

Minutes of the 524th Meeting of SEIAA dated. 26.02.2019

The 524th meeting of the State Level Environment Impact Assessment Authority was convened on 26.02.2019 at the Authority's Office in Environmental Planning and Co-Ordination Organization (EPCO), Paryavaran Parisar, Bhopal. The meeting was chaired by Shri Rakesh K. Shrivastava, Chairman, SEIAA. The following members attended the meeting:-

1. Shri R.K. Sharma Member
2. Shri Jitendra Singh Rajee Member Secretary

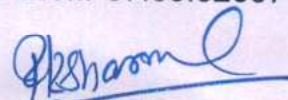

A. Following other than mining cases and mining cases have been considered:-

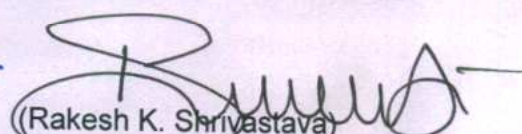

S.No.	Case No.	Category	No. & date of latest SEAC & SEIAA meeting
1.	5311/2016	1 (a)	341 st SEAC meeting dtd. 31.01.2019
2.	1407/2013	1 (a)	341 st SEAC meeting dtd. 31.01.2019
3.	5820/2018	1 (a)	341 st SEAC meeting dtd. 31.01.2019
4.	5825/2019	1 (a)	341 st SEAC meeting dtd. 31.01.2019
5.	5826/2019	1 (a)	341 st SEAC meeting dtd. 31.01.2019
6.	5827/2019	1 (a)	341 st SEAC meeting dtd. 31.01.2019
7.	5829/2019	1 (a)	341 st SEAC meeting dtd. 31.01.2019
8.	4217/2015	1 (a)	EC transfer to Gram Panchayat
9.	4207/2015	1 (a)	EC transfer to Gram Panchayat
10.	4750/2015	1 (a)	EC transfer to Gram Panchayat
11.	272/2009	1 (a)	Complained
12.	4192/2015	1 (a)	Extension of ToR validity
13.	2844/2012	1 (a)	Cancellation
14.	3324/2015	8 (a)	Amendment of EC
15.	5535/2017	1 (a)	Corrigendum

1. **Case No.- 5311/2016** Prior Environmental Clearance for Bauxite, Laterite & Fire Clay Mine (Open cast semi mechanized method) in an area of 8.094 ha. for expansion of production capacity from 5,500 TPA to 100,000 TPA at khasra no. 402(P)New – 144/2 (Old) at Village-Tikariya , Tehsil - Mudwara, Dist. Katni by M/s Savitri Minerals, House No. 241/1, Saket Nagar, Jabalpur - 482002 (MP). .

- (1) This is a project pertaining to mining of Bauxite, Laterite & Fire Clay Mine in MLA of 8.094 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions and falls under category 'B-1' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine having valid lease period upto 06.05.2037 with expansion of production capacity from 5,500 TPA to 100,000 TPA.
- (2) It was reported by the PP that the lease area was granted to M/s Savitri Minerals for 20 year period of w.e.f. 07.05.1987 to 06.05.2007. The mining lease was renewed for 20 years period on 07.04.2012 and registered on 25.04.2012 for 20 years period w.e.f. 07.05.02007 to 06.05.2027. The ML has

Minutes of the 524th Meeting of SEIAA dated. 26.02.2019

been extended to 50 years in accordance with the MM (D&R) Amendment Act 2015 up to 06.05.2037. This is a case of existing mining lease. The Mining Plan has been approved by IBM, dtd 29.05.2017.

