

The 178th meeting of the State Expert Appraisal Committee (SEAC) was held on 24rd March, 2015 under the Chairmanship of Dr. R. B. Lal. The following members attended the meeting-

1. Dr. MohiniSaxena, Member
2. Shri A.P. Srivastava, Member
3. Shri Manoj Pradhan, Member
4. Dr. Srinivasan Krishnan Iyer, Member
5. Dr. U.R. Singh, Member
6. Dr M.P. Singh, Member
7. Dr. Alok Mittal, Member
8. Shri A.A. Mishra, Secretary

The Chairman welcomed all the members of the Committee and thereafter agenda items were taken up for deliberations.

- 1. Case No. - 2293/2014 Shri Bhupendra Nahar S/o Shri Raajmal Nahar, Village-Sagore, Tehsil & District-Dhar (MP)-454774** 2795 dt. 26-12-2014, Rec. dt. 27/12/14 *Stone Quarry Lease Area – 2.00 ha., at Khasra No. –753 , Capacity - 10,000 Cu.mt./Year, Village-Kheda, Tehsil-Dhar, District-Dhar (MP)*

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

- 2. Case No. - 2294/2014 Shri Sarnam Singh S/o Shri Karan Singh Yadav, Ma Veshnopuram, Behind Rathore Dharam Kanta, Murena Road, Gudaipura, Gwalior (MP)-47400** 2799 dt. 26-12-2014, Rec. dt. 27/12/14 *Stone Quarry Lease Area 2.00 ha., at Khasra No. –1970,1975, Capacity - 10,000 Cu.mt./Year, Village-Kurthara, Tehsil-Baroni, District-Datia (MP)*

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. –1970, 1975, Capacity - 10,000 Cu.mt./Year, Village-Kurthara, Tehsil-Baroni, District-Datia (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.367 dated 10/11/2014, that no mine is operating / proposed within 500 meter radius around the said mine . PP has reported that the pit formed after mining shall be developed into a water body.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA
4. Transportation of material shall be done in covered vehicles.

5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Production of stone boulder shall be as per the mining plan not exceeding 10000 m³/Year and maximum average depth of pits shall not exceed 6 meters.
9. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement.
10. Transportation shall not be carried out through forest area.
11. Appropriate activities shall be taken up for social up-liftment of the area. Funds reserved towards the same shall be utilized through Gram Panchayat.
12. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
13. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

3. Case No. - 2295/2014 Shri Balveer Singh S/o Shri Shivpal Singh Rajput, Village-Titwas, Tehsil-Shujalpur, District-Shajapur (MP)-465220 2799 dt. 26-12-2014 Stone Quarry Lease Area – 1.00 ha., at Khasra No. –253/111 , Capacity-5000Cu.mt./Year, Village-Titwas, Tehsil-Shujalpur, District-Shajapur (MP)

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at *Khasra No. –253/111 , Village-Titwas, Tehsil-Shujalpur, District-Shajapur (MP)* In 1.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no. 819 dated 13/11/2014, that no mine is operating / proposed within 500 meter radius around the said mine . PP has reported that the pit formed after mining shall be developed into a water body.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.

8. Production of stone boulder shall be as per the mining plan not exceeding 5000 m³/Year and maximum average depth of pits shall not exceed 6 meters.
9. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement.
10. Transportation shall not be carried out through forest area.
11. Appropriate activities shall be taken up for social up-liftment of the area. Funds reserved towards the same shall be utilized through Gram Panchayat.
12. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
13. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

4. Case No. - 2296/2014 Shri Sanjay Agrawal S/o Shri Kalyanmal Ji Agrawal, 102, Janki Nagar, Akashganga Apartment, Indore (MP)-452009 2801 dt. 26-12-2014, Rec. dt. 27/12/14 *Stone Quarry Lease Area -4.00 ha., at Khasra No. -166/5/4 , Capacity-16,500Cu.mt./Year,Village-Kalyansi Khedi, Tehsil-Dhar, District-Dhar (MP)*

