

The meeting was called upon exclusively for considering the applications of mining projects having mining lease area less than 5 hectare. The meeting conducted on 17th December 2012 was presided over by Shri S.C. Jain. Following members attended the meeting-

1. Shri K.P. Nyati, Member
2. Dr. Mohini Saxena
3. Shri A.P. Srivastava
4. Shri V.R. Khare, Member and
5. Shri R.K. Jain, Member Secretary

The Chairman welcomed all the members of the Committee and thereafter agenda items were taken up for deliberations.

A. **Confirmation of minutes of 110th & 111th meetings of SEAC-** Minutes of the 110th and 111th meeting were confirmed by the committee.

Consideration of the Projects – Following projects were taken up for deliberations one by one:

1. Case No. 973/2012 – Col. Raja Sekhar. G(Retd.) Registrar, Indian Institute of Technology, Institute of Engineering and Technology, DAVV Campus, Khandwa Road-Indore, Distt. – Indore (M.P.) - 452017 Indian Institute of Technology, Indore Ministry of Human Resource Deptt., Govt. of India, Total Land Area – 501.42 Acres, Total Built Up Area – 12,65,179.45 sq. mt. for Academic Zone (Administrative & Laboratory complex) & residential zone (faculty and staff hostel, community centre, commercial centre etc.) – Area Developemnt and Building Construction - ToR

This is an Area Development Project consisting total plot area of 501.42 Acres (about 202.91 Hectare) and total built-up area of 12,65,179.45 m². The activity is covered under the EIA Notification and mentioned at SN 8(b) in the Schedule of the said notification, hence is required to be appraised by the SEIAA / SEAC for grant of prior EC. The application along with the related documents was forwarded by the SEIAA to SEAC for Scoping. The case was presented by the PP and his consultant before the committee which reveals following:

Brief Project Details

SN	Attributes	Details
1	Location	Village- Simrol, Tehsil and district Indore (MP)
2	Owner and developer of the land	Indian Institute of technology (Ministry of Human Resources, Govt of India)
3	Plot Area	Total Land Area = 501. 42 Acres (about 202.91 Hectare)

Water Requirement

I.	TOTAL WATER REQUIREMENT	PHASE 0	PHASE 1	PHASE II	PHASE III	TOTAL
A.	Domestic Water Demand (in m3/day)					
i	Domestic Portable Water Demand (in m3/day)	90	280	800	1,060	2,230
ii	Domestic Flushing Water Demand (in m3/day)	50	150	420	540	1,160
	Total Domestic Water Demand (in m3/day)	140	430	1,220	1,600	3,390
B.	Soft water Demand for Cooling Towers (in m3/day) (as provided by HVAC consultant)			465		

C.	Hotricultural Water (in m3/day) @ 10000 Lit/Acre (Green Areas) / Day			600		
	Total Water Demand for all purpose (in m3/Day)			4,455		

Proposed Sewage Treatment Plant:

Two SAFF STPs' have been proposed in the project with proposed STP Capacity: 3200 and 480 KLD. Following treatment scheme is proposed in the STP:

- 1.Screening of effluent and equalization in equalization tank
- 2.Aerobic biological treatment in SAFF tank
- 3.Secondary tube settler
- 4.Disinfections by UV sterilizer
- 5.Filtration through MGF and polishing in ACF
- 6.Sludge digestion in sludge holding tank and disposal through filter press.

Solid Waste Generation

Sr No	Description	Occupancy	Kg per Capita per day	Total (Kg per day)
(i)	Student	10000	@ 0.55	5500
(ii)	Faculty (Including member)	1000 x 5	@ 0.55	2750
(iii)	Staff	1000	@ 0.25	250
(iv)	Visitors	100	@ 0.15	150
	Total Solid Waste Generation	-	-	8650

