

## Minutes of the 133<sup>rd</sup> Meeting of SEIAA dated 24.05.2013

The 133<sup>rd</sup> meeting of the State Level Environment Impact Assessment Authority was convened on 24.05.2013 at 02.00 PM at the Authority's Office in M. P. Pollution Control Board Building, Paryavaran Parisar, Bhopal. The meeting was chaired by Shri Amar Singh, Chairman, SEIAA. The following members attended the meeting:-

- |   |                        |                      |
|---|------------------------|----------------------|
| 1 | Shri M. Hashim         | Member               |
| 2 | Shri Sharad Kumar Jain | Member Secretary I/C |

- A. Following cases received from SEAC have been considered and the details of the receipt of the recommendations & record from the office of SEAC is as follows:

S No	Case No.	No. & date of latest SEAC meeting in which case was recommended	Date of receipt of SEAC minutes in SEIAA	Date of receipt of records in SEIAA office
1.	1246/2013	123 <sup>rd</sup> SEAC meeting dtd 12.03.2013	12.04.2013	16.04.2013
2.	1253/2013	123 <sup>rd</sup> SEAC meeting dtd 12.03.2013	12.04.2013	16.04.2013
3.	1254/2013	123 <sup>rd</sup> SEAC meeting dtd 12.03.2013	12.04.2013	16.04.2013
4.	1255/2013	123 <sup>rd</sup> SEAC meeting dtd 12.03.2013	12.04.2013	16.04.2013

A. Mining cases less than 5 ha. recommended by SEAC :

1. **Case No. 1246/13-** Prior Environmental Clearance for **Stone Boulder Quarry – Crusher (Renewal)** (Manual/Semi Mechanized Method) in an area of 02.023 ha. for production capacity of 15,000 m<sup>3</sup> per year at Khasra No. 222/1 at Village-Dholar, Tehsil-Jaisinghnagar, Distt.-Shahdol (M.P.) by Shri Chakradhari Prasad Shukla S/o Mr. Brijnandan Shukla (Proprietor), M/s Adesh Stone Crusher, Village-Jaisinghnagar, Tehsil-Jaisinghnagar, District-Shahdol (M.P.)-484771.

- (1) The case was recommended in 123<sup>rd</sup> SEAC meeting dtd. 12.03.2013 ..... based on the submission of documents and presentation made by the PP the committee has recommended for grant of prior EC to the project subject to the 12 conditions.
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Boulder Quarry – Crusher** (Manual/Semi Mechanized Method) in an area of 02.023 ha. for production capacity of 15,000 m<sup>3</sup> per year at Khasra No. 222/1 at Village-Dholar, Tehsil-Jaisinghnagar, Distt.-Shahdol (M.P.). It is found that PP has not submitted the copy of the letter from office of the Collector (Mining), District-Shahdol, but has submitted renewal application for 10 years.
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted**.
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body within 500 m. from the mining site.
- (5) It was noted that the information about the distance of mining site from the Forest (Reserved/Protected) land is not available in the records.
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site.
- (7) The PP has proposed the lease period for ten years (Form-1 & Appendix-2) and SEAC has recommended ten years lease period.

In this regard Member and Member Secretary agreed with the recommendation of SEAC. However, Chairman recorded his dissent on the basis of decision taken in 117<sup>th</sup> SEIAA meeting dated 22-01-2013, which is mentioned at Para no 10 of Point no 13 of the minutes. The relevant lines of the Para showing the reason of dissent are given hereunder;

*"Now prior EC is to be considered for the new cases of these three minor minerals by adopting the procedure prescribed for the B-1 category i.e. by issuing TOR, preparation of EIA and public consultation in my considered view."*

- (8) The Environmental Management Scheme (EMS) submitted by the PP as a part of **Appendix-II** was examined and found that the EMS as submitted by PP is sketchy.
- (9) It was decided to accept the recommendation of 123<sup>rd</sup> SEAC meeting dtd. 12.03.2013 to grant Prior Environmental Clearance for **Stone Boulder Quarry – Crusher** (Manual/Semi Mechanized Method) in an area of 02.023 ha. for production capacity of 15,000 m<sup>3</sup> per year at Khasra No. 222/1 at Village-Dholar, Tehsil-Jaisinghnagar, Distt.-Shahdol (M.P.) for lease period of **Ten years** by Shri Chakradhari Prasad Shukla S/o Mr. Brijnandan Shukla (Proprietor), M/s Adesh Stone Crusher, Village-Jaisinghnagar, Tehsil-Jaisinghnagar, District-Shahdol (M.P.)-484771 subject to the following conditions :-

(Amar Singh)  
Chairman

- In case if the distance of mining site is less than 250 m. from forest boundary, it was decided that the Collector would ensure that the PP has obtained the NOC from the committee constituted under the Chairmanship of PS Forest before execution of quarry agreement / mining.
- Before granting the lease or permit to the PP the Collector will ensure that, there is no other prior existing mining lease or permit in operation at or within the distance of 250 m. from the this case mining area which makes the total mining lease area more than 5.0 ha. He shall intimate the position within one month to the SEIAA.

In case there is no other mining lease or permit in operation within 250 m. distance the Collector will also ensure that the permission for any new mine will not be granted without Prior EC from competent authority

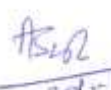

- **The collector will get a detailed EMS from PP and approve it before granting mining lease or permit.** Following points should be incorporated in the EMS :-
  - Precaution during dumping and stabilization of the top soil to be excavated and its utilization for rehabilitation of the land after quarrying.
  - Scheme of removal, storage and utilization of overburden.
  - Scheme of plantation of trees.
  - Measure for prevention air and water pollution.
  - Specific measures for addressing socio-economic concerns of local inhabitants like health, water, employment etc.
  - Other measures to be taken for minimizing the adverse effect of quarrying operation on the environment.
- The Collector or an officer authorized by him will ensure the implementation of the EMS accordingly.
- The PP will submit the approved copy of the EMS to the SEIAA office within 15 days of its approval from the collector.

**2. Case No. 1253/2013-** Prior Environmental Clearance for **Stone Boulder mine** (manual method) in an area of 2.00 ha. for production capacity 5,000 cum/year at Khasra No. 647 meen-1 at Village Lodkiya, Tehsil Manasa, District Neemuch, MP by Saurabha Porwal S/o Shri Nand Kishore Porwal, R/o Village Aatri Bujurg, Tehsil Manasa, District Neemuch (MP)-458113.