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

5. Case No. - 2297/2014 Shri Satya Narayan Agrawal, 82, Arvind Nagar, Agar Road, Ujjain (MP)-456006 2803 dt. 26-12-2014, Rec. dt. 27/12/14 *Stone Quarry Lease Area -3.00 ha., at Khasra No. -145 , Capacity -30000 Cu.mt./Year,Village-Dhablagori, Tehsil-Ghattia, District-Ujjain (MP)*

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at *Khasra No. -145, Village-Dhablagori, Tehsil-Ghattia, District-Ujjain (MP)* in 3.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no. 792 dated 03/11/2014, that 07 more mines are operating / proposed within 500 meter radius around the said mine total lease area being 16.8 Ha . PP has reported that the pit formed after mining shall be developed into a water body. It was reported and observed that the application has been made for 30000 m³ / Year whereas, the Mining Plan has been approved for 4920 M³ / Year only. Hence case was considered for the same.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA
4. Transportation of material shall be done in covered vehicles.

5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Production of stone boulder shall be as per the mining plan not exceeding 4920 m³/Year and maximum average depth of pits shall not exceed 6 meters.
9. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement. A budget of Rs 20000 shall be reserved for plantation.
10. Transportation shall not be carried out through forest area.
11. Appropriate activities shall be taken up for social up-liftment of the area. Funds reserved towards the same shall be utilized through Gram Panchayat.
12. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
13. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

6. Case No. - 2298/2014 Shri Arjun Singh Chouhan S/o Shri Soman Singh Chouhan, Village-Doulatganj, Tehsil-Taal, District-Ratlam (MP) 2805 dt. 27-12-2014 Basalt Stone Quarry Lease Area -2.00 ha., at Khasra No. -04, Capacity-11400Cu.mt./Year, Village-Kharwakalan, Tehsil-Taal, District-Ratlam (MP)

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. -04, Village-Kharwakalan, Tehsil-Taal, District-Ratlam (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

Scrutiny of the case reveals that the Mining Plan and submitted documents has several discrepancies based on the same it was decided to return the case to SEIAA for delisting -

- Mandatory Buffer zone around the mine has not been left. .
- Total of post mining land-use is exceeding the actual lease area.
- Surface plan not submitted with the Mine Plan.
- Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue.

7. Case No. - 2299/2014 Shri Girvar Singh S/o Shri Hindu Singh, Gram-Lasudilya Patla, Tehsil-Kalapipal, District-Shajapur (MP)-465223 2807dt. 27-12-2014 Mohamadpur Machnai Stone Quarry Lease Area -1.00 ha., at Khasra No.-634/3, Capacity-10,000Cu.mt./Year, Village-Mohamadpur Machnai, Tehsil-Kalapipal, District-Shajapur (MP)

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No.-634/3, Capacity-10,000Cu.mt./Year, Village-Mohamadpur Machnai, Tehsil-Kalapipal, District-Shajapur (MP) in 1.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no. 661 dated 26/09/2014, that 01 more mine is operating / proposed within 500 meter radius around the said mine total lease area being 3.0 Ha . PP has reported that the pit formed after mining shall be developed into a water body.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Production of stone boulder shall be as per the mining plan not exceeding 8000 m³/Year as the lease area is small and crusher is also proposed in the lease area and maximum average depth of pits shall not exceed 6 meters.
9. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement.
10. Transportation shall not be carried out through forest area.
11. Appropriate activities shall be taken up for social up-liftment of the area. Funds reserved towards the same shall be utilized through Gram Panchayat.
12. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
13. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

8. Case No. - 2300/2014 Shri Gabbar Singh S/o Shri Rameshchandra Gurjar, Village-Gaata, Tehsil-Agar, District-Agar (MP)-4654412809 dt. 27-12-2014 Sumrakhedi Stone Quarry Lease Area -1.00 ha., at Khasra No. -454 , Capacity - 5700Cu.mt./Year, Village-Sumrakhedi, Tehsil-Agar, District-Agar (MP)

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. -454 , Capacity - 5700Cu.mt./Year, Village-Sumrakhedi, Tehsil-Agar, District-Agar (MP) in 1.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no. 530 dated 05/11/2014, that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. Crusher shall not be installed in the lease area.
2. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
3. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
4. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA
5. Transportation of material shall be done in covered vehicles.

