

The 174th meeting of the State Expert Appraisal Committee (SEAC) was held on 24th February, 2015 under the Chairmanship of Dr. R. B. Lal. The following members attended the meeting-

1. Dr. Mohini Saxena, Member
2. Shri K.P. Nyati, Member
3. Shri A.P. Srivastava, Member
4. Shri Manoj Pradhan, Member
5. Dr. Srinivasan Krishnan Iyer, Member
6. Shri Manohar K. Joshi, Member
7. Dr. U.R. Singh, Member
8. Shri Rameshwar Maheshwari, Member
9. Shri A.A. Mishra, Secretary.
10. Dr M.P. Singh, Member.

The Chairman welcomed all the members of the Committee and thereafter agenda items were taken up for deliberations.

Discussion and decision taken on miscellaneous issues:

- 1. Case No. – 2200/2014** Shri Shivendra Singh Yadav S/o Shri Lalli Ram Yadav, Village-Budhiya, Tehsil-Ishagarh, Ashoknagar (MP)-473335 Stone Quarry Lease Area – 1.00 ha., at Khasra No. -282/305, Village-Budhiya, Tehsil-Ishagarh, Ashoknagar (MP) Capacity-8550 Cu.mt./Year,

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

- 2. Case No. – 2201/2014** Shri Rahul Jhadiya S/o Shri Harisingh Jhadiya, Village-Shikarpura, Tehsil & Dist-Dhar (MP)-454001 Miyapura Basalt Stone Quarry Lease Area – 2.50 ha, at Khasra No. -175/1, Village-Miyapura, Tehsil-Dhar, Dhar (MP) Basalt Stone Capacity - 23518 Cu.mt./Year, Murram Capacity - 2138 Cu.mt./Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. -175/1, Village-Miyapura, Tehsil-Dhar, Dhar (MP) in 2.5 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.8039 dated 13/10/2014, that 06 more mine is operating / proposed within 500 meter radius around the said mine with total lease area of 13.9 Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.

4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan not exceeding 23518 m³/Year. The maximum average depth of pits shall not exceed 6 meters.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

3. Case No. – 2202/2014 Shri Bhushan Suri S/o Late Shri Uttam Chandra Suri, Owner, M-17, Gandhi Nagar, Gwalior (MP)-474001 Stone Quarry Lease Area-1.930ha, at Khasra No. -80/3, Village-Pachara, Tehsil-Badoni, Datia (MP) Capacity-40,000 Cu.mt./Year.

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

4. Case no. 1521/2013 Shri Kamal Kishore Trivedi Sugar Mill Marg, Mahidpur Road, Teh. - Mahidpur, Dist.-Ujjain (M.P.)-456443. Lease Area - 02.00 Hectare Stone/Boulder Quarry at Khasra No. – 731, Vill.-Gogapur, Teh.-Mahidpur, Dist.-Ujjain (M.P.) Production Capacity - 5000 cum/year.

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. – 731, Vill.-Gogapur, Teh.-Mahidpur, Dist.-Ujjain (M.P.) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.387 dated 03/08/14, that no mine is operating / proposed within 500 meter radius around the said mine with total lease area of - Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan not exceeding 5000 m³/Year. The maximum average depth of pits shall not exceed 20 meters for environmentally safe mining.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

5. Case No.-1837/2014 Shri Sunil Arora, R/o Vaishali Nagar, Tehsil & District Damoh (M.P.) Basalt Stone Quarry Lease Area - 1.200 ha., at Khasra No. - 656 at Village - Padariya, Tehsil- Sagar, Distt -Sagar (M.P.) Capacity - 4,500 cum/year.

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. - 656 at Village - Padariya, Tehsil- Sagar, Distt -Sagar (M.P.) in 1.2 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.603- dated 12/09/14, that 01 more mine is operating / proposed within 500 meter radius around the said mine with total lease area of 2.4 Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by

mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.

