

1.0 Opening Remarks of the Chairman

The Chairman welcomed all the members of the Committee and thereafter agenda item taken up for deliberations. The list of participants present during meeting is annexed as **Annexure-1**.

2.0 Consideration of the Projects

Following issues were discussed and decided:-

- A. 23 proposals of TOR, EIA and Query presentation were invited for deliberation, of which only 14 cases were presented before the Committee.
- B. Next meeting i.e. the 31st and 32nd meetings were decided for 23rd and 24th July 2009 respectively.
- C. It was decided by the committee that for presentation on EIA reports the Project Proponents should make their presence in person or should depute with proper authorization in writing such a competent person who:
 - Have proper & full background of the proposed project.
 - Can explain the project and also respond to the queries & offer his views on suggestions made by the committee.
 - Such person would be required to make a presentation on the salient features of the project, the related environmental issues, risk assessment and proposed Environmental Management Plan.
 - His commitment before the committee will be treated as commitment of the Project Proponent.

1. Case No. 408/2009

Shri Dayaram Patel S/o Shri Kashiram Patel, Bakwari, Tehsil- Rajpur, Distt- Barwani (M.P) Sand mine 12.546 Ha at village- Bakwari, Tehsil- Rajpur Distt.- Barwani (M.P)

The PP did not appear for the meeting committee has decided to give a *last chance* to the

PP for presentations in the next meeting.

2. Case No. 409/2009

Shri Dayaram Patel S/o Shri Kashiram Patel, Tehsil- Rajpur Distt- Barwani (M.P)

Sand mine 10.0 Ha at village- Jarwah, Distt.- Barwani (M.P)

The PP did not appear for the meeting committee has decided to give a *last chance* to the PP for presentations in the next meeting.

3. Case No. 397/2009

Shri Deepak Sharma, Girraj Shramik khanij Sahakari Sansthan Maryadit, Mahatoli, Distt. Morena (M.P)

Sand mine 10.0 Ha at village- Mahatoli, Distt.- Morena (M.P)

The PP did not appear for the meeting committee has decided to give a *last chance* to the PP for presentations in the next meeting.

4. Case No. 398/2009

Shri Suresh Singh Rajput, Chairman, Ganesh Khaivariyan Kamgar Udyag Sahakari Samiti Station Road Banmore Distt. Morena (M.P)

Flag-stone 10.0 Ha at village- Mahatoli, Distt.- Morena (M.P)

This being a mining project with lease area between 5ha to 50ha is listed at S.N. 1(a) of schedule under 'B' Category of EIA Notification, 2006 and is to be appraised by SEAC.

The applicant, presented the salient features of the project .Information pertaining to the above project was examined by the committee. After discussion on the project committee has recommended for issue of standard TOR for preparation of EIA and EMP:

COMMITTEE HELD ON 25th June, 2009**

3

**Shri Shyam Patel S/o Shri Suresh Patel, Gram- Kundiya, Post- Pipaliya, Tehsil- Badwani,
Distt.- Badwani (M.P)**

Sand mine 5.876 Ha at village- Pendra (Survey No. 26,27,29), Tehsil & Distt.-Badwani (M.P)

The PP did not appear for the meeting committee has decided to give a *last chance* to the PP for presentations in the next meeting.

6. Case No. 269/2009

Laterite Red Ochre & Clay Mine 6.83 Ha at Village - Salebhar, Tehsil- Bahoriband, Distt.

Katni Smt. Rekha Sharma 192, Second Floor Rachna Nagar Bhopal, (M.P)

Proponent did not appear for the meeting despite of three continuous opportunities.

Thus it was assumed that PP is not interested to continue with the project so Committee decided to return the case to SEIAA.

7. Case No. 411/2009

**Shri Kishore Kumar Station Road, Katni (M.P) Limestone & Dolomite Mine 5.605 Ha. 6200
TPA at Village- Chandan Tehsil- Murwara, Distt. Katni (M. P)**

This being a mining project with lease area between 5ha to 50ha is listed at S.N. 1(a) of schedule under 'B' Category of EIA Notification, 2006 and is to be appraised by SEAC.

The applicant, presented the salient features of the project .Information pertaining to the above project was examined by the committee. After discussion on the project it was revealed that:

This is an open cast other than mechanized operating mine but presently the mine has been closed in compliance to the directions of Hon'ble High Court. Committee has recommended following TOR for preparation of EIA and EMP:

- Ore and soil analyses have be carried out through Govt. approved laboratory including the concentration of other heavy metals.
- Detailed analysis of the water quality of pit-water has to be reported.
- Soil and over-burden management has to be explained elaborately, with drawing and designs.

