 Ha., Capa. - 40000 TPA at Village- Bhatiya, Tehsil-Maihar, Distt.- Satna (M.P.)

Project Proponent did not appear for the presentation hence Committee decided to call the PP in the next meeting.

(Suresh Chandra Jain)
Chairman SEAC

(K.K. Goswami)
Member SEAC

(A.P. Shrivastava)
Invitee Expert

(R.K. Jain)
Secretary SEAC

- 3) 449/2009 M/s Smt.Manju Singh, Legal Heir of Late Shri Gopal Saran Singh P.O.- Satna Distt.-Satna (M.P.) 485001 Bamohari Limestone Mine, - 5.058 Ha., Capa. - 25000 TPA at Village- Bamohari ,Tehsil-Raghurajnar Dist. Satna(M.P.)**

Project Proponent did not appear for the presentation hence Committee decided to call the PP in the next meeting.

- 4) 450/2009 M/s Smt.Manju Singh, Legal Heir of Late Shri Gopal Saran Singh P.O.- Satna Distt.-Satna (M.P.) 485001 Bamohari Limestone Mine, - 9.732 Ha., Capa. - 42000 TPA at Village- Bamohari, Tehsil-Raghurajnar Distt.- Satna**

Project Proponent did not appear for the presentation hence Committee decided to call the PP in the next meeting.

- 5) 451/2009 M/s Smt.Manju Singh, Legal Heir of Late Shri Gopal Saran Singh P.O.- Satna Distt.-Satna (M.P.) 485001 Latagaon Limestone Mine, - 8.094 Ha., Capa. - 40000 TPA at Village- Latagaon , Tehsil-Maihar Distt.- Satna (M.P.)**

Project Proponent did not appear for the presentation hence Committee decided to call the PP in the next meeting.

- 6) 452/2009 M/s Smt.Manju Singh, Legal Heir of Late Shri Gopal Saran Singh P.O.- Satna Distt.-Satna (M.P.) 485001 Barahia Limestone Mine, - 6.794 Ha., Capa. - 35000 TPA at Village- Barahia, Tehsil-Maihar Distt.- Satna (M.P.) For - TOR**

Project Proponent did not appear for the presentation hence Committee decided to call the PP in the next meeting.

- 7) 453/2009 M/s Smt.Manju Singh, Legal Heir of Late Shri Gopal Saran Singh P.O.- Satna Distt.-Satna (M.P.) 485001 Rewra Limestone Mine, - 40.090 Ha., Capa. - 49000 TPA at Village- Rewra, Tehsil-Raghurajnar Distt.- Satna**

Project Proponent did not appear for the presentation hence Committee decided to call the PP in the next meeting.

8) 454/2009 M/s Smt.Manju Singh, Legal Heir of Late Shri Gopal Saran Singh P.O.- Satna Distt.-Satna (M.P.) 485001 Latagaon Lime -stone Mine, - .944 Ha,Capa. - 40000 TPA at Village- Latagaon , Tehsil-Maihar Distt.- Satna (M.P.)
Project Proponent did not appear for the presentation hence Committee decided to call the PP in the next meeting.

9) 455/2009 M/s Vardhman Yarns (Power Div.) (A Unit of Vardhman Textiles ltd.), Plot No. A1-A6, Ind.Area Phase-II,Satlapur, Mandideep,Distt.-Raisen(M.P.)462046 Capacity Expansion in Power generation of TPP from existing 24 MW to 30 MW at Industrial Development Centre-Phase -II Satlapur (Mandideep), Distt.-Raisen (M.P.) **For - TOR.**

This being a Thermal Power Plant with production capacity of < 500 MW (based on coal) is listed at S.N. 1(d) of schedule under 'B' Category of EIA Notification, 2006 and is to be appraised by SEAC.

The applicant, presented the salient features of the project .Information pertaining to the above project was examined by the committee. After discussion on the project it was revealed that:

This is a case for enhancement of production from 24 MW to 30 MW at Industrial Development Centre-Phase -II Satlapur (Mandideep), Distt.-Raisen (M.P.). As production enhancement is proposed in the unit already operating in notified industrial area public hearing is not required. It was submitted by the proponent that there will be no change in boiler capacity and no additional land is required for the proposed expansion. The coal requirement is reported to be 586 TPD, with fly ash generation of about 205 TPD. Industry has installed ESP in boiler and bag-filters in coal handling plant. PP has submitted that the generated fly ash is being sold to the cement manufacturing units and local brick manufacturers. The fly-ash is being collected dry and stored in silo. It was also informed by the PP that the generated power shall be used in-house and excess power shall be sold to the State grid. Total water requirement after expansion will be 2558 KLD and shall be supplied by AKVN. Committee has agreed to issue standard TOR to the PP to carry out EIA /EMP, with inclusion of following:

1. Micro-level features shall be depicted on to-the-scale map and presented with the EIA.
2. Industrial area map showing the details of surrounding industries.
3. Compliance of Air & Water Consent conditions and Environmental Statement has to be furnished with the EIA.
4. Extra efforts for Conservation of water have to be proposed in EIA.
5. Agreement document for utilization of fly-ash has to be furnished.
6. Intent of CDM where ever possible (such as waste heat recovery) has to be taken up.
7. Mode of transport of coal up to the industry to be furnished.

- 10) 456/2009 M/s Granite India Gupta Complex, Near Bus Stand, Chhatarpur, Distt.- Chhatarpur (M.P.) 471 001 Silpatpura Granite Quarry, Area-10.00 Ha. Capa.- 15000 Cum/Y of, Village - Silpatpura, Tehsil- Laundi, Distt.- Chhatarpur (M.P.)**

This being a mining project with lease area between 5ha to 50ha is listed at S.N. 1(a) of schedule under 'B' Category of EIA Notification, 2006 and is to be appraised by SEAC.

The applicant, presented the salient features of the project .Information pertaining to the above project was examined by the committee. After discussion on the project it was revealed that:

This is a fresh proposal for Granite mining with an area of 10.0 Ha and production capacity of 15000 m³/ Annum at Village - Silpatpura, Tehsil- Laundi, Distt.- Chhatarpur (M.P.)

Committee has agreed to issue standard TOR to the PP to carry out EIA /EMP, with inclusion of following:

1. Micro-level features shall be depicted on to-the-scale map and presented with the EIA.
2. Impacts of transportation have to be addressed.
3. In view of the mining activities in buffer zone study on cumulative impacts has to be incorporated in the EIA report using suitable model.

- 11) 457/2009 M/s Sukhdeo Prasad Goenka, Prop. - Anand Kumar Goenka, Station Road, Katni, Distt. - Katni (M.P.) Kubri Limestone Mine, Area-16.890 Ha, Capa. - 6000 TPA at Village- Kubri , Tehsil-Maihar Distt.- Satna (M.P.) of Smt. Sushila Singh.**

This being a mining project with lease area between 5ha to 50ha is listed at S.N. 1(a) of schedule under 'B' Category of EIA Notification, 2006 and is to be appraised by SEAC.

The applicant, presented the salient features of the project .Information pertaining to the above project was examined by the committee. After discussion on the project it was revealed that:

This is a fresh proposal for Limestone mining with an area of 16.890 Ha and production capacity of 6000 TPA at Kubri , Tehsil-Maihar Distt.- Satna (M.P.)

Committee has agreed to issue standard TOR to the PP to carry out EIA /EMP, with inclusion of following:

(Suresh Chandra Jain)
Chairman SEAC

(K.K. Goswami)
Member SEAC

(A.P. Shrivastava)
Invitee Expert

(R.K. Jain)
Secretary SEAC

1. Micro-level features shall be depicted on to-the-scale map and presented with the EIA.
2. Impacts of transportation have to be addressed.
3. In view of the mining activities in buffer zone, study on cumulative impacts has to be incorporated in the EIA report using suitable model.

12) 458/2009 M/s Budwa Minerals, Prop. Shri Kuwrendra Singh R/o Village- Budwa, P.O.- Budwa, Tehsil - Beohari, Distt. - Shahdol (M.P.) Sathni Ochre, White Clay & Laterite Mine of M/s Budwa Minerals, Village-Sathni, Tehsil-Beohari, Distt.- Shahdol (M.P.) Area-46.847 Ha, Capa. - 1700 TPA For - TOR

This being a mining project with lease area between 5ha to 50ha is listed at S.N. 1(a) of schedule under 'B' Category of EIA Notification, 2006 and is to be appraised by SEAC.

The applicant, presented the salient features of the project. Information pertaining to the above project was examined by the committee. After discussion on the project it was revealed that:

This is a fresh proposal for Limestone mining with an area of 46.847 Ha and production capacity of 1700 TPA at Village- Sathni, Tehsil-Beohari, Distt.- Shahdol (M.P.). Open-cast manual mining without blasting or drilling is proposed at the site. The site features reveal that there are four reserve forests in the vicinity. River Banas passes about 1.5 Km away from the proposed site.