2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan not exceeding 4500 m³/Year. The maximum average depth of pits shall not exceed 12 meters for environmentally safe mining.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

6. Case No. – 2203/2014 Shri Anup Jaiswal S/o Late Shri Ramchandra Jaiswal, Budimai Ward, Maharajpur, Mandla (MP)-454331 Machariya Metal Stone Quarry Lease Area –2.20 ha., at Khasra No.-91/1 Kh ,Village-Machariya, Tehsil-Mandla, Mandla (MP) Capacity-47188 Cu.mt./Year.

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at *Khasra No.-91/1 Kh ,Village-Machariya, Tehsil-Mandla, Mandla (MP)* in 2.2 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.1037 dated 14/11/2014, that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.

2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan not exceeding 30000 m³/Year as agreed by the PP. The maximum average depth of pits shall not exceed 12 meters for environmentally safe mining.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

7. Case No. – 2205/2014 Shri Dwarka Patel S/o Shri Chunnilal Patel, Village-Magarpunch, Tehsil-Goharganj, Raisen (MP)-466446 Stone Quarry Lease Area –2.429 ha., at Khasra No.-90/2 Village-Baardha, Tehsil-Rehti, Sehore (MP) Capacity- 6840 Cu.mt./Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at *Khasra No.-90/2 Village-Baardha, Tehsil-Rehti, Sehore (MP)* in 2.429 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.6011 dated 17/11/2014, that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable. The proposed mine is reported to be only 1100 meters from the boundary of notified protected area viz. Ratapani Abhyaran, hence PP was asked to obtain comments from the Chief Wild Life Warden of M.P. in the prescribed format and submit the same within one month. Post-mine conceptual plan should also be submitted.

8. Case No. – 2206/2014 Shri Devendra Singh S/o Shri Shivcharan Singh, M/s D.S. Company, Village-Rampura, Post-Fatehpur, Dist-Karouli (Raj.)-322241Majouna River

Sand Quarry Lease Area –5.00 ha., at Khasra No. - 602, Village-Majouna, Tehsil-Devsar, Singrauli (MP) Capacity -142500 Cum/Year,

Mining Officer of mining department vide letter no.860 dated 27/12/2014 that no mine is operating / proposed within 500 meter radius around the said mine. Representative of PP appeared for deliberation. However, he did not have the authorization from the PP committee therefore did not allow him to present the case. The case was deferred for subsequent meeting. The case shall be returned to SEIAA in case PP or his duly authorized representative does not appear.

9. Case No. – 2207/2014 Shri Praduyumna Singh Sisodiya S/o Shri Rajendra Singh Sisodiya, Mahodiya House, Chanakya Puri, Saibaba Mandir Road, Sehore (MP)-466001 Didakhedi Basalt Stone Quarry Lease Area –1.320 ha., at Khasra No. – 19/2 , Village-Didakhedi, Tehsil-Sehore, Sehore (MP) Capacity -2700 Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. – 19/2 , Village-Didakhedi, Tehsil-Sehore, Sehore (MP) in 1.320 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.243 dated 23/02/2015 that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan not exceeding 2700 m³/Year.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.

12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

10. Case No. – 2208/2014 Smt. Rajni Tiwari, Owner, Village-Dulari, Tehsil-Jaisinghnagar, Shahdol (MP) Basalt Stone Quarry Lease Area –3.416 ha., at Khasra No. 5/1 , Vill.-Chuhaitola, Tehsil-Jaisinghnagar, Shahdol (MP) Capacity - 8550 Cum/Year,

Representative of PP appeared for deliberation. However, he did not have the authorization from the PP committee therefore did not allow him to present the case. The case was deferred for subsequent meeting. The case shall be returned to SEIAA in case PP or his duly authorized representative does not appear.

11. Case No. – 2209/2014 Shri Jitendra Patidar, Owner, 107, Guradiya Dida, Mandsaur (MP) Basalt Stone Quarry Lease Area –3.010 ha., at Khasra No. – 409/4,409/5,409/6, Village - Khokhra, Tehsil-Malhargarh, Distt.-Mandsaur (MP), Capacity - 8000 Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. – 409/4,409/5,409/6, Village - Khokhra, Tehsil-Malhargarh, Distt.-Mandsaur (MP) in 3.010 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site (not clear) and requisite information in the prescribed format duly verified by the Tehsildar and DFO. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area. Afer deliberation PP was asked to submit following information along with supporting documents:

- Details of mines proposed / operating within 500 meter radius around the proposed mine duly certified from the concerned Mining Officer.
- Written undertaking that mining-depth shall be restricted up to 15 meters only.