- (1) The case was **recommended in 123<sup>rd</sup> SEAC meeting dtd. 12.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Boulder mine** (manual method) in an area of 2.00 ha. for production capacity of 5,000 cum/year at **Survey No. 647 meen-1** at Village Lodkiya, Tehsil Manasa, District Neemuch (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Neemuch (vide L.No. 2253 dtd. 28.12.2012).

- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body within **500 m. from the mining site.**
- (5) *It was noted that the PP has proposed mining in an area of 2.0 ha and has proposed production of 5,000 m<sup>3</sup> per year in the Form-1. It was observed that the production capacity proposed by PP appears on very low side while he is making huge investment in establishing the proposed mining. Considering the investment and proposed production the possibility of the un-authorized mining can't be ruled out. The income to the State Govt. from the proposed mining will also be considerably reduced. Collector is required to consider this observation and clarify regarding the proposed production capacity. If required the proposed capacity may be enhanced to suitable level. A letter is to be sent to the Collector and copy to be endorsed to the PP. **This information should be available to SEIAA within one month.***

**3. Case No. 1254/13- Prior Environmental Clearance for Stone Boulder Quarry – Crusher (Manual/Semi Mechanized Method) in an area of 02.00 ha. for production capacity of 3,000 m<sup>3</sup> per year at Khasra No. 311 at Village-Gunai Khalsa, Tehsil-Ujjain, Distt.-Ujjain (M.P.) by Shri Rahul Pandya S/o Mr. Subhash Pandya, (Mine Lease Owner), 376, Sethi Nagar Main Road Ujjain (M.P.)-456010.**

- (1) The case was **recommended in 123<sup>rd</sup> SEAC meeting dtd. 12.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 10 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Boulder Quarry – Crusher (Manual/Semi Mechanized Method)** in an area of 02.00 ha. for production capacity of 3,000 m<sup>3</sup> per year at Khasra No. 311 at Village-Gunai Khalsa, Tehsil-Ujjain, Distt.-Ujjain (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Ujjain (vide No. 839-947 dated 12.10.2012).
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Nayab Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Nayab Tehsildar, there is no habitation/settlement and water body within **500 m. from the mining site.**
- (5) *It was noted that the PP has proposed mining in an area of 2.0 ha and has proposed production of 3,000 m<sup>3</sup> per year in the Form-1. It was observed that the production capacity proposed by PP appears on very low side while he is making huge investment in establishing the proposed mining with crusher unit. Considering the investment and proposed production the possibility of the un-authorized mining can't be ruled out. The income to the State Govt. from the proposed mining will also be considerably reduced. Collector is required to consider this observation and clarify regarding the proposed production capacity. If required the proposed capacity may be enhanced to suitable level. A letter is to be sent to the Collector and copy to*

7. **Case No. 900/12-** Prior Environmental Clearance for **Stone Boulder Quarry – Crusher** (Manual/Semi Mechanized Method) in an area of 01.00 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 268 at Village-Mohgaon, Tehsil-Nainpur, Distt.–Mandla (M.P.) by Shri Sher Singh S/o Mr. Teekaram Lodhi, Village-Khirkhiri, Tehsil-Nainpur, District-Mandla (M.P.)-481776.

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Boulder Quarry – Crusher** (Manual/Semi Mechanized Method) in an area of 01.00 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 268 at Village-Mohgaon, Tehsil-Nainpur, Distt.–Mandla (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District- Mandla (vide No. 645 dated 07.08.2012).
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body **within 500 m. from the mining site.**
- (5) It was noted that the information about the distance of mining site from the Forest (Reserved/Protected) land is not available in the records.
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site.
- (7) The PP has proposed the lease period for ten years (Form-1 & Appendix-2) and SEAC has recommended ten years lease period.

In this regard Member and Member Secretary agreed with the recommendation of SEAC. However, Chairman recorded his dissent on the basis of decision taken in 117<sup>th</sup> SEIAA meeting dated 22-01-2013, which is mentioned at Para no 10 of Point no 13 of the minutes. The relevant lines of the Para showing the reason of dissent are given hereunder;

***"Now prior EC is to be considered for the new cases of these three minor minerals by adopting the procedure prescribed for the B-1 category i.e. by issuing TOR, preparation of EIA and public consultation in my considered view."***

- (8) The Environmental Management Scheme (EMS) submitted by the PP as a part of **Appendix-II** was examined and found that the EMS as submitted by PP is sketchy.
- (9) It was decided to accept the **recommendation of 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** to grant Prior Environmental Clearance for **Stone Boulder Quarry – Crusher** (Manual/Semi Mechanized Method) in an area of 01.00 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 268 at Village-Mohgaon, Tehsil-Nainpur, Distt.–Mandla (M.P.) for lease period of **Ten years** by Shri Sher Singh S/o Mr. Teekaram Lodhi, Village-Khirkhiri, Tehsil-Nainpur, District-Mandla (M.P.)-481776 subject to the following conditions :-

- In case if the distance of mining site is less than 250 m. from forest boundary, it was decided that the Collector would ensure that the PP has obtained the NOC from the committee constituted under the Chairmanship of PS Forest before execution of quarry agreement / mining.

  
(Sharad Kumar Jain)

- Before granting the lease or permit to the PP the Collector will ensure that, there is no other prior existing mining lease or permit in operation at or within the distance of 250 m. from the this case mining area which makes the total mining lease area more than 5.0 ha. He shall intimate the position within one month to the SEIAA.

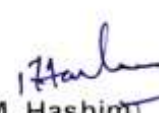

In case there is no other mining lease or permit in operation within 250 m. distance the Collector will also ensure that the permission for any new mine will not be granted without Prior EC from competent authority.

- **The collector will get a detailed EMS from PP and approve it before granting mining lease or permit.** Following points should be incorporated in the EMS :-
- Precaution during dumping and stabilization of the top soil to be excavated and its utilization for rehabilitation of the land after quarrying.
  - Scheme of removal, storage and utilization of overburden.
  - Scheme of plantation of trees.
  - Measure for prevention air and water pollution.
  - Specific measures for addressing socio-economic concerns of local inhabitants like health, water, employment etc.
  - Other measures to be taken for minimizing the adverse effect of quarrying operation on the environment.
- The Collector or an officer authorized by him will ensure the implementation of the EMS accordingly.
- The PP will submit the approved copy of the EMS to the SEIAA office within 15 days of its approval from the collector.