Committee has agreed to issue standard TOR to the PP to carry out EIA /EMP, with inclusion of following:

1. Micro-level features in 10 Km area around the mining site shall be depicted on to-the-scale map and presented with the EIA.
2. Impacts of transportation have to be addressed.
3. In view of the mining activities in buffer zone study on cumulative impacts has to be incorporated in the EIA report using suitable model.
4. NOC from forest department stating the distances of RF from the site and comment on impacts of mining on flora & fauna has to be submitted with the EIA

13) 459/2009 M/s Budwa Minerals, Prop. Shri Kuwrendra Singh R/o Village- Budwa, P.O.- Budwa, Tehsil - Beohari, Distt. - Shahdol

**MINUTES OF 36th MEETING OF STATE EXPERT APPRAISAL
COMMITTEE HELD ON 23rd September, 2009**

7

This is a proposal of 10 MW biomass based power project at Village- Kherkhedi, Tehsil-Shajapur, Distt. - Shajapur (M.P.). Earlier the project (Case no. 239/08) was proposed at village Choma & accordingly the TOR was issued, with change in the location PP has submitted fresh application to SEIAA, hence earlier TOR may be treated as null & void. The case no 239/08 may send back to SEIAA for delisting. The documents and presentation made by the PP reveal that about 85000 MT/Y of bio-mass shall be required and water requirement shall be 1500 m³ /day, which shall be obtained from river Lakhunder. The Raw material shall be collected from the near by area and coal shall be procured from the local vendors.

- *Raw material:* Source & availability (quantification of demand vis-à-vis collection) of bio-mass with supportive documentation (lease, agreements etc.) to be produced. In case separate land is hired or acquired for bio-mass cultivation documents pertaining to the same have to be produced. Quality of coal proposed to be purchased has to be certified by the supplier.
- *Water:* Approval and commitments from the concerned departments for lifting water from the river Lakhunder along with the permission for laying pipe line up to the site, have to be furnished with EIA.
- Lean period flow (summer) of the river and competitor users of river water has to be assessed and reported with EIA.
- *Social Corporate Responsibility:* Details of welfare activities planned for the workers to be provided.
- *Map Depictions:* Coloured maps depicting land-use of the region showing sensitive / fragile features (such as Kharmore Sanctuary) and detailed lay-out of the site clearly showing green-belt (existing & planned)
- Satellite Image of the location should be submitted.
- Location is also to be shown in Tehsil map procured from revenue department.

EIA PRESENTATION:

1. **443/2009 The M.P. State Mining Corporation Ltd., Paryavas Bhawan, Block No.1(A) 2nd floor, Jail Road, Arera Hills, Bhopal-(M.P.)** Rock Phosphate mine 48.758 ha., at Village Mardeora, Tehsil-Bijawar, Distt.-Chhatarpur (M.P.)
This is a proposal for Rock Phosphate mining (lease area 48.758 Ha) at Village Mardeora, Tehsil-Bijawar, Distt.-Chhatarpur (M.P.). The case has been forwarded from MoEF for appraisal.

The case was received by MoEF as per EIA Notification-1994 along with the Public Hearing proceedings (held on 25/04/03) on dated 29/06/2007. MoEF has forwarded the case to MPSEIAA vide letter dated 28/07/2009.

The case was placed before the SEAC. PP assigned with his consultant was present in the meeting. After examining the file it was revealed that the case was filed in accordance to the EIA Notification 1994. It was pointed out by the committee that as per the circular no. J-11013/41/2006-IA.II (I) of MoEF dated 4th September 2009; the cases received for EC cannot be appraised under EIA Notification 1994 beyond 14th September, 2008.

In view of above, committee has an opinion that the PP may be asked to apply in fresh application as per the provisions of EIA Notification 2006. The case may be send to SEIAA for necessary guidance in the matter.

2. **237/2008 M/s Jaipuria Leo Software & Systems Pvt.Ltd., Plot No. F-4(A) MIDC, Industrial Area, Hingna Road, Nagpur-440 016.** Mining of Manganese Ore, Area-6.159 Ha.Cap.3000 MTA, at Village-Jarahmohgaon, Tehsil-atangi, Distt.- Balaghat (M.P.) **EIA Presentation.**

Project proponent did not appear for the presentation hence committee decided to call the PP in next meeting.

3. **251/2008 Balasore Alloys Ltd. Balgopalpur- Balasore (Orissa) Pin-756 020** Jarah-Mohgaon Manganese Ore Mines - 11.766 Ha.Cap. - 2000 MTA at Village-

Jarahmohgaon, Tehsil-Katangi, Distt.- Balaghat (M.P.) EIA Presentation .