6. Necessary consents shall be obtained from MPPCB and the air pollution control measures have to be installed as per the recommendation of MPPCB.
7. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
8. Curtaining of site shall be done using appropriate media.
9. Production of stone boulder shall be as per the mining plan not exceeding 5700m³/Year and maximum average depth of pits shall not exceed 6 meters.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the area. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

9. Case No. – 2301/2014 Smt. Aarti Rarotiya W/o Shri Sudhir Rarotiya, Village – Rignod, Tehsil Jaora, Distt. Ratlam (MP) (M-9229228268) Basalt Stone Quarry Lease Area – 2.00 ha., at Khasra No.-486/1/K/1, Lease Period Ten Year at Village-Rignod, Tehsil óJaora, Distt. Ratlam (MP), Capacity ó 5700 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2811/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No.-486/1/K/1 at Village-Rignod, Tehsil óJaora, Distt. Ratlam (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no. 674 dated 07/11/2014, that One mine is operating / proposed within 500 meter radius around the said mine and the total lease area is 1.0 ha. PP has reported that the pit formed after mining shall be developed into a water body.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Production of stone boulder shall be as per the mining plan not exceeding 5700 m³/Year and maximum average depth of pits shall not exceed 6 meters.
9. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement.

10. Transportation shall not be carried out through forest area.
11. Appropriate activities shall be taken up for social up-liftment of the area. Funds reserved towards the same shall be utilized through Gram Panchayat.
12. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
13. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

10. Case No. – 2302/2014 Shri Ashok Sirsam S/o Shri Gyani Prasad Sirsam, Village – Balarpur, Tehsil – Seoni, Distt. Seoni (MP) (M-9229228268) Basalt Stone Quarry Lease Area – 1.00 ha., at Khasra No.-349 Part, Lease Period Ten Year at Village-Balarpur, Tehsil ó Seoni, Distt. Seoni (MP), Capacity ó 5700 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2813/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No.-349 Part at Village-Balarpur, Tehsil ó Seoni, Distt. Seoni (MP) in 1.00 ha. The project requires prior EC before commencement of any activity at site. PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.2743dated 25/12/14, that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body. Crusher shall not be installed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable.

- However, scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue. Hence PP was asked to submit comments of concerned Forest Officer on this issue.

11. Case No. – 2303/2014 Naval Kishore Vishwakarma, Nighari, Tehsil – Chandiya, Distt. Umariya (MP) (M-9229228268) Basalt Stone Quarry Lease Area – 2.00 ha., at Khasra No.-14, Lease Period Ten Year at Village-Karounda, Tehsil ó Chandiya, Distt. Umariya (MP), Capacity ó 14250 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2815/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No.-14, Lease Period Ten Year at Village-Karounda, Tehsil ó Chandiya, Distt. Umariya (MP), in 2.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.1693dated 03/11/14, that 02 more mines are operating / proposed within 500 meter radius around the said mine total lease area being 5.019 Ha. PP has reported that the pit formed after mining shall be developed into a water body. Crusher shall not be installed in the lease area.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable.

- However, scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue. Hence PP was asked to submit comments of concerned Forest Officer on this issue.