**8. Case No. 907/2012- Prior Environmental Clearance for soil (mud) for bricks manufacturing** (manual method) in an area of 2.692 ha for production capacity 1000 cubic meter per year at Khasra No. 12/1, 12/2, 12/3/1, 12/3/2, Village Sendora, Tehsil Raisen, District Raisen, MP by Shri Kewal Singh S/o Shri Parvat Singh Thakur, Bhopal, MP.

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 10 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **soil (mud) for bricks manufacturing** (manual method) in an area of 2.692 ha. for production capacity of 1,000 cum/year at Survey No. 12/1, 12/2, 12/3/1, 12/3/2 at Village Sendora, Tehsil Raisen, District Raisen, MP. It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Raisen (vide L.No. 752 dtd. 26.07.2012).
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**

- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body within **500 m. from the mining site**.
- (5) It is noted that the distance of mining site from the Forest Boundary is 260 m. (vide DFO, Raisen L. No. 89 dtd. 11.01.2013)
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site.
- (7) The PP has proposed the lease period for 10 years and SEAC **has recommended 10 years lease period**.

In this context it was found that SEIAA in its 107<sup>th</sup> meeting dated 17.09.2012 has identified this mineral "**Ordinary clay for making bricks**" to be considered under B-2 category (para -7 of the minutes) as per Schedule-I of Minor Minerals Rules 1996 for which Two years period is mentioned at Rule 22. It was decided that maximum period would be Two years in this case

- (8) The Environmental Management Scheme (EMS) submitted by the PP as a part of **Appendix-II** was examined and found that the EMS as submitted by PP is sketchy.
- (9) It was decided to accept the recommendation of 124<sup>th</sup> SEAC meeting dtd 13.03.2013 to grant *Prior Environmental Clearance for soil (mud) for bricks manufacturing* in an area of 2.692 ha. for production capacity of 1,000 cum/year at Khasra No. 12/1, 12/2, 12/3/1, 12/3/2 at Village Sendora, Tehsil Raisen, District Raisen, MP for lease period of **Two Years** by Shri Kewal Singh S/o Shri Parvat Singh Thakur, Bhopal, MP subject to the following conditions :-

- Before granting the lease or permit to the PP the Collector will ensure that, there is no other prior existing mining lease or permit in operation at or within the distance of 250 m. from the this case mining area which makes the total mining lease area more than 5.0 ha. He shall intimate the position within one month to the SEIAA.

In case there is no other mining lease or permit in operation within 250 m. distance the Collector will also ensure that the permission for any new mine will not be granted without Prior EC from competent authority.

- **The collector will get a detailed EMS from PP and approve it before granting mining lease or permit.** Following points should be incorporated in the EMS :-
  - Precaution during dumping and stabilization of the top soil to be excavated and its utilization for rehabilitation of the land after quarrying.
  - Scheme of removal, storage and utilization of overburden.
  - Scheme of plantation of trees.
  - Measure for prevention air and water pollution.
  - Specific measures for addressing socio-economic concerns of local inhabitants like health, water, employment etc.
  - Other measures to be taken for minimizing the adverse effect of quarrying operation on the environment.
- The Collector or an officer authorized by him will ensure the implementation of the EMS accordingly.

- The PP will submit the approved copy of the EMS to the SEIAA office within 15 days of its approval from the collector.

9. **Case No. 910/12-** Prior Environmental Clearance for **Shahpura Metal Stone Quarry with Crusher** (Opencast Mechanized Mining Method) in an area of 0.70 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 790/1 at Village-Shahpura, Tehsil-Shahpura, Distt.-Dindori (M.P.) by Smt. Rekha Goswami (Proprietor), Ward No. 13, Bhairavganj, Shahpura, District-Dindori (M.P.).

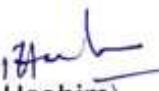

- (1) The case was **discussed in SEAC meetings 112<sup>th</sup> dtd. 17.12.2012, 114<sup>th</sup> dtd. 04.01.2013 and recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Shahpura Metal Stone Quarry with Crusher** (Opencast Mechanized Mining Method) in an area of 0.70 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 790/1 at Village-Shahpura, Tehsil-Shahpura, Distt.-Dindori (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Dindori (vide No. 134 dated 21.02.2013) wherein mining lease is sanctioned for 10 years.
- (3) As per information given by the PP in Appendix-1 duly certified by Conservator Forest & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body **within 500 m. from the mining site.**
- (5) It was noted that the information about the distance of mining site from the Forest (Reserved/Protected) land is not available in the records.
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site.
- (7) In Collector letter lease period is 10 years. The SEAC has recommended ten years lease period.

In this regard Member and Member Secretary agreed with the recommendation of SEAC. However, Chairman recorded his dissent on the basis of decision taken in 117<sup>th</sup> SEIAA meeting dated 22-01-2013, which is mentioned at Para no 10 of Point no 13 of the minutes. The relevant lines of the Para showing the reason of dissent are given hereunder;

*"Now prior EC is to be considered for the new cases of these three minor minerals by adopting the procedure prescribed for the B-1 category i.e. by issuing TOR, preparation of EIA and public consultation in my considered view."*

- (8) The Environmental Management Scheme (EMS) submitted by the PP as a part of **Appendix-II** was examined and found that the EMS as submitted by PP is sketchy.
- (9) It was decided to accept the **recommendation of 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** to grant Prior Environmental Clearance for **Shahpura Metal Stone Quarry with Crusher** (Opencast Mechanized Mining Method) in an area of 0.70 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 790/1 at Village-Shahpura, Tehsil-Shahpura, Distt.-Dindori (M.P.) for lease period of **Ten years** by Smt. Rekha Goswami (Proprietor), Ward No. 13, Bhairavganj, Shahpura, District-Dindori (M.P.) subject to the following conditions :-

- The PP will submit the approved copy of the EMS to the SEIAA office within 15 days of its approval from the collector.

**11. Case No. 931/2012-** Prior Environmental Clearance for **stone mine with crusher** (manual method) in an area of 2.00 ha for production capacity 4000 cum/year at Khasra No. 1582, Village Bamore, Tehsil Badarwas, District Shivpuri, MP by Shri Raghavendra Singh Tomar S/o Shri Pratap Singh Tomar, Sector-4, Vinay Nagar, Gwalior, MP.