- (3) PP has produced an order of the Mineral Resources Deptt. GoMP dtd. 03.09.2015 in which after hearing the case the State Govt. has established that action be taken according to the latest circular No. 19-5-2015/12/1 dtd. 12.03.2015, which states that "all mining leases granted before the commencement of the Mines & Minerals (Development & Regulation) Amendment Ordinance 2015 shall be deemed to have been granted for a period of 50 years.
- (4) SEAC in its 341st SEAC meeting dtd 31.01.2019 has recommended the case with 36 special conditions for issuance of EC.
- (5) The case was then discussed in 523rd SEIAA meeting dtd 15.02.2019 and PP/Consultant was invited for presentation. Thereafter, PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
- (6) It was noted that as per Forest Conservator endt .L.No. 6702 Katni, dtd. 15.09.2010, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted. The nearest forest compartment no. R.F -102 is about 600 m from mining site.
- (7) It was noted that the water requirement is 20 KLD (16 KLD Dust Suppression/allied mining activity +1.3 KLD Green Belt + 2.5 KLD Drinking/Domestic purpose) which shall be met from Hand pump/ bore well / mine sump.
- (8) The proposed plantation program was examined and it was found that total 8094 sapling [6690 sapling of tree species covering an area of 66900 sqm (backfilled area) + 1194 sapling in an area of 11940 sqm will be planted in green belt area]shall be covered under plantation.
- (9) Earlier prior Environmental Clearance was granted by MPSEIAA in Case No. (54/2008) vide Letter No. 1217/EPCO-SEIAA/12, dated 05/03/2012 for production capacity of 5,500 TPA.
- (10) PP has now applied for Prior Environmental Clearance for expansion of production capacity from 5,500 TPA to 100,000 TPA.
- (11) PP has submitted compliance report of earlier prior EC certified by MoEF &CC Regional Office, Bhopal (vide letter no. 18 B – 13/2012 (ENV)/ 835 dtd. 26.10.2018). As per the report the implementation of environmental safeguards are found satisfactory and some compliance needs improvement which are in progress and has been advised to take care for conditions like environmental management, green belt development, road maintenance, It is decided that PP

(Jitendra Singh Raje)
Member Secretary

(R.K. Sharma)
Member

(Rakesh K. Shrivastava)
Chairman

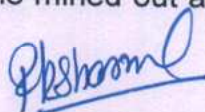

should ensure the implementation of the observations of MOEF & CC RO, Bhopal report dtd 26.10.2018.

- (12) It was also noted that the Public Hearing was carried out on 17.05.2017 at Mine Parisar Village-Tikariya Tehsil - Mudwara, Dist. Katni under Chairmanship of Upper Collector, Katni. The major comments of applicants during public hearing are water for irrigation, access on approach road, Controlled blasting, employment of local people, construction & maintenance of existing / approach road connecting the mine & main road, Plantation on road side, regular health check-up of mine workers & water sprinkling to suppress the dust emission.

After detailed discussions and perusal of recommendations of 341st SEAC meeting dtd 31.01.2019, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- III. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three row plantations shall be carried out in the greenbelt area in current year with proper watering arrangement.
- IV. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table approval of the Central Ground Water Board shall be obtained.
- V. Before commencing the mining activity, site demarcation should be done leaving 100 m. from the habitation as a "no mining zone" and it will be maintained as buffer zone. The demarcation should be done by the Revenue Officials in the presence of Mining Officer, Katni
- VI. PP shall ensure to plant total 8094 saplings. PP will plant 3 years old 700 trees samplings of suitable indigenous fast grow tree species (neem, amla, peepal, drumstick etc.) in barrier zone/no mining zone along the transportation route initially in current year. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- VII. PP shall ensure to construct (0.6 km) and maintain Pakka approach road from the mine site. Plantation will be carried out on both side of the approach road. PP shall also ensure maintenance of existing pakka road in consultation with competent authority.
- VIII. The Chain-link fencing shall be done all around the boundary of ML area.
- IX. The over burden and waste will be stacked for five years and then simultaneously backfilled in the mined out area where plantation will be raised on it.