12. Case No. – 2304/2014 Sabir Hussain S/o Shri Fajruddin, Village – Pawsar, Tehsil – Hatn, Distt. Palwal (Haryana) (M-88190428568) Basalt Stone Quarry Lease Area – 2.00 ha., at Khasra No.-147, Lease Period Ten Year at Village-Abupura, Tehsil ó Tall, Distt. Ratlam (MP), Capacity ó 11400 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2817/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No.-147 at Village-Abupura, Tehsil ó Tall, Distt. Ratlam (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

Scrutiny of the case reveals that the Mining Plan and submitted documents has several discrepancies based on the same theit was decided to return the case to SEIAA for delisting -

- o Mandatory Buffer zone around the mine has not been left. .
- o Total of post-mining land-use is exceeding the actual lease area.
- o Suface plan not submitted with the Mine Plan.
- o Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue.

13. Case No. – 2305/2014 Smt. Tripti Mittal W/o Shri Jitesh Mittal, Village – Tanodiya, Tehsil – Agra Malwa, Distt. Agar Malwa (MP) (M-9229228268) Basalt Stone Quarry Lease Area – 2.00 ha., at Khasra No.-336 Min 52, Lease Period Ten Year at Village-Tanodiya, Tehsil ó Agar Malwa, Distt. Agar Malwa (MP), Capacity ó 5700 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2819/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No.-336 Min 52 at Village-Tanodiya, Tehsil ó Agar Malwa, Distt. Agar Malwa (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, and requisite information in the prescribed format duly verified by the Tehsildar and DFO. PP has reported that the pit formed after mining shall be developed into a water body. Crusher shall not be installed in the lease area.

The EMS submitted & presented by the PP was found to be satisfactory and acceptable. However, PP is required to submit following information for further necessary decision in the matter-

- o Letter from Mining Officer certifying the leases and total lease area within 500 meters radius around the site
- o Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue.

14. Case No. – 2306/2014 Abhishek Ealiya S/o Shri Virendar Kumar Ealiya, Village – Gandhi Chowk Ganj Basoda Distt. Vidisha (MP) Basalt Stone Quarry Lease Area – 1.80 ha., at Khasra No.-220/1/KHA, 220/3/KA/2, Lease Period Ten Year at Village-Chouraver, Teshil ó Basoda, Distt. Vidisha (MP), Capacity ó 19,950 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2823/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No. 220/1/KHA, 220/3/KA/2, at Village-Chouraver, Teshil ó Basoda, Distt. Vidisha (MP) in 1.80 ha. The project requires prior EC before commencement of any activity at site.

Scrutiny of the case reveals that the Mining Plan and submitted documents has several discrepancies based on the same theit was decided to return the case to SEIAA for delisting -

- o Mandatory Buffer zone around the mine has not been left. .
- o Total of post-mining land-use is exceeding the actual lease area.
- o Suface plan not submitted with the Mine Plan.
- o Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue. Hence PP was asked to submit comments of concerned Forest Officer on this issue.

- 15. Case No. – 2307/2014** Giriraj Bhalot S/o Shri Vishnu Prasad Bhalot, Govindpura, Tehsil – Nalkheda Distt. Agar Malwa (MP) (M-7725074640) Basalt Stone Quarry Lease Area – 2.0 ha., at Khasra No.- 1480, Lease Period Ten Year at Village- Nilkheda, Tehsil ó Agar Malwa (MP), Capacity ó 11400 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2825/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No.- 1480 at Village- Nilkheda, Tehsil ó Agar Malwa (MP) in 2.0 ha. The project requires prior EC before commencement of any activity at site.

Scrutiny of the case reveals that the Mining Plan and submitted documents has several discrepancies based on the same theit was decided to return the case to SEIAA for delisting -

- Mandatory Buffer zone around the mine has not been left. .
- Total of post-mining land-use is exceeding the actual lease area.
- Suface plan not submitted with the Mine Plan.
- Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue.