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 24 conditions**.
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone mine with crusher** (manual method) in an area of 2.00 ha, for production capacity of 4,000 cum/year at Survey No. 1582 at Village Bamore, Tehsil Badarwas, District Shivpuri, MP. It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Shivpuri (vide L.No. 1214 dtd. 25.08.2012) wherein mining lease mentioned.
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted**.
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body within **500 m. from the mining site**.
- (5) (i) It was noted that there is in-consistency in production figures at different places i.e. 4000 cum/year in Form-I, 2000 MT/year in Appendix-1, 2000 cum/year in Appendix-2 and 1000 cum/year in SEAC recommendation.
- (ii) It was noted that the PP has proposed mining in an area of 2.0 ha and has proposed production of 4,000 m<sup>3</sup> per year in the Form-1. It was observed that the production capacity proposed by PP appears on very low side while he is making huge investment in establishing the proposed mining with crusher unit. Considering the investment and proposed production the possibility of the un-authorized mining can't be ruled out. The income to the State Govt. from the proposed mining will also be considerably reduced. Collector is required to consider this observation and clarify regarding the proposed production capacity. If required the proposed capacity may be enhanced to suitable level. A letter is to be sent to the Collector and copy to be endorsed to the PP. **This information should be available to SEIAA within one month.**

12. **Case No. 947/2012-** Prior Environmental Clearance for **Metal Stone Quarry with crusher** (semi mechanized method) in an area of 1.00 ha for production capacity 5000 cubic meter per year at Khasra No. 807/2, Village Shahpura, Tehsil Shahpura, District Dindori, MP by Shri Arun Kumar Gupta, Shahpura Post Office-Shahpura, Tehsil Shahpura, District Dindori (MP).

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Metal Stone Quarry with crusher** (semi mechanized method) in an area of 1.00 ha. for production capacity of 5,000 cum/year at Survey No. 807/2 at Village Shahpura, Tehsil Shahpura, District Dindori, MP. It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Dindori (vide L.No. 135 dtd. 21.02.2013).
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body within **500 m. from the mining site.**
- (5) *It was noted that the PP has proposed mining in an area of 1.0 ha and has proposed production of 5,000 m<sup>3</sup> per year in the Form-1. It was observed that the production capacity proposed by PP appears on very low side while he is making huge investment in establishing the proposed mining with crusher unit. Considering the investment and proposed production the possibility of the un-authorized mining can't be ruled out. The income to the State Govt. from the proposed mining will also be considerably reduced. Collector is required to consider this observation and clarify regarding the proposed production capacity. If required the proposed capacity may be enhanced to suitable level. A letter is to be sent to the Collector and copy to be endorsed to the PP. **This information should be available to SEIAA within one month.***

13. **Case No. 960/12-** Prior Environmental Clearance for **Stone Quarry with Crusher** (Opencast Semi Mechanized Mining Method) in an area of 1.30 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 45 at Village-Chikhli, Tehsil-Kundam, Distt.-Jabalpur (M.P.) by Smt. Yashoda Bai Goude C/o Shri Manoj Sajwani, Near by Hotel Pankaj Palace Barhi Road, Katni (M.P.)-483501.

- (1) The case was **discussed in SEAC meetings 113<sup>th</sup> dtd. 18.12.2012, 114<sup>th</sup> dtd. 04.01.2013 and recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Quarry with Crusher** (Opencast Semi Mechanized Mining Method) in an area of 1.30 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 45 at Village-Chikhli, Tehsil-Kundam, Distt.-Jabalpur (M.P.) .It is found that PP has

  
(Sharad Kumar Jain)  
Member Secretary I/C

  
(M. Hashim)  
Member

  
(Amar Singh)  
Chairman

submitted the copy of the letter from office of the Collector (Mining), District-Jabalpur (vide No. 6070 dated 17.08.2012) wherein mining lease is sanctioned for 10 years.

- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted. As per Conservator Forest L.No. 201 dtd. 09.01.2013 – it is reported as follows :**

क्या 10 कि.मी. की परिधि में कोई घोषित जैवविविधता क्षेत्र स्थित है ?	10 कि.मी. की परिधि में 'प्राणी जातीय जैवविविधता का विशिष्ट क्षेत्र' कक्ष क्रमांक पी.एफ. 230 स्थित है। जिसका उल्लेख कार्य आयोजना वनमण्डल जबलपुर में है।
---	--

In this context it was noted that as per Wild Life (Protection) Act 1972 only National Parks and Sanctuaries come under the definition of notified protected areas. Hence, the location of 'प्राणी जातीय जैवविविधता का विशिष्ट क्षेत्र' within the distance of 10 km. does not attract the General Condition and the case is under the jurisdiction of MP-SEIAA.

- (4) It was noted that as per Appendix-I, certified by the Tehsildar, there is no habitation/settlement and water body within 500 m. from the mining site.
- (5) It is noted that the distance of mining site from the Forest Boundary is 600 m. (vide Conservator Forest, Jabalpur L.No. 4144 dtd. 22.10.2011).
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site.
- (7) In Collector letter 10 years lease period is mentioned. The SEAC has recommended ten years lease period.

In this regard Member and Member Secretary agreed with the recommendation of SEAC. However, Chairman recorded his dissent on the basis of decision taken in 117<sup>th</sup> SEIAA meeting dated 22-01-2013, which is mentioned at Para no 10 of Point no 13 of the minutes. The relevant lines of the Para showing the reason of dissent are given hereunder;

**"Now prior EC is to be considered for the new cases of these three minor minerals by adopting the procedure prescribed for the B-1 category i.e. by issuing TOR, preparation of EIA and public consultation in my considered view."**

- (8) **Appendix-II/EMS** is not found available with the record submitted by PP.
- (9) It was decided to accept the recommendation of 124<sup>th</sup> SEAC meeting dtd. 13.03.2013 to grant Prior Environmental Clearance **Stone Quarry with Crusher** (Opencast Semi Mechanized Mining Method) in an area of 1.30 ha. for production capacity of 10,000 m<sup>3</sup> per year at Khasra No. 45 at Village-Chikhli, Tehsil-Kundam, Distt.-Jabalpur (M.P.) for lease period of **Ten years** by Smt. Yashoda Bai Goude C/o Shri Manoj Sajwani, Near by Hotel Pankaj Palace Barhi Road, Katni (M.P)-483501 subject to the following conditions :-

- Before granting the lease or permit to the PP the Collector will ensure that, there is no other prior existing mining lease or permit in operation at or within the distance of 250 m. from the this case mining area which makes the total mining lease area more than 5.0 ha. He shall intimate the position within one month to the SEIAA.