- X. Regular air & water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MPPCB.
- XI. PP shall ensure generation of employment opportunities nearby Village on priority bases.
- XII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XIII. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XIV. PP should also carry out regular sprinkling in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields
- XV. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XVI. PP shall ensure the proper water supply arrangements for plantation especially in summer season.
- XVII. PP shall ensure proper implementation of plantation, dust suppression, construction of approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XVIII. PP must ensure implementation of the following activities with separate budget provision of Rs.6.0 lakhs under CSR
 - a) Health awareness & for local community in village Tikariya, Tokhla & Bharoli.
 - b) Drinking water during summer season in village Tikariya, Pahari.
 - c) Deepening and cleaning of pond in village Tikariya.
 - d) Providing aid for cow shed in nearby village Tikariya, Tokhla & Bharoli.
 - e) Provide training centers for skill building & vocational trainings to school/collage dropouts or unemployed people under skill India Initiative in village Tikariya.

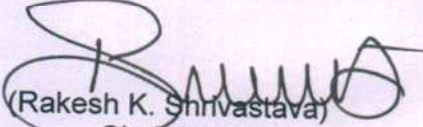

All the modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Grampanchayat.

- XIX. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA.

Hence, Prior Environmental Clearance is granted for Bauxite, Laterite & Fire Clay Mine (Open cast semi mechanized method) in an area of 8.094 ha. for expansion of production capacity from 5,500 TPA to 100,000 TPA at khasra no. 402(P)New – 144/2 (Old) at Village-Tikariya , Tehsil - Mudwara, Dist. Katni for the lease period to M/s Savitri Minerals, House No. 241/1, Saket Nagar, Jabalpur - 482002 (MP).

2. **Case No. 1407/13** Prior Environmental Clearance for Amehta Limestone & Dolomite Mine (Open cast other than fully mechanized method) in an area of 7.52 ha. for expansion in production capacity from 33,660 TPA to 2,00,000 MTPA at khasra no 183, 230/1 at Village Amehta, Tehsil Vijayraghgarh, District- Katni, M.P. by M/s K.C. Bagaria Sons, Prop. Sh. Madhusudan Bagaria, Station Road, P.O. & Distt. Katni (M.P.) PIN - 483501

- (1) This is a project pertaining to mining of Limestone & Dolomite Mine in MLA of 7.52 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National Park /Sanctuary etc. thus it is not attracted by the general conditions and falls under category 'B-1' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. It was submitted that this is a proposed mine having valid lease period upto 26.03.2045 with expansion of production capacity from 33,660 TPA to 2,00,000 MTPA.
- (2) The Mining Lease has been granted in favour of M/s K.C. Bagaria Sons by the State Government of M.P. for a period of 20 years w.e.f. 27.03.1995 to 26.03.2015 over an area of 7.52 Ha. The mine lease has been extended for 50 years as per MM (D&R) Amendment Act 2015 from date of grant of mine lease up to 26.03.2045. This is a case of existing mining lease The Mining Plan along with progressive mine closure plan under rule 24(A), MCR, 1960 was approved by IBM Vide Letter No. - MP/Katni/Limestone/MPLN/R-29/2014-15 dated 25.06.2015.
- (3) PP has produced an order of the Mineral Resources Deptt. GoMP dtd. 03.09.2015 in which after hearing the case the State Govt. has established that action be taken according to the latest circular No. 19-5-2015/12/1 dtd. 12.03.2015, which states that "all mining leases granted before the commencement of the Mines & Minerals (Development & Regulation) Amendment Ordinance 2015 shall be deemed to have been granted for a period of fifty years.
- (4) SEAC in its 341st SEAC meeting dtd 31.01.2019 has recommended the case with 36 special conditions for issuance of EC.
- (5) The case was then discussed in 523rd SEIAA meeting dtd 15.02.2019 and PP/Consultant was invited for presentation. Thereafter, PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
- (6) It was noted that as per Forest Conservator endt .L.No. 56 Katni, dtd. 03.01.2015, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted. The nearest forest compartment no. R.F -33 is about 3000 m (3 km) from mining site.