12. Case No. – 2210/2014 Shri Ram Babu S/o Late Shri Kedar Prasad Garg, Station Road, Sheopur (MP)-476337 Stone Quarry Lease Area –2.00 ha., at Khasra No. -54 , Village-Kilgaodi, Tehsil & District-Sheopur (MP), Capacity - 14250 Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. -54 , Village-Kilgaodi, Tehsil & District-Sheopur (MP) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue. Hence PP was asked to submit comments of concerned Forest Officer on this issue.

- 13. Case No. – 2211/2014** Shri Amar Sharma S/o Shri Santosh Kumar Sharma, FCI Road, Chhindwara Square, Town & District-Seoni (MP)-480661 Basalt Stone Quarry Lease Area –2.00 ha., at Khasra No. -1169/1,1169/2 , Village-Banki, Tehsil-Seoni, Seoni (MP) Capacity – 12,000 Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. -1169/1,1169/2 , Village-Banki, Tehsil-Seoni, Seoni (MP) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the DFO. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

Afer deliberation PP was asked to submit following information along with supporting documents:

- Requisite information in the prescribed format duly verified by the Tehsildar.

- 14. Case No. – 2212/2014** Shri Punamlal Anjana S/o Shri Ram Lal Anjana, Director, M/s Chetak Enterprises, Vill-Kesunda, Teh-Choti Sadari, Dist-Chittorgarh (Raj.)-312604Chainpura Stone Quarry Lease Area –2.00 ha., at Khasra No. -350 , Village-Chainpura, Tehsil & District-Neemuch (MP), Capacity -50,000 Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. -350 , Village-Chainpura, Tehsil & District-Neemuch (MP) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.102 dated 19/02/15, that 08 more mines are operating / proposed within 500 meter radius around the said mine with total lease area of 22.47 Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.

9. Production of stone boulder shall be as per the mining plan not exceeding 25000 m³/Year. The production capacity has been reduced in view of size & shape of the lease area on written consent from PP.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

15. Case No. – 2214/2014 Shri Someshwar Patidar S/o Shri Satyanarayan Patidar, Vill-Bhavriya, Teh-Kukshi, Dist-Dhar (MP)-454446 Jamodi Basalt Stone & Murram Quarry Lease Area –2.00 ha., at Khasra No -226, Village-Jamodi, Tehsil & District-Dhar (MP) Capacity - 24590 Cum/Year(Basalt stone) & Capacity-2732cum/year(Murram),

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No -226, Village-Jamodi, Tehsil & District-Dhar (MP) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.4097 dated 23/08/14, that 04 more mines are operating / proposed within 500 meter radius around the said mine with total lease area of 9.562 Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan not capacity exceeding 13660 m³/Year. The production capacity has been reduced in view of depth restriction

imposed in the Mining Plan. Production capacity of Murrum shall not exceed 2732 m³/Year.

10. Average Depth of the pits shall not exceed 6 meters.
11. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
12. Transportation shall not be carried out through forest area.
13. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
14. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
15. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

16. Case No. – 2215/2014 Smt. Sangita Patidar W/o Shri Sudama Patidar, 49, Happy Villa Colony, Dhar (MP)-454001 Jamodi Basalt Stone & Murram Quarry Lease Area –2.00 ha., at Khasra No. - 265 , Vill-Jamodi, Teh & District-Dhar (MP) Cap. - 23837 Cum/Year (Basalt stone) & Cap.-2167cum/year(Murram),

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at *Khasra No. - 265 , Vill-Jamodi, Teh & District-Dhar (MP) in 2.0 ha.* The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.4095 dated 23/08/14, that 04 more mine is operating / proposed within 500 meter radius around the said mine with total lease area of 9.562 Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.