In case there is no other mining lease or permit in operation within 250 m. distance the Collector will also ensure that the permission for any new mine will not be granted without Prior EC from competent authority.

- **The collector will get a detailed EMS from PP and approve it before granting mining lease or permit.** Following points should be incorporated in the EMS :-
  - Precaution during dumping and stabilization of the top soil to be excavated and its utilization for rehabilitation of the land after quarrying
  - Scheme of removal, storage and utilization of overburden.
  - Scheme of plantation of trees
  - Measure for prevention air and water pollution.
  - Specific measures for addressing socio-economic concerns of local inhabitants like health, water, employment etc.
  - Other measures to be taken for minimizing the adverse effect of quarrying operation on the environment.
- The Collector or an officer authorized by him will ensure the implementation of the EMS accordingly.
- The PP will submit the approved copy of the EMS to the SEIAA office within 15 days of its approval from the collector.

**14. Case No. 1105/2013-** Prior Environmental Clearance for **stone mine with crusher** (manual method) in an area of 1.0 ha. for production capacity 3000 cum / year at Khasra No. 313 & 314/1 at village Dhhand, Tehsil Biaora, District Rajgarh, MP by Smt. Shaitan Bai W/o Shri Gokul Prasad Dangi, village Amalyahot, Tehsil Biaora, District Rajgarh, MP.

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone mine with crusher** (manual method) in an area of 1.0 ha. for production capacity of 3,000 cum/year at Survey No. 313 & 314/1 at Village Dhhand, Tehsil Biaora, District Rajgarh, MP. It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Rajgarh (vide L.No. 722 dtd. 04.12.2012).
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted**
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body within **500 m. from the mining site.**
- (5) *It was noted that the PP has proposed mining in an area of 1.0 ha and has proposed production of 3,000 m<sup>3</sup> per year in the Form-1.* It was observed that the production capacity proposed by PP appears on very low side while he is making huge investment in establishing the proposed mining with crusher unit. Considering the investment and proposed production the possibility of the un-authorized mining can't be ruled out. The income to the State Govt. from the proposed mining will also be considerably reduced. Collector is

(Amar Singh)  
Chairman

required to consider this observation and clarify regarding the proposed production capacity. If required the proposed capacity may be enhanced to suitable level. A letter is to be sent to the Collector and copy to be endorsed to the PP. ***This information should be available to SEIAA within one month.***

15. **Sub: Case No 1126/2013 - Prior Environmental Clearance for Stone Mining for Gitti Crusher** in an area of 4.00 ha. for production capacity 40 Tonnes per day at Khasra No. 1311/2 at Village-Pira, Tehsil-Rajnagar, District-Chhattarpur by **Mr. Subodh Pateriya, Pateria Marg, Village-Maharajpur, District-Chhattarpur (M.P)-471501**

- (1) The case was discussed in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013 and it is **recorded that** ..... *This is a case of mining of stone along with a crusher. The application was forwarded by SEIAA to SEAC for appraisal. DFO has reported that the proposed site is just 7.5 Km from the Panna National Park. Thus it was observed the committee that the project falls under category – 'A' hence cannot be appraised at SEIAA/SEAC. The project may be returned to SEIAA for further necessary action in the matter.*
- (2) As per Conservator Forest, Chhattarpur L.No. 2824 dtd. 05.12.2012 the Panna National Park is within 10 k.m. radius from mining site. Hence, **General Conditions are attracted.**
- (3) It was decided that the case ***is not in the jurisdiction of SEIAA*** hence, it was decided that application with all documents in original should be returned to PP. The Copy of letter should be endorsed to all concerned.

16. **Case No. 1146/13- Prior Environmental Clearance for Stone Quarry (Opencast Mechanized Mining Method)** in an area of 2.000 ha. for production capacity of 1,00,000 m<sup>3</sup> per year at Khasra No. 112/4 at Village-Raniganj, Tehsil-Guna, Distt.-Guna (M.P.) by **Shri Santosh Singh Dhakad, Prop. Hanuman Colony, Guna (M.P.)**

- (1) The case was **recommended** in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013 ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Quarry** (Opencast Mechanized Mining Method) in an area of 2.000 ha. for production capacity of 1,00,000 m<sup>3</sup> per year at Khasra No. 112/4 at Village-Raniganj, Tehsil-Guna, Distt.-Guna (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District- Guna (vide No. 373 dated 28.07.2011).
- (3) As per information given by the PP in Appendix-1 duly certified by Conservator Forest & Nayab Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Nayab Tehsildar, there is no habitation/settlement and water body **within 500 m. from the mining site.**
- (5) *It was found that PP in Form-1 applied for production capacity 1,00,000 m<sup>3</sup> per year. The SEAC has restricted production capacity to 10,000 m<sup>3</sup> per year with the condition that the average depth of the pits shall not exceed 6.00 m at the end of*

(Amar Singh)  
Chairman

10 years. However, there is no mention about the production capacity in the Collator letter No. 373 dated 28.07.2011 submitted by PP.

*In this context it was decided to write the Collector to seek information regarding the actual production capacity for which the PP has applied in the mining office. It should be made available to SEIAA within one month. A copy of the letter should be endorsed to the PP also.*

17. **Case No. 1148/12-** Prior Environmental Clearance for **Stone Quarry – Crusher** in an area of 02.00 ha. for production capacity of 1200 m<sup>3</sup> per year at Khasra No. 208/71 at Village-Dhaba, Tehsil-Kesrawad, Distt.-Khargone (M.P.) by Shri Sachin Chowdhary, Owner, 7/1 Bhawani Road, Kanchan Bagh Colony, Sanawad, Tehsil-Badwah, District-Khargone (M.P.)-451111.