- (7) It was noted that the water requirement is 16KLD (10 KLD Dust Suppression/allied mining activity +3 KLD Green Belt + 3 KLD Drinking/Domestic purpose) which shall be met from / bore well / dug well/ near site services.
- (8) The proposed plantation programme was examined and it was found that 2,520 number of sapling shall be planted in lease area. Beside this, PP shall plant 5000 trees in 5 ha outside the lease area in buffer zone in waste land in coordination with Panchayat. PP has recently planted 2000 saplings in the own land at Rajarwara village as reported.
- (9) Earlier prior Environmental Clearance was granted by MPSEIAA Case No. (294/2009) Letter No. 592/EPCO-SEIAA/11, Dt. 18.10.2011.
- (10) PP has now applied for Prior Environmental Clearance for renewal and expansion in production capacity from 33,660 TPA to 2,00,000 MTPA
- (11) PP has submitted compliance report of earlier prior EC certified by MoEF &CC Regional Office, Bhopal (vide letter no. 18 B – 9/2018/SEIAA/ (ENV)/ 032 dtd. 11.01.2019). As per the report the implementation of environmental safeguards are found satisfactory and some compliance needs improvement which are in progress and has been advised to take care for conditions like environmental management, green belt development, road maintenance, It is decided that PP should ensure the implementation of the observations of MOEF & CC RO, Bhopal report dtd 11.01.2019.
- (12) It was also noted that the Public Hearing was carried out on 15.07.2016 at Mine Parisar Village- Amehta, Tehsil Vijayraghoharh, Dist. Katni under Chairmanship of ADM, Katni. The major comments of applicants during public hearing are are water for irrigation, access on approach road, Controlled blasting, employment of local people, construction & maintenance of existing / approach road connecting the mine & main road, Plantation on road side, regular health check-up of mine workers & water sprinkling to suppress the dust emission.

After detailed discussions and perusal of recommendations of 341st SEAC meeting dtd 31.01.2019, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

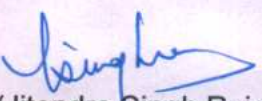

- I. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- II. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- III. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three row plantations shall be carried out in the greenbelt area in current year with proper watering arrangement.

- b) 4 Hand pump in village Amehta and its nearby villagers , Potable Drinking water supply during summer season.
- c) Maintenance of approach road in buffer zone

All the modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Grampanchayat.

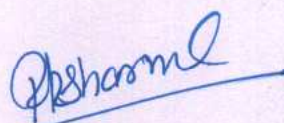

XVIII. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA.

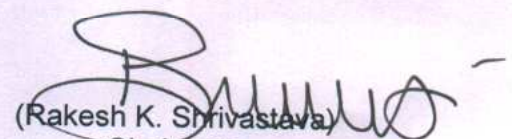

Hence, Prior Environmental Clearance is granted for Amehta Limestone & Dolomite Mine (Open cast other than fully mechanized method) in an area of 7.52 ha. for expansion in production capacity from 33,660 TPA to 2,00,000 MTPA at khasra no 183, 230/1 at Village Amehta, Tehsil Vijayraghgarh, District- Katni, M.P for the lease period to M/s K.C.Bagaria Sons, Prop. Sh. Madhusudan Bagaria, Station Road, P.O. & Distt. Katni (M.P.) – 483501.

3. Case No. - 5820/2018 Prior Environmental Clearance for Pyrophyllite Mine (Open cast semi mechanized method) in an area of 4.95 Ha. for production capacity of 100000 TPA at khasra - Compartment no. 166 at Village- Forest Block – Patan 'A', Forest Range – Bajna (Old – Bada Malhara), Forest Division Chhatarpur, Tehsil - Buxwaha, District- Chhatarpur (MP) by M/s Khajuraho Minerals Pvt. Ltd, 6th Km Sagar Road, Dhadari, P.O. & District - Chhatarpur, MP - 471001