Project proponent did not appear for the presentation hence committee decided to call the PP in next meeting.

4. **253/2008 M/s HukumChand Stone Lime Company Nai Basti, Katni (M.P.)**
Limestone Mine Area - 10.56 Ha.,Capa. - 15000 MTA at Village-Bhatoora,
Tehsil-Maihar, Distt.- Satna (M.P.) EIA Presentation

Project proponent did not appear for the presentation hence committee decided to call the PP in next meeting.

5. **254/2008 M/s Aftab Husan 14,Hamidia Road,Near Model Ground,Bhopal
Distt.-Bhopal (M.P.)** Kanpohra Flag Stone Quarry Area - 44.256 Ha., Capa. -
7000 MTA at Village-Kanpohra, Tehsil-Raisen, Distt.- Raisen (M.P.)

This being a mining project with lease area between 5ha to 50ha is listed at S.N. 1(a) of schedule under 'B' Category of EIA Notification, 2006 and is to be appraised by SEAC.

The applicant, presented the salient features of the project .Information pertaining to the above project was examined by the committee. After discussion on the project it was revealed that:

This is a fresh proposal for Flag-stone quarry with an area of 44.256 Ha and production capacity of 7000 TPA at Village-Kanpohra, Tehsil-Raisen, Distt.-Raisen. Open-cast, Other than fully mechanized (OTFM) mining without blasting or drilling is proposed at the site. It was reported that there no Sanctuary or National Park within the 10 Km area around the site. The water requirement for the project is 10 KLD. The mining is not going to intersect the ground water table.

After deliberation, committee has asked for following submission from the PP:

- NOC from forest department.
- Disclosure of consultant.
- Declaration from consultant
- Analyses report from approved laboratory in original format.

6. **444/2009 Amrapali Homes Projects (P) LTD C-56/40, Sector-62 Noida (U.P.)**
Amrapali "Modern City " Indore,Township project *Total area - 4,19,520 sqm,*
built-up area 59,250 sqm, Plot development in 2,03,294 sqm at Village

Sonwaya, Tehsil-Mhow, Distt.-Indore(M.P.)

This being an Area Development and Integrated Township project is covered in category 8 (B) of the Schedule of EIA Notification 2006 and has to be appraised by the SEAC before grant of EC.

The applicant, presented the salient features of the project. Information pertaining to the above project was examined by the committee. After discussion on the project it was revealed that:

The project consist of construction of Commercial block, Hotel, Club, School and group housing with total constructed area of 59,250 sqm and a Plotted & villa development is proposed in an area of 2,03,294 sqm. Total cost of the project is 90 Crore, total water requirement during operational phase is 1468 KLD; source water is Narbada Water supply Scheme-Phase-III. Waste water generation is reported to be 857 KLD which shall be treated through a dedicated STP of capacity 1000 KLD. The treated water is proposed for use in flushing, horticulture and cooling of DG set & HVAC. Municipal Solid Waste to be generated is reported as 2.6 TPD, the MSW shall be collected & segregated at source. The bio-degradable solid waste is proposed for composting and shall be used as manure at site, the remaining waste shall either be sold to re-cycler or shall be disposed off at designated trenching ground. The power requirement is reported to be 7 MW. DG sets of 7500 KVA is proposed for power back-up. PP has submitted a proposal for use of solar lighting, CFL based lighting, Solar Water heater system and appropriate door/window glasses (towards the compliance of ECBC guidelines). PP has also submitted water harvest system. Parking space for 530 ECS in commercial complex and hotel is proposed as per the MoEF norms. 34.77 % of the total area has been proposed for green area development.

Water requirement during construction phase is 30 m³/day, which shall be purchased from the private water suppliers.

Documents submitted during the presentation:

1. Land diversion orders from competent authority (Revenue) District Indore.
2. Approved development plan from Town & Country Planning Department.
3. Building permission (for 39.5 Ha which is more than the proposed construction of 59,250 sqm)) Gram Panchayat, Sonwaya, District Indore.
4. Commitment from Municipal Corporation Indore for water supply from Narbada Phase - III.
5. Commitment from water supplier during construction phase.