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Quarry – Crusher** in an area of 02.00 ha. for production capacity of 1200 m<sup>3</sup> per year at Khasra No. 208/71 at Village-Dhaba, Tehsil-Kesrawad, Distt.-Khargone (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Khargone (vide No. 448 dated 15.06.2012).
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Nayab Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Nayab Tehsildar, there is no habitation/settlement and water body **within 500 m. from the mining site.**
- (5) *It was noted that the PP has proposed mining in an area of 2.0 ha and has proposed production of 1,200 m<sup>3</sup> per year in the Form-1. It was observed that the production capacity proposed by PP appears on very low side while he is making huge investment in establishing the proposed mining with crusher unit. Considering the investment and proposed production the possibility of the un-authorized mining can't be ruled out. The income to the State Govt. from the proposed mining will also be considerably reduced. Collector is required to consider this observation and clarify regarding the proposed production capacity. If required the proposed capacity may be enhanced to suitable level. A letter is to be sent to the Collector and copy to be endorsed to the PP. This information should be available to SEIAA within one month.*

18. **Case No. 1176/13-** Prior Environmental Clearance for **Stone Crusher** (Opencast Mechanized Mining Method) in an area of 3.00 ha. for production capacity of 60,000 m<sup>3</sup> per year at Khasra No. 672 at Village-Bilhari Kalan, Tehsil-Narwar, Distt.-Shivpuri (M.P.) by Shri Rajeev Jain, Partner, M/s Maa Baglamukhi Stones Crusher, D-9 Gandhi Nagar, Gwalior (M.P.)-474002.

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the

  
(Sharad Kumar Jain)  
Member Secretary I/C

  
(M. Hashim)

(Amar Singh)  
Chairman

committee has recommended for grant of prior EC to the project subject to the 13 conditions.

- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Crusher** (Opencast Mechanized Mining Method) in an area of 3.00 ha. for production capacity of 60,000 m<sup>3</sup> per year at Khasra No. 672 at Village-Bilhari Kalan, Tehsil-Narwar, Distt.-Shivpuri (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District- Shivpuri (vide No. 1887 dated 22.12.2012 – Application for lease renewal mentioned).
- (3) As per information given by the PP in Appendix-1 duly certified by Conservator Forest & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions** are not attracted.
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body **within 500 m. from the mining site**.
- (5) It was noted that the information about the distance of mining site from the Forest (Reserved/Protected) land is not available in the records.
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site.
- (7) The PP has proposed the lease period for ten years (Appendix-2) and SEAC has recommended ten years lease period.

In this regard Member and Member Secretary agreed with the recommendation of SEAC. However, Chairman recorded his dissent on the basis of decision taken in 117<sup>th</sup> SEIAA meeting dated 22-01-2013, which is mentioned at Para no 10 of Point no 13 of the minutes. The relevant lines of the Para showing the reason of dissent are given hereunder;

*"Now prior EC is to be considered for the new cases of these three minor minerals by adopting the procedure prescribed for the B-1 category i.e. by issuing TOR, preparation of EIA and public consultation in my considered view."*

- (8) It was observed that in this SEIAA meeting, in many cases SEAC has changed production capacity for which some justification was given, but in this case SEAC has not given any justification to keep production capacity 60,000 cum/year in the area of 3.00 ha.
- (9) The Environmental Management Scheme (EMS) submitted by the PP as a part of **Appendix-II** was examined and found that the EMS as submitted by PP is sketchy.
- (10) It was decided to accept the **recommendation of 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** to grant Prior Environmental Clearance for **Stone Crusher** (Opencast Mechanized Mining Method) in an area of 3.00 ha. for production capacity of 60,000 m<sup>3</sup> per year at Khasra No. 672 at Village-Bilhari Kalan, Tehsil-Narwar, Distt.-Shivpuri (M.P.) for lease period of **Ten years** by Shri Rajeev Jain, Partner, M/s Maa Baglamukhi Stones Crusher, D-9 Gandhi Nagar, Gwalior (M.P.)-474002 subject to the following conditions :-
  - In case if the distance of mining site is less than 250 m. from forest boundary, it was decided that the Collector would ensure that the PP has obtained the NOC from the committee constituted under the Chairmanship of PS Forest before execution of quarry agreement / mining.
  - Before granting the lease or permit to the PP the Collector will ensure that, there is no other prior existing mining lease or permit in operation at or within the distance of 250 m. from the this case mining area which makes the total

(Amar Singh)  
Chairman

mining lease area more than 5.0 ha. He shall intimate the position within one month to the SEIAA.

In case there is no other mining lease or permit in operation within 250 m. distance the Collector will also ensure that the permission for any new mine will not be granted without Prior EC from competent authority.

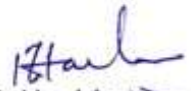

- **The collector will get a detailed EMS from PP and approve it before granting mining lease or permit.** Following points should be incorporated in the EMS :-
  - Precaution during dumping and stabilization of the top soil to be excavated and its utilization for rehabilitation of the land after quarrying.
  - Scheme of removal, storage and utilization of overburden.
  - Scheme of plantation of trees.
  - Measure for prevention air and water pollution.
  - Specific measures for addressing socio-economic concerns of local inhabitants like health, water, employment etc.
  - Other measures to be taken for minimizing the adverse effect of quarrying operation on the environment.
- The Collector or an officer authorized by him will ensure the implementation of the EMS accordingly.
- The PP will submit the approved copy of the EMS to the SEIAA office within 15 days of its approval from the collector.

**19. Case No. 1182/13- Prior Environmental Clearance for Stone Mine (Bhumi Sudhar – Manual) in an area of 0.62 ha. for production capacity of 1200 m<sup>3</sup> per year at Khasra No. 236/1 at Village-Singarsati, Tehsil–Dindori, Distt.–Dindori (M.P.) by Shri Santosh Kumar Panariya, Owner, Village-Singarsati, Post Office Lalpur, Tehsil & District-Dindori (M.P).**

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Mine (Bhumi Sudhar – Manual)** in an area of 0.62 ha. for production capacity of 1200 m<sup>3</sup> per year at Khasra No. 236/1 at Village-Singarsati, Tehsil–Dindori, Distt.–Dindori (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Dindori (vide No. 27 dated 11.01.2013).
- (3) As per information given by the PP in Appendix-1 duly certified by Conservator Forest & Nayab Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Nayab Tehsildar, there is no water body within 500 m. from the mining site, however, there is a **habitation/settlement (Tola) within 400 m. from the mining site.**

In this context it was decided to write to the Collector to seek information regarding the distance of the settlement from mining site, number of houses and impact of mining activity on it. It should be made available to SEIAA within one month. A copy of the letter should be endorsed to the PP also

22. **Case No. 1268/13-** Prior Environmental Clearance for **Stone Boulder/Murum Quarry – Renewal** (Opencast Manual & Semi Mechanized Mining Method) in an area of 3.00 ha. for production capacity of 70,000 m<sup>3</sup> per year at Khasra No. 9/23 at Village-Karondi, Tehsil-Jabalpur, Distt.-Jabalpur (M.P.) by Shri S.N. Dubey, Proprietor, 643, Aamanpur, Madan Mahal, Jabalpur (M.P)-482001.