Beside above features PP has also mentioned that it is proposed to achieve GRIHA rating. Proposed fire fighting arrangements were also discussed in the meeting. It was informed by the proponent that the collection of base-line data has already been initiated and committee has allowed the PP to use the same in the EIA report. After deliberations Committee observed that the proposed project covers a huge area and pertains to construction of a big complex consisting variety of components including academic, domestic, research and commercial utilities. Hence it is felt that the project needs a well-built Spatial Environmental Planning along with an

effective EMP during construction as well as operational phases. Thus it was decided to visit the site through a sub-committee to determine additional TORs' (if required) for the EMP. However, meanwhile the Committee has accepted to approve the proposed TOR with inclusion of following points while preparing EIA / EMP for the project:

1. Details of use of renewable energy proposed in the project with quantification of energy saved vis-à-vis proposed activity.
2. Details of water conservation proposed in the project with quantification of net water conserved vis-à-vis proposed action.
3. Details of fly-ash use in the project.
4. Explore the possibility for use of top soil (which is black cotton soil) for augmentation of degraded Agriculture fields / Forest covers in the nearby region.
5. Contour and Hydrology of the complete area has to be furnished with the EIA report.
6. As reported that the project proposes to achieve Green Building Rating, complete proposal in this regard to be included in the EIA report.
7. Copy of FAC along with the compliance report of the FAC to be dealt separately.
8. Forest land has been acquired for the project; proposed land-use plan for this parcel has to be furnished separately in the over all land-use plan of the project.
9. All papers pertaining to clear title in name of the PP for the complete land has to be furnished with EIA.
10. On-site and Off-site emergency plan to meet out any emergency in the project has to be detailed out including the Fire Fighting arrangement planned for the project duly approved by the concerned agency.
11. Details of the management of all types of wastes to be furnished including the MSW, BMW, E-waste, Hazardous wastes ect. expected to generate from different sections of the proposed institute.
12. Details of Sewage and Effluent treatments and ultimate disposal plans for these streams to be furnished in the EIA /EMP report.
13. Other points as prescribed by MoEF in the standard TORs' shall be applicable.

2. Case No. 918/2012 Smt. Nirmala Sahu W/o Shri Umesh Sahu, Mahaveer Ward Near Ashok Talkies, Multai, Distt. - Betul (M.P.) 460661 - Lease Area – 7.00 Ha. Stone / Boulder Quarry (New) at Khasra No. – 2/5, 2/6, at Village – Chouthiya, Tehsil – Multai, Distt.- Betul (M.P.) production capacity of 5,000 cubic meters per year. Mining Lease for - 10 Year.

Neither the PP nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. Committee decided to return the case to SEIAA for further action in the matter.

Discussion on the Mining Projects with Mining Lease Area less than 5 Hectare

The Mining Projects with MLA less than 5 hectare are required to obtain prior EC before sanction of lease. The applications forwarded by the SEIAA to SEAC for appraisal were placed before the committee. These cases were scrutinized by the committee based on the policy decided by SEIAA for such projects. The discussion and recommendation are as follows:

SN	Case no. /Address Project	Mineral & Prod. Cap	MLA	Lease period	Crusher installed in MLA	Validated information in Annex-I as Prescribed by SEIAA	Env. Manag Scheme in Annex-II as Prescribed by SEIAA	Cat. As per SEIAA Policy	Discussion & recommendation
1)	Case No. 870/2012 Shri Lakan Singh Singh Yadav S/o Shri Mahendra Singh Yadav R/o Village – Chandadawani Khas, Tehsil - Orchha Distt. – Tikamgarh (M.P.) 472246 - Stone / Boulder Quarry of Lakan Singh Singh Yadav S/o Shri Mahendra Singh Yadav at Khasra No. – 215/3, Village – Chandawani Khas, Tehsil – Orchha, Distt. – Tikamgarh (M.P.) Lease Area – 02.00 ha. Capacity – 40,000 Cu. M. Per Year.	Stone Boulder Capacity – 40,000 Cu. M. Per Year	02.00 ha.	10 years	Yes	-	-	B-1 As ML period is more than 2 years and crusher is proposed in MLA	Neither the PP nor his representative was present to explain the query which might be raised or to make any commitment which may be desired by the committee during the deliberation. The PP is not responding since last two meetings (108 th & 110 th) & this is the third time when the case was placed in the meeting hence assuming that the PP is not interested the committee decided to <u>return the case to SEIAA for further action in the matter.</u>