After deliberation committee has decided following:

- Length of nallah between the proposed site and River to be reported along with details of the scheme proposed for preventing any water pollution in the river.
- Provision for Septic tank and soak pit has to be made & furnished for management of waste expected from the temporary hutments of labours at site.
- The proposed STP needs to be upgraded to achieve desirable treatment of the sewage; accordingly proposal has to be submitted.
- Locations of STP and the MSW vermi-composting facilities may be re-considered so as to maintain hygienic conditions and avoid odour nuisance in the residential sector. Accordingly proposal has to be submitted.
- Land owner-ship documents to be submitted.
- A declaration from the consultant and PP for authentication of the supplied information to be provided.

Discussion & decisions based on the Query Reply:

SN	Case No & name	Query	Recommendation
1.	187/2008 Mr. Ashim Gandhi, Village- Lasudia Parmer, tehasil: Sanwer, Dist- Indore Project: Parsvnath SEZ Ltd. Indore, Plot Area-309788 Sq. meter, Built Up Area- 30857 sq. meter.	Multiple queries have been raised.	PP has not submitted the complete information hence a reminder may be issued to PP for early submission of the same.
2.	151/2008 M/s Sangita Sharma C/o Sh. Rakesh Sharma, Plot No. 601, B Byramji Town, Nagpur- 440013 Palaspani Manganese Ore (7.114 Ha.) at Village - Palaspani , Tehsil- Souncer, Distt.- Chindwara Cap- 25000 MT/Y	NOC from gram panchayat for utilization of water has to be furnished.	PP has submitted the desired information hence <u>SEAC has decided to recommend the case for grant of EC.</u>
3.	153/2008 M/s Sukhdeo Prasad Goenka, prop. Sh. Anand Goyanka, Goyanka Bhawan, Station Road, katni. 483501 Project: Laterite redoxide yellow Ochride, red Ochride manganese and clay, Village-jhinna, Tehsil-dhimarkheda, dist- katni. Mining lease area-48.562	1. Comments on the public hearing yet to be addressed properly. 2. Details of the plantation completed so far have to be submitted with future plantation scheme with location map and budget provision. Plantation in 33% of total area has to be ensured. 3. Location of additional land	PP has submitted the desired information hence <u>SEAC has decided to recommend the case for grant of EC.</u>

**MINUTES OF 36th MEETING OF STATE EXPERT APPRAISAL
COMMITTEE HELD ON 23rd September, 2009**

12

		with respect to the mining site has to be shown on map.	
4.	6 & 59/2008. M/s Agrawal Mineral Process Chhindwara (M.P.) SEIAA - Query M/s Agrawal Mineral Process, Manganese ore Mines 5 Ha., Village Gwariwodona Teh Sausar, Distt Chhindwara (M.P)	<p>Query from 16th SEIAA Meeting held on 17th July, 2009</p> <p>Issue of compensation paid to seven persons whose hutments were situated on the mining lease area.</p> <p>Details should be clarified from the district collector.</p> <p>i. Whether they are encroachers on govt. land? ii. Whether Rs. 50000/per unit is sufficient or is it required to be paid in addition to this amount? iii. Is the above compensation given sufficient as per the latest provisions of the RBC?</p>	<p>For timely decision in the matter, the Committee feels that SEIAA may like to issue Directions directly to the District Collector, Chhindwara. This would be more effective.</p> <p>Thus, committee decided to submit the case to SEIAA for necessary action.</p>
5.	30/2008 Ram Kishan Asawa, B/61, Ratan nagar, Jabalpur M.P., M/s Seonitola Dolomite & Soap stone mine, Mining lease area 8.094 ha. Distt Jabalpur M.P. matter has been deferred from the last meeting.	<p>Query from 16th SEIAA Meeting held on 17th July, 2009</p> <p>While examining the public hearing report it appeared that most of the issues raised are of repetitive nature. The Distt. Collector may be directed to give a point wise and specific report on the issues raised in public hearing. It was decided to send back the case to SEAC to get the above clarification from Distt. Collector and inform SEIAA accordingly.</p>	<p>For timely decision in the matter, the Committee feels that SEIAA may like to issue Directions directly to the District Collector.</p> <p>Thus, committee decided to submit the case to SEIAA for necessary action.</p>
6.	88/2008 M/s Lucky Enterprises Plot No. 33/4,Kumerdi/Narwal Kanked,Near Sector 'F' Ind.Area- Sanwer Road,Indore-452 015 Reclaiming of Lead Ingots through Lead_Acid Battery Recycling,Production Capacity-1000 MT/Y	Clarification regarding status of the proposed site. If the site is located in notified industrial area supporting document in this regard from DIC or AKVN have to be submitted.	As the proposed site is out side the Industrial area, PP may be asked to carry out Public Hearing and re-submit the EIA report after incorporating the PH issues.