- (1) The case was **recommended in 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 12 conditions**.
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Stone Boulder / Murum Quarry** (Opencast Manual & Semi Mechanized Mining Method) in an area of 3.00 ha. for production capacity of 70,000 m<sup>3</sup> per year at Khasra No. 9/23 at Village-Karondi, Tehsil-Jabalpur, Distt.-Jabalpur (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District- Jabalpur (vide No. 7128 dated 21.12.2012).
- (3) As per information given by the PP in Appendix-1 duly certified by Conservator Forest & Tehsildar, the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted**.
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no **habitation/settlement and water body within 500 m. from the mining site**,
- (5) It was noted that the information about the distance of mining site from the Forest (Reserved/Protected) land is not available in the records.
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site.
- (7) The PP has proposed the lease period for two years (Form-1 & Appendix-2) and SEAC has recommended two years lease period
- (8) The Environmental Management Scheme (EMS) submitted by the PP as a part of **Appendix-II** was examined and found that the EMS as submitted by PP is sketchy.
- (9) It was decided to accept the **recommendation of 124<sup>th</sup> SEAC meeting dtd. 13.03.2013** to grant Prior Environmental Clearance **Stone Boulder / Murum Quarry** (Opencast Manual & Semi Mechanized Mining Method) in an area of 3.00 ha. for production capacity of 70,000 m<sup>3</sup> per year at Khasra No. 9/23 at Village-Karondi, Tehsil-Jabalpur, Distt.-Jabalpur (M.P.) for lease period of **Two years** by Shri S.N. Dubey, Proprietor, 643, Aamanpur, Madan Mahal (M.P)-482001 subject to the following conditions :-
  - In case if the distance of mining site is less than 250 m. from forest boundary, it was decided that the Collector would ensure that the PP has obtained the NOC from the committee constituted under the Chairmanship of PS Forest before execution of quarry agreement / mining.
  - Before granting the lease or permit to the PP the Collector will ensure that, there is no other prior existing mining lease or permit in operation at or within the distance of 250 m. from the this case mining area which makes the total mining lease area more than 5.0 ha. He shall intimate the position within one month to the SEIAA.In case there is no other mining lease or permit in operation within 250 m. distance the Collector will also ensure that the permission for any new mine will not be granted without Prior EC from competent authority.

- The collector will get a detailed EMS from PP and approve it before granting mining lease or permit. Following points should be incorporated in the EMS :-
  - Precaution during dumping and stabilization of the top soil to be excavated and its utilization for rehabilitation of the land after quarrying.
  - Scheme of removal, storage and utilization of overburden.
  - Scheme of plantation of trees.
  - Measure for prevention air and water pollution.
  - Specific measures for addressing socio-economic concerns of local inhabitants like health, water, employment etc.
  - Other measures to be taken for minimizing the adverse effect of quarrying operation on the environment.
- The Collector or an officer authorized by him will ensure the implementation of the EMS accordingly.
- The PP will submit the approved copy of the EMS to the SEIAA office within 15 days of its approval from the collector.

**B. Cases related to additional information**

**23. Case No. 948/12-** Prior Environmental Clearance for **Sand Mine** (Manual Method) in an area of 4.0 ha. for production capacity of 36,000 m<sup>3</sup> per year at Khasra No. 271 at Village-Agalkota, Tehsil-Alirajpur, Distt.-Alirajpur (M.P.) by Shri Jaggu S/o Shri Radhu Pachaya, Village-Bokariya, Tehsil & District-Alirajpur (M.P) - 457887

- (1) The case was **recommended in 113<sup>th</sup> SEAC meeting dtd. 18.12.2012** ..... based on the submission of documents and presentation made by the PP the committee has **recommended for grant of prior EC to the project subject to the 10 conditions.**
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Sand Mine** (Manual Method) in an area of 4.0 ha. for production capacity of 36,000 m<sup>3</sup> per year at Khasra No. 271 at Village-Agalkota, Tehsil-Alirajpur, Distt.-Alirajpur (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District-Alirajpur (vide No. 255 dated 02.05.2012) wherein temporary permission for mining is mentioned.
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Tehsildar the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is no habitation/settlement and water body within **500 m. from the mining site.**
- (5) It is noted that the distance of mining site from the Forest Boundary is 8 k.m. (vide DFO, Alirajpur L.No. 1786 dtd. 15.04.2013)..
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site.
- (7) The PP has proposed the lease period for two years (Appendix-2) and SEAC has recommended two years lease period.
- (8) The Environmental Management Scheme (EMS) submitted by the PP as a part of **Appendix-II** was examined and found that the EMS as submitted by PP is sketchy.
- (9) It was noted that the Tehsildar vide L.No. 366 dtd. 19.03.2013 has given following information regarding mining from river bed :-

Name of river                      -                      Hirli river

1/5 part of river bed	40 m./ 8 m.

*It was decided that mining should be carried out at the distance of 15 m. from stream bed.*

- (10) It was decided to accept the recommendation of **115<sup>th</sup> SEAC meeting dtd. 05.01.2013** to grant Prior Environmental for **Sand Quarry** in an area of 4.00 ha. for production capacity 60,000 m<sup>3</sup> per year at Survey No. 75 at Village-Baddla, Tehsil-Alirajpur, District-Alirajpur (M.P.) for the lease period of **Two Years** by Shri Vishram Singh S/o Shri Jassu Singh R/o Village – Behdawa, Post-Malwai, Tehsil & District – Alirajpur subject to the following conditions :-

- **The sand mining should be carried out at the distance of 15 m. from the stream bed.**
- Before granting the lease or permit to the PP the Collector will ensure that, there is no other prior existing mining lease or permit in operation at or within the distance of 250 m. from the this case mining area which makes the total mining lease area more than 5.0 ha. He shall intimate the position within one month to the SEIAA.  
  
In case there is no other mining lease or permit in operation within 250 m. distance the Collector will also ensure that the permission for any new mine will not be granted without Prior EC from competent authority.
- **The collector will get a detailed EMS from PP and approve it before granting mining lease or permit.** Following points should be incorporated in the EMS :-
  - Precaution during dumping and stabilization of the top soil to be excavated and its utilization for rehabilitation of the land after quarrying
  - Scheme of removal, storage and utilization of overburden.
  - Scheme of plantation of trees.
  - Measure for prevention air and water pollution.
  - Specific measures for addressing socio-economic concerns of local inhabitants like health, water, employment etc.
  - Other measures to be taken for minimizing the adverse effect of quarrying operation on the environment.
- The Collector or an officer authorized by him will ensure the implementation of the EMS accordingly.
- The PP will submit the approved copy of the EMS to the SEIAA office within 15 days of its approval from the collector.

