## Minutes of the 141<sup>st</sup> Meeting of SEIAA dated 11.07.2013

(ii). Out of these the number of cases which are pending at SEAC & SEIAA level are given below :-

- (a) Cases pending at SEAC level - 42
- (b) Cases pending at SEIAA level - 11

(2) It was noted that MOEF, GoI has issued Office Memorandum vide No. J-11013/41/2006-IA.II(I) dtd. 22<sup>nd</sup> March, 2010 regarding **Time limit for validity of Terms of Reference (TORs)** prescribed under EIA Notification, 2006 for undertaking detailed EIA studies for developmental projects requiring environmental clearance. The relevant part of the OM is given hereunder:-

*"It has been decided that from 01.04.2010, the prescribed TORs would be **valid for a period of two years** for submission of the EIA/EMP Reports, after public consultation where so required. This period will be extendable to the 3<sup>rd</sup> year, based on proper justification and approval of the EAC/SEAC, as the case may be. Thus, an **outer limit of three years** has been prescribed for the validity of TORs with effect from 01.04.2010.*

*In case of the proposals, which had been granted TORs **prior to the issue of this O.M.** the EIA/EMP reports should be submitted, after public consultation where so required, **no later than four years from the date of the grant of the TORs, with primary data not older than three years**".*

(3) It has been informed by the SEIAA office that following 23 cases were registered wherein as per above OM the time limit of 4 years has expired after issuing ToR, but PPs have not submitted final EIA Report in SEIAA Office as yet. As per EIA Notification 2006 PP should submit EIA Report to SEIAA Office and subsequently would be sent to SEAC Office for appraisal. Presently this procedure is in practice too.

The SEIAA Office has also examined and found that PPs have not applied to extend time limit for validity of TOR and as such the prescribed time limit is over. **Hence, it has been decided that all these 23 cases are summarily rejected.** The list of these cases along with details is given below :

- (7) It has been informed by the SEIAA office that following **97 cases** of the MP State Mining Corporation Limited were registered in 2009 wherein as per Ministry's OM dated 22.03.2010 the time limit of 4 years has expired after issuing ToR, but PPs have not submitted final EIA Report in SEIAA Office till yet. As per EIA Notification 2006 PP should submit EIA Report to SEIAA Office and subsequently would be sent to SEAC Office for appraisal. Presently this procedure is in practice too.

The SEIAA Office has also examined and found that PPs have not applied to extend time limit for validity of ToR and as such the time limit for the validity of ToR has expired. Hence it has been decided that all these **97 cases** are summarily rejected. The list of these cases along with details is given below:

## Minutes of the 141<sup>st</sup> Meeting of SEIAA dated 11.07.2013

### (8) DETAILS OF THE OTHER THAN MINING CASES PENDING IN 2008 AT SEIAA / SEAC

- (i). It is noted that as per the amendment of EIA Notification 01.12.2009 Para V (iv) (ii) it is mention that  
*"In case of secondary metallurgical processing industrial units, those projects involving operation of furnaces only such as induction and electric arc furnace, submerged arc furnace, and cupola with capacity more than 30,000 tonnes per annum (TPA) would require environmental clearance."*

In view of above, following **two cases** of 3 (a) category having production capacity less than 30,000 TPA are exempted from prior EC hence it is decided to **summarily close** these cases. :-