9. Production of stone boulder shall be as per the mining plan capacity not exceeding 10635 m³/Year. The production capacity has been reduced in view of depth restriction imposed in the Mining Plan. Production capacity of Murrum shall not exceed 2167 m³/Year.
10. Average Depth of the pits shall not exceed 6 meters.
11. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
12. Transportation shall not be carried out through forest area.
13. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
14. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
15. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

17. Case No. – 2216/2014 Shri Puranmal Anjana S/o Shri Ram Lal Anjana, Director, M/s Chetak Enterprises, Vill-Kesunda, Teh-Choti Sadari, Dist-Chittorgarh (Raj.)-312604 Stone Quarry Lease Area –2.00 ha., at Kh No.-350, Vill-Chainpura, Teh & District-Neemuch (MP) Capacity -50,000Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Kh No.-350, Vill-Chainpura, Teh & District-Neemuch (MP) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.103 dated 19/02/15, that 08 more mines are operating / proposed within 500 meter radius around the said mine with total lease area of 22.47 Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.

8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan not capacity exceeding 25000 m³/Year. The production capacity has been reduced in view of size & shape of the lease area on written consent from PP.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

18. Case No. – 2217/2014 Shri Deep Singh Sengar S/o Shri Heera Singh Sengar, A.B. Road, Near Nehru Petrol Pump, Lashkar, Dist-Gwalior (MP)-474001 Flag Stone Mine Lease Area –4.00 ha., at Khasra No. -300/1,300/2 , Village-Badkagaon, Tehsil-Ghatigaon, District-Gwalior (MP) Capacity -10800 Cum/Year,

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

19. Case No. – 2218/2014 Shri Puranmal Anjana S/o Shri Ram Lal Anjana, Director, M/s Chetak Enterprises, Vill-Kesunda, Teh-Choti Sadari, Dist-Chittorgarh (Raj.)-312604 Chainpura Stone Quarry Lease Area –4.00 ha., at Khasra No. – 350,363 , Village-Chainpura, Tehsil & District-Neemuch (MP) Capacity – 1,00,000 Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. – 350, 363, Village-Chainpura, Tehsil & District-Neemuch (MP) in 4.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.104 dated 19/02/15 that 08 more mines are operating / proposed within 500 meter radius around the said mine with total lease area of 22.47 Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.

2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan capacity not exceeding 50000 m³/Year. The production capacity has been reduced in view of size & shape of the lease area on written consent from PP.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

20. Case No. – 2219/2014 Smt. Kesar Bai W/o Late Heera Singh, Near Nehru Petrol Pump, A.B. Road, Laxmiganj, Lashkar, Gwalior (MP)-474001 Flag Stone Mine Lease Area –4.00 ha., at Khasra No. -361, Village-Changora, Tehsil-Ghatigaon, District-Gwalior (MP) Capacity - 10300Cum/Year,

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

21. Case No. – 2220/2014 Shri Vikram Singh Dhurvey S/o Shri J.S. Dhurve, Subhashganj, Umaria (MP)-484661 Metal Stone Quarry Lease Area –1.00 ha. at Khasra No.-57/73, Village-Nigahari, Tehsil-Chandia, District-Umaria (MP) Capacity - 4000 Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No.-57/73, Village-Nigahari, Tehsil-Chandia, District-Umaria (MP) in 1.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.610 dated 14/10/14, that no mine is operating / proposed within 500 meter radius around the said mine with total lease area of - Ha. PP has

reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

It was observed that the certificate issued by the DFO states that there would be adverse impacts from the proposed mining, in this context it was decided to obtain detailed comments from the concerned DFO regarding the nature of impact vis-à-vis activity and possible mitigation plan by the PP for the same.

22. Case No. – 2221/2014 Smt. Bharti Yadav W/o Shri Shailendra Yadav, Vinay Nagar, Gwalior (MP)-474012 Granite (Gitti Patthar) Mine Lease Area –2.00 ha. at Khasra No. -3619/3, Village-Billaua, Tehsil-Dabra, District-Gwalior (MP) Capacity -15,893 Cum/Year.

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

23. Case No. – 2222/2014 Shri Ashish Gupta S/o Shri Kailash Gupta, Rudra Colony, Infront of Collector Bungalow, Hoshangabad (MP)-461001 River Sand Quarry Lease Area –1.214 ha. at Khasra No.-23, Village- Cheerpura, Tehsil-Rehatgaon, District-Harda (MP) Capacity-36000 Cum/Year.