29. **Case No. 1003/2012-** Prior Environmental Clearance for **Sand Mine** (Manual) in an area of 4.0 ha. for production capacity of 3,000 m<sup>3</sup> per year at Khasra No. 1 at Village-Dharampur, Tehsil-Bina, District-Sagar (M.P.) by M/s Swatantra Group Prop. Swatantra Mishra, Neha Nagar, Makronia Sagar-470004

- (1) The case was recommended in 115<sup>th</sup> SEAC meeting dtd. 05.01.2013 ..... based on the submission of documents and presentation made by the PP the committee has recommended for grant of prior EC to the project subject to the 10 conditions
- (2) It was noted that the PP has applied in **Form-I** for Prior Environmental Clearance of **Sand Mine** (Manual) in an area of 4.0 ha. for production capacity of 3,000 m<sup>3</sup> per year at **Khasra No. 1** at Village-Dharampur, Tehsil-Bina, District-Sagar (M.P.). It is found that PP has submitted the copy of the letter from office of the Collector (Mining), District- Sagar (vide No. 1748 dated 07.11.2012) wherein temporary permission for mining is mentioned.
- (3) As per information given by the PP in Appendix-1 duly certified by DFO & Nayab Tehsildar the Interstate Boundary and National Park/Sanctuary are not within 10 Km. radius. Hence, **General Conditions are not attracted.**
- (4) It was noted that as per **Appendix-I**, certified by the Nayab Tehsildar, there is no habitation/settlement and water body within **500 m. from the mining site.**
- (5) It is noted that the distance of mining site from the Forest Boundary is 20 k.m. (DFO, Sagar, L.No. 46 dtd. 04.01.2013)
- (6) It was noted that neither PP nor SEAC has mentioned about the distance of the any other mine from the proposed mining site
- (7) The SEAC has recommended two years lease period.
- (8) The Environmental Management Scheme (EMS) submitted by the PP as a part of **Appendix-II** was examined and found that the EMS as submitted by PP is sketchy.
- (9) It was noted that the Tehsildar has given following information regarding mining from river bed :-

*Name of river* - *Betwa river*

*Width of the river* - *50 m..*

*Distance of sand mining from bank of the river stream* - *18 m.*

*It was decide that mining should be carried out at the distance of 18 m. from stream bed.*

- (10) It was decided to accept the recommendation of 115<sup>th</sup> SEAC meeting dtd. 05.01.2013 to grant Prior Environmental **Sand Mine** (Manual) in an area of 4.0 ha. for production capacity of 3,000 m<sup>3</sup> per year at Khasra No. 1 at Village-Dharampur, Tehsil-Bina, District-Sagar (M.P.) for lease period of **Two Years** by M/s Swatantra Group Prop. Swatantra Mishra, Neha Nagar, Makronia Sagar-470004 (M.P) subject to the following conditions :-

- The sand mining should be carried out at the distance of 18 m. from the stream bed.
- Before granting the lease or permit to the PP the Collector will ensure that, there is no other prior existing mining lease or permit in operation at or within the distance of 250 m. from the this case mining area which makes the total mining lease area more than 5.0 ha. He shall intimate the position within one month to the SEIAA.

अतः उक्तानुसार शर्त निर्धारित किया जाकर आवेदित कंपनी को पर्यावरण अनापत्ती शासकीय निर्माण कार्य हेतु प्रदान की सकती है।

- (5) It was noted that as per **Appendix-I**, certified by the Tehsildar, there is habitation/settlement within **500 m. from the mining site**.

In this context it was decided to write to the Collector to seek information regarding the distance of the settlement from mining site, number of houses and impact of mining activity on it. It should be made available to SEIAA within one month. A copy of the letter should be endorsed to the PP also

- 32. Case No. 973/2012** – Prior Environmental Clearance for Proposed Indian Institute of Technology, Institute of Engineering and Technology at village – Simrol, Tehsil Mhow, Distt.- Indore(M.P.), Total Land Area – 501.42 Acres, Total Built Up Area – 12,65,179.45 sq. mt. by Director,IIT, Indore, Ministry of Human Resource Deptt., Govt. of India through Col. Raja Sekhar, Registrar, IIT, Indore, Institute of Engg. & Technology,DAVV Campus, Khandwa Road, Indore- 452017

- (1) The proposed project is Area Development project at village – Simrol, Tehsil Mhow, Distt.- Indore (M.P.), Total Land Area – 501.42 Acres, Total Built Up Area – 12,65,179.45 sq. mt. by Ministry of Human Resource Deptt., Govt. of India through Col. Raja Sekhar, Registrar, IIT, Indore, Institute of Engg. & Technology,DAVV Campus, Khandwa Road, Indore- 452017.

- (2) The case was discussed and it is noted that :-

- (i). PP vide letter dtd 18.05.2013 has submitted a copy of GRIHA registration no. nil dtd nil from Association of Development & Research of Sustainable Habitat (ADARSH) New Delhi. For consideration of the project as per office memorandum MoEF, Gol 19-58/2011-IA III dtd 10.05.2011 quoted as follows :-

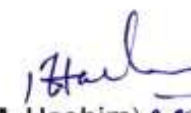

*"Ministry of Environment & Forests has decided that the proposals for obtaining environmental clearance in respect of building and construction sector projects which have obtained green building rating (GRIH, LEED etc.) by integrating high level of environmental norms into their building plans, shall get priority for their consideration out of turn by the Expert Appraisal Committee / State Level Expert Appraisal Committee, as the case may be. Therefore, such projects will be listed for their consideration by the EAC/ SEAC concerned, out of turn, as compared to other cases."*

It was decided that PP should be asked whether he has obtained green rating for the proposed project as per the office memorandum. If yes PP should submit the details of the green rating system incorporated in the project.

- (ii). It is noted that SEAC has not given details of green rating in the minutes of 126<sup>th</sup> meeting dtd 12.04.2013. In which the case is considered.
- (3) It is decided PP should submit the above information at the earliest and latest by 15.06.2013.

*The meeting ended with vote of thanks to the chair.*