- Management of fine marble pieces should be explained. If the fine marble is being sold, documental evidence (MoU, sale deed etc.) has to be furnished.
- Duly attested & certified Mining Plan approved by IBM has to be submitted along with the copy of current lease deed and lease letter issued by the State Mining Corporation.
- Monitoring has to taken up as per the norms using appropriate air/water quality modeling, based on meteorological data (wind-rose) of the region.
- Plantation in at least 33% of the total area has to be ensured; accordingly plan has to be submitted with EIA. [Plantation Scheme].
- Total area for which afforestation has been proposed – plan stating how much plantation shall be taken up yearly, has to be submitted. Plantation of local species along with Sheesham, Neem, Amaltas, Tendu, Kachnar & various fire-wood trees should be taken up suitable to area.
- PFR should include cost benefit analyses considering- social cost, environment cost and pre-occupational cost.
- For welfare of the mine-workers various activities such as regular health checkups, first-aid, shelter for rest and meals, drinking water etc. has to be taken up. Nearby mine owners may form a society and funds for welfare of mine-workers may be created from various govt. schemes and other sources. This aspect has to be covered in the EMP.
- Management of OB solid waste generated during mining has to be addressed through incorporation of a concrete plan for the same.
- Water-shed management plan to be submitted, in view of the damages caused in the catchment-area of rivers falling in the prescribed study area of mining region & to support the ground-water recharging.
- In land use map, details regarding the agricultural crops pattern around the mining area should also be added.
- Map depictions: coloured maps depicting land use of the region showing sensitive / fragile features and detailed lay-out of the site clearly showing green-belt (existing & planned)
- Species proposed in the green belt development should be notified.
- Satellite Image of the location of mine should be submitted with demarcation of other proposed/in operation mines in nearby area.
- Location is also to be shown in Tehsil map procured from revenue department.

above, committee has decided to return the case to SEIAA for further necessary action in the matter.

25. Case No. 124/2008

Shri Pradeep Jain, C/o Jain Medical Store, Main market, Tendukheda, Dist-Narsinghpur (M.P) - Kanheri - Dolomite and Limestone mine, Village – Kanheri, Tehsil-Tendukheda, dist-Narsinghpur, mining lease area-7.626.Ha. (Amendment in TOR)

TOR was issued to the PP vide latter dated 02/09/2008 for carrying out EIA/EMP for the mining of Dolomite and Limestone. In view of the approval received from Directorate Geology & Mining for mining of Marble Block in addition to the Dolomite and Limestone, PP has applied for amendment in TOR. After examining the case it was revealed that Mining of Marble Block in addition to the Dolomite and Limestone is proposed with any change in lease area and production capacity. Thus, committee agreed to issue an amended TOR, with inclusion of Marble Block.

26. Case No. 153/2008

M/s Sukhdeo Prasad Goenka, prop. Sh. Anand Goyanka, Goyanka Bhawan, Station Road, katni. (Query reply)483501 - Laterite redoxide yellow Ochride, red Ochride manganese and clay, Village-jhinna, Tehsil-dhimarkheda, dist-katni. Mining lease area-48.562 (Query Reply)

EIA report was presented before SEAC in the meeting dated 21st April 2009, whereby following queries were raised by the committee:

- Comments on the public hearing to be addressed properly.
- Environment Quality Monitoring data has to be validated through approved laboratory.
- Source of water is not clear if drawal from boring or lake is proposed permission from the concerned department has to be procured and submitted.
- Documents pertaining to procurement of additional land for greenery to be submitted.
- Details of the plantation completed so far has to be submitted with future

has reported that the proponent shall also carry out the sizing of the ore in the lease area after excavating the mineral. A crusher has been installed at site for the purpose, which is a potential source of air pollution. As there has been no mention of the crusher in the TOR issued for EIA the same should be incorporated by issuing additional TOR, so that the issue may be covered in the Public Hearing. After examining the case Committee has the opinion that the case may considered for issue of additional TOR incorporating Sizing as well as Excavation of Mineral. PP has submitted a proposal including the sizing unit at mining site for revised TOR. After examining the proposal committee has agreed to issue the amended TOR with inclusion of the sizing of mineral.

29. Case No. 115/2008

ASN Industries (P), 313, HMT Hills, Opp. JNTU, Kukatpally Hyderabad (Query reply)

7.5 MW Biomass based Power Plant at Katni (M.P)

EIA report was presented before SEAC in the meeting dated 27th May 2009, whereby following queries were raised by the committee:

- Permission for lifting water from River Mahanadi and laying of pipe-line has to be obtained from competent authority and submitted.
- Scrubbers to capture Sulphur-di-oxide have to be provided.
- Prediction of impacts should be properly evaluated and reported. Using standard models.
- Disposal of fly-ash was reported to be through supply to brick makers / cement industries; agreement documents pertaining to the above has to be submitted.
- Corporate Social Responsibility Plan has to be submitted along with fund allocation.

Reply to above queries was submitted by the PP. After examining the reply committee has decided to ask the PP for submission of following documents:

- Permission for lifting water from River Mahanadi and laying of pipe-line has to be obtained from competent authority and submitted.
- Disposal of fly-ash was reported to be through supply to brick makers /