This is a sand mining project comprising a lease area of 1.214 ha. The project requires prior EC from SEIAA before commencement of production from the proposed quarry. The application was forwarded by SEIAA to SEAC for appraisal and necessary recommendation. The submissions and presentation made by the PP reveals following:

- The quarry is located at - Village-Jaramohangaon, Tehsil-Katangi, District-Balaghat (MP).
- PP has submitted the Mine Plan duly approved by the competent authority. PP has also submitted an EMP.
- The mining is proposed to be carried out manually.

After deliberations PP was asked to submit following documents:

- a certificate from the concerned Mining Officer regarding sand quarries operating / proposed within 1 Km from all the peripheries of the proposed sand quarry.
- Certificate from DFO in prescribed format.

24. Case No. – 2223/2014 Smt. Pushplata Tiwari W/o Shri Om Prakash Tiwari, Ram Manohar Lohiya Ward, Adarsh Colony, Katni (MP)-483501 Stone Quarry Lease Area – 1.80 ha., at Khasra No. - 746 , Village-Banda, Tehsil & District-Katni (MP) Capacity -17100 Cum/Year.

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. - 746, Village-Banda, Tehsil & District-Katni (MP) in 1.8 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue. Hence PP was asked to submit comments of concerned Forest Officer on this issue.

25. Case No. – 2224/2014 Shri Pankaj Purohit S/o Shri Bajrang Purohit, Jawahar Nagar, Ratlam (MP)-457001 Basalt Stone Quarry Lease Area –1.00 ha., at Khasra No.-136/1/1/1, Village-Banjali, Tehsil & District-Ratlam (MP) Capacity –5130 Cum/Year,

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at *Khasra No.-136/1/1/1, Village-Banjali, Tehsil & District-Ratlam (MP)* in 1.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.677 dated 07/11/2014, that 17 more mines are operating / proposed within 500 meter radius around the said mine with total lease area of 16.3Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan capacity not exceeding 5130 m³/Year.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with

change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

- 26. Case No. – 2226/2014 Shri Nilay Jain, D-1, Machna Colony, Shivaji Nagar, Bhopal (MP)-462016 Basalt Stone Quarry Lease Area –1.493 ha.at Khasra No.147/149/1ka, 212/148/1 gha, 212/148/63ka/1, 147/149/1ka, 212/148/1gha, 212/148/3ka/3, 147/149/1ka, 212/148/1gha, 212/148/3ka/5 Capacity -41,160 Cum/Year Village-Panari, Tehsil-Budhni, District-Sehore (MP)**

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

- 27. Case No. – 2227/2014 Shri Sachan Tiwari S/o Shri Rajendra Tiwari, Village-Rupadon Ryt, Tehsil-Ghansor, District-Seoni (MP) Basalt Stone Quarry Lease Area – 0.300 ha. Khasra No. 23 , at Village-Rupadon Ryt, Tehsil-Ghansor, District-Seoni (MP), Capacity -2850 Cum/Year.**

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project

- 28. Case No. – 2228/2014 Smt. Shail Awasthi, Gharoula Mohalla, Dist-Shahdol (MP) Basalt Stone Quarry Lease Area –0.971 ha.at Khasra No. 271 , Capacity -5700 Cum/Year Village-Belli, Tehsil-Gohparu, District-Shahdol (MP)**

This is a case of mining of stone bolder.The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. 271, Village-Belli, Tehsil-Gohparu, District-Shahdol (MP) in 0.971 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.190 dated 20/02/2015, that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.

3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan capacity not exceeding 5700 m³/Year.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

29. Case No. – 2229/2014 Smt. Rekha Sahu W/o Shri Nishant Sahu, Sahu Ware House, Gandhi Gram, Tehsil-Jatara, District-Tikamgarh (MP)-472118 Basalt Stone Quarry Lease Area –4.00 ha. at Khasra No. 1/1ka , Village-Ramnagar Khurd, Tehsil-Jatara, District-Tikamgarh (MP) Capacity -11400 Cum/Year.