- 16. Case No. – 2308/2014** M/s. Siddh Stone Crusher, Vill. Nayakheda, Tehsil – Datiya, Distt. Datiya (MP) (M-8819042190) Basalt Stone Quarry Lease Area – 2.00 ha., at Khasra No. 2550, Lease Period Ten Year at Village-Nayakheda, Tehsil ó Datiya, Distt. Datia (MP), Capacity ó 35000 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2827/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No. 2550 at Village-Nayakheda, Tehsil ó Datiya, Distt. Datiya (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no. 69 dated 13/03/2015, that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body. After deliberations PP was asked to submit response for the following-

- Evacuation plan for the mineral including the road network, infrastructure and man-power etc. to be furnished justifying the targeted production capacity.
- EMP scheme reveals that the complete area (2 ha) shall be excavated and converted into a water body whereas the mandatory 7.5 meter buffer zone has to be left un-explored- clarification in this regard to be submitted.

- 17. Case No. – 2309/2014** Prakash Patidar S/o Shri Narayan Patidar, Village – Beedwal, Tehsil – Badnawar, Distt. Dhar (M-7725070640) Basalt Stone Quarry, Lease Area – 2.00 ha., at Khasra No. 90, 92, Lease Period Ten Year at Village-Khutapala, Tehsil ó Sardarpur, Distt. Dhar (MP), Capacity ó 14250 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2821/SEIAA/14 dated: 27/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. 90, 92 at Village-Khutapala, Tehsil ó Sardarpur, Distt. Dhar (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

Scrutiny of the case reveals that the Mining Plan and submitted documents has several discrepancies based on the same theit was decided to return the case to SEIAA for delisting -

- Mandatory Buffer zone around the mine has not been left. .
- Total of post-mining land-use is exceeding the actual lease area.

- Surface plan not submitted with the Mine Plan.
- Scrutiny of the mining plan reveals the presence of certain scheduled animals in the area which needs confirmation from the forest department. The DFO in his letter has not commented on this issue.

18. Case No. – 2312/2014 Shri Surendra Singh Tomar S/o Shri Roop Singh Tomar, Village – Ata Karnelgarh, Tehsil – Malthon, Distt. Sagar (M-9893677392) Farsi Pattar Quarry, Lease Area – 1.963 ha., at Khasra No. 62, 64/1, 64/2, 64/3 Lease Period Ten Year at Village-Ata, Tehsil ó Malthon, Distt. Sagar (MP), Capacity ó 13,004 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2835/SEIAA/14 dated: 29/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at Khasra No. 62, 64/1, 64/2, 64/3 at Village-Ata Karnelgarh, Tehsil ó Malthon, Distt. Sagar (MP) in 1.963 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no. 590 dated : 09/09/2014, that 01 more mine is operating / proposed within 500 meter radius around the said mine and the total lease area is 2.293 ha. PP has reported that the pit formed after mining shall be developed into a water body.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. All the conditions laid in the forest NOC shall be applicable.
2. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
3. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
4. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA
5. Transportation of material shall be done in covered vehicles.
6. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
7. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
8. Curtaining of site shall be done using appropriate media.
9. Production of flag stone shall be as per the mining plan not exceeding 13004 m³/Year and maximum average depth of pits shall not exceed 6 meters.
10. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement.
11. Transportation shall not be carried out through forest area.
12. Appropriate activities shall be taken up for social up-liftment of the area. Funds reserved towards the same shall be utilized through Gram Panchayat.
13. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
14. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

19. Case No. – 2313/2014 Shri Ramesh Chandra Patidar S/o Shri Madan Lal Patidar, Village – Jamli, Tehsil – Mhow, Distt. Indore (MP) (M-09425910766) Stone Quarry Lease Area – 1.40 ha., at

Khasra No.-14/1, 14/4 & 13 Lease Period Ten Year at Village- Jamli, Tehsil ó Mhow, Distt. Indore (MP), Capacity ó 45,000 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2837/SEIAA/14 dated: 29/12/2014

Neither the Project Proponent (PP) nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to call the PP in subsequent meetings after hearing from PP. A request has to be made by the PP for scheduling the case in coming meetings within a month's time after which the case shall be returned to SEIAA assuming that PP is not interested to continue with the project.

