"....PP has submitted a letter on 16.01.2017 and informed that they have been accorded Environmental Clearance by DEIAA as they have submitted fresh application before DEIAA on account of the lease area less than 5 ha. After discussions, the committee has observed that the OM dated 15.03.2016 is very clear that those cases which have been recommended by SEAC before the Notification of 15.01.2016 should be appraised by SEIAA for according EC. From the record, it is revealed that the case was recommended by SEAC in its 260th meeting dtd. 07.01.2016 and was under appraisal before SEIAA for submitting the information seeking NOC of the Railways due to its proximity with the railway line. DEIAA is therefore directed to review the EC granted to the PP in the light of the MoEF&CC, Gol, OM No. Z-11013/8/2016-IA.II(M) dated 15.03.2016 (a copy should be sent to Chairmen DEIAA and PP) and directs the PP to submit NOC of the railways before SEIAA. PP may be informed that the case will not be closed and continue to be appraised in SEIAA."

As per above decision, DEIAA was directed to review the EC granted to the PP in the light of the MoEF&CC, Gol, OM No. Z-11013/8/2016-IA.II(M) dated 15.03.2016 and directs the PP to submit NOC of the railways before SEIAA. But, reply from DEIAA and PP is still awaited after passing more than a year. Hence, it is decided to close the case.