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. 1/1ka , Village-Ramnagar Khurd, Tehsil-Jatara, District-Tikamgarh (MP) in 4.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area. After scrutiny PP was asked to submit response on the following issues along with supporting documents with in one month's time:

- Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue. Hence PP was asked to submit comments of concerned Forest Officer on this issue.
- Financial allocation for tree plantation was too meagre and needs to be enhanced.

30. Case No. – 2230/2014 Shri Gulam Mustafa, Owner, M/s Raja Stone Crusher, Village-Pakriya, Tehsil-Kotma, Anuppur (MP)-484334 Basalt Stone Quarry Lease Area – 2.00 ha., at Khasra No. – 431/4, Village-Badariya, Tehsil-Budhar, District-Shahdol (MP) Capacity -8550 Cum/Year.

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. – 431/4, Village-Badariya, Tehsil-

Budhar, District-Shahdol (MP) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.1917 dated 22/09/2014, that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA.
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Garland drains and check-dams shall be constructed considering the slopes of the lease area.
9. Production of stone boulder shall be as per the mining plan capacity not exceeding 8550 m³/Year.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. Peripheral plantation shall be carried out in the first year itself.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the Region. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

31. Case No. – 2231/2014 Shri Jafar Ali, Prop., M/s Jafar Mines & Minerals, Ghantaghar, Jabalpur (MP)-482001 Basalt Stone Quarry Lease Area –2.610 ha. at Khasra No. 546 , Village-Turmadar, Tehsil-Kundam, District-Jabalpur (MP) Capacity -49,59 Cum/Year.

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the

committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

32. Case No. – 2232/2014 Shri Hari Om Singh S/o Shri Govind Singh, Hamirpur (UP)-210301 Sand Mine Lease Area –3.237 ha. at Khasra No. - 535 , Village-Khapatya, Tehsil-Lavkushnagar, District-Chhatarpur (MP) Capacity - 72,000 Cum/Year.

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

33. Case No. – 2233/2014 Shri Pankaj Jain S/o Shri Dharam Chand Jain, M/s Alfa Infra and Project, 11, Nayagaon, Rampur, Jabalpur (MP)-482001 Basalt Stone Quarry Lease Area –2.00 ha. at Khasra No. 229 , Village-Bineki Kalan, Tehsil-Ghansour, District-Seoni (MP) Capacity -25,650Cum/Year.

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. 229 , Village-Bineki Kalan, Tehsil-Ghansour, District-Seoni (MP) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. PP has reported that the pit formed after mining shall be developed into a water body. Crusher is proposed in the lease area. After scrutiny PP was asked to submit response on the following issues along with supporting documents within one month's time:

- Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue. Hence PP was asked to submit comments of concerned Forest Officer on this issue.
- The letter no. 789 dated 29/03/2013 has been issued by the DFO, Seoni (West) referring the letter dated 07/02/2014, clarification in this context has to be obtained from the concerned Forest Officer.

34. Case No. – 2234/2014 Shri Pramendra Singh Raghuwanshi, Raghuwanshi Gali, Tehsil & District-Ashoknagar (MP) Basalt Stone Quarry Lease Area –2.00 ha. at Khasra No. 131,134 , Village-Muhaldehar, Tehsil-Shadora, District-Ashoknagar (MP) Capacity - 16,000 Cum/Year.

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

35. Case No. – 2235/2014 Shri Vikash Pathak, Sagar State Colony, Makroniya, Sagar (MP) Basalt Stone Quarry Lease Area –3.80 ha. at Khasra No.-19, Village-Ramanna, Tehsil-Deori, District-Sagar (MP) Capacity -27,248Cum/Year.

The project was examined by the committee and it was decided to recommend the project for rejection in view of following discrepancies in the Mining Plan submitted by the PP:

- Lease area shown in the approved mining plan is 3.8 Ha whereas the same has been shown as 4.0 Ha in the presentation.
- Similarly, in some of the certificates the lease area has been shown as 4.0 Ha and in some certificates it is 3.8 Ha.
- Mineral storage area, waste dump area has not been shown in the conceptual plan.
- The proposal over all is un-workable for sustainable mining.

Meeting ended with thanks to the Chair and the Members.