20. Case No. – 2314/2014 Shri Madan Singh Raghuvanshi S/o Shri Ratan Singh Raghuvanshi Village – Kheda, Tehsil – Dhar, Distt. Dhar (MP) (M-9826391926) Basalt Stone & Murum Quarry Lease Area – 2.0 ha., at Khasra No.-1020/1 Lease Period Ten Year at Village- Kheda, Teshil ó Dhar Distt. Dhar (MP), Capacity ó Murum - 3952 Cum/Year & Stone ó 10537. Application forwarded by SEAC by SEIAA vide letter no. 2839/SEIAA/14 dated: 29/12/2014

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No.-1020/1 at Village- Kheda, Teshil ó Dhar Distt. Dhar (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.10210 dated 27/12/14, that 08 more mine is operating / proposed within 500 meter radius around the said mine and the total lease area is 23.0 ha. PP has reported that the pit formed after mining shall be developed into a water body.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
2. The mined out pits shall be developed into water body being appropriately fenced and with safe stairway.
3. PP shall be responsible for discrepancy (if any) in the submissions made by the PP to SEAC & SEIAA
4. Transportation of material shall be done in covered vehicles.
5. Necessary consents shall be obtained from MPPCB and the air pollution control measures for crusher have to be installed as per the recommendation of MPPCB.
6. Permission / NOC shall be obtained from Gram Panchayat for lifting water from the village resources and shall be furnished to MPPCB while obtaining necessary consents under the provisions of Air / Water consents.
7. Curtaining of site shall be done using appropriate media.
8. Production of stone boulder shall be as per the mining plan not exceeding 10537 m³/Year and maximum average depth of pits shall not exceed 6 meters.
9. The proposed plantation should be carried out along with the mining and PP would maintain the plants for five years including casualty replacement.
10. Transportation shall not be carried out through forest area.
11. Appropriate activities shall be taken up for social up-liftment of the area. Funds reserved towards the same shall be utilized through Gram Panchayat.
12. PP will take adequate precautions so as not to cause any damage to the flora and fauna during mining operations.
13. The validity of the EC shall be as per the provisions of EIA Notification subject to the following: Expansion or modernization in the project, entailing capacity addition with change in process and or technology and any change in product - mix in proposed mining unit shall require a fresh Environment Clearance.

- 21. Case No. – 2315/2014 Shri Sachin Malvia S/o Shri Rajaram Malvia, Village – Bokrata, Tehsil & Distt. Barwani (MP) (M-09685706677) Stone Quarry Lease Area – 2.0 ha., at Khasra No.-216 Lease Period ___ Year at Village- Budi, Tehsil ó Pati, Distt. Badwani (MP), Capacity ó 20,000 Cum/Year. Application forwarded by SEAC by SEIAA vide letter no. 2841/SEIAA/14 dated: 29/12/2014**

This is a case of mining of stone bolder. The application was forwarded by SEIAA to SEAC for appraisal. The proposed site is located at at Khasra No.-216 at Village- Budi, Tehsil ó Pati, Distt. Badwani (MP) in 2.00 ha. The project requires prior EC before commencement of any activity at site.

PP has submitted a copy of approved Mining Plan, letter from Mining Officer certifying the leases within 500 meters radius around the site and requisite information in the prescribed format duly verified by the Tehsildar and DFO. It was reported by the concerned Mining Officer of mining department vide letter no.704 dated 09/09/14, that no mine is operating / proposed within 500 meter radius around the said mine. PP has reported that the pit formed after mining shall be developed into a water body.

The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions:

1. The amount towards reclamation of the pit and land in MLA shall be carried out through the mining department. The appropriate amount as estimated for the activity by mining department has to be deposited with the Collector to take up the activity after the mine is exhausted.