- (1) This is a project pertaining to mining of Pyrophyllite Mine in an area of 4.95 ha. The activity is mentioned at S.No. 1 (a) of the Schedule of EIA Notification 2006 as amended from time to time. The project is reported to be at a distance of more than 10 km from National park and sanctuary etc. thus it is not attracted by the general conditions and falls under category 'B-2' by virtue of its location and mining lease area. The case was forwarded by SEIAA to SEAC for appraisal of EIA for environment clearance for the project. . It was submitted that this is a proposed mine with production of Pyrophyllite 100000 TPA.
- (2) It was reported by the PP that the lease area was granted to M/s Khajuraho Minerals Pvt. Ltd, 6th Km Sagar Road, Dhadari, P.O. & District – Chhatarpur for 30 years as per Mineral Resources Department Order No. F-3-24-/2018/12/1 dated 01.09.2018. This is a case of new mine. The mining plan along with progressive mine closure plan has been approved by Director, DGM (vide letter No.13977 dated 31.08.2018).
- (3) SEAC in its 341st SEAC meeting dtd.31.01.2019 has recommended the case with 28 special conditions for issuance of EC.
- (4) The case was then discussed in 523rd SEIAA meeting dated 15.02.2019 and PP/Consultant was invited for presentation. Thereafter, PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.

Minutes of the 524th Meeting of SEIAA dated. 26.02.2019

- (5) It was noted that as per DFO Chhatarpur Letter No. 3847 dtd. 20.09.2018, the National Park/Sanctuary is not located within 10 Km., radius from the mining site. Hence, the General Conditions are not attracted.
- (6) The lease area comes under Protected Forest Land Compartment no. 166 at Village- Forest Block – Patan 'A', Forest Range – Bajna (Old – Bada Malhara), Forest Division Chhatarpur. PP has obtained requisite Forest Clearance Stage - II, this was approved under section 2 (II) of Forest (Conservation) Act, 1980 vide letter 6-MPC039/2010 - Bho/45 dated 25.01.2017
- (7) It was noted that the water requirement is 10 KLD (6 KLD for Mining & allied activity + 2.0 KLD for Green Belt + 2.0 KLD for Domestic activity), which shall be met from dug wells/ bore wells/mine sump.
- (8) The proposed plantation program was examined and it was found that total 6500 sapling shall be covered under plantation are as follows:-
- 4300 sapling of tree species covering an area of 4.30 ha (backfilled area) reclaimed area will be done by way of growing native species in consultation with the forest department.
 - 650 saplings in an area of 0.65 ha of green belt area.

After detailed discussions and perusal of recommendations of 341th SEAC meeting dtd.31.01.2019, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:

- I. PP shall ensure to preserve thick greenery all around periphery of mining lease area and develop a green belt.
- II. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- III. Plantation programme as mentioned in EIA/EMP and presented during presentation in SEIAA & SEAC shall be followed in content and spirit.
- IV. PP shall demarcate a barrier zone of 7.5 m as no mining zone in the periphery of mining lease area and develop a green belt. Three row plantation shall be carried out in the greenbelt area in current year with proper watering arrangement.
- V. The mining operation shall be restricted to above ground water table and in no case it should intersect the ground water table. In case of working below the ground water table approval of the Central Ground Water Board shall be obtained.
- VI. The over burden and waste will be stacked for five years and then simultaneously backfilled in the mined out area where plantation will be raised on it.
- VII. PP will plant 3 years old 1000 saplings of suitable indigenous fast grow tree species like Neem, Amla, Ashok, dumstic, Kachnaar etc. in barrier zone/no

(Jitendra Singh Raje)

(Rakesh K. Shrivastava)
Chairman

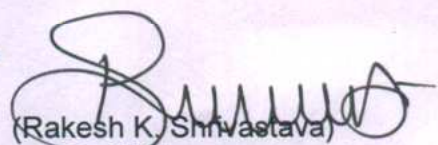

mining zone and 1600 trees plant along the both side transportation route during first year.

- VIII. PP shall ensure to plant total 6500 saplings shall be covered under plantation till the end of life of mine (4300 sapling of tree species covering an area of 4.30 ha (backfilled area) reclaimed area will be done by way of growing native species in consultation with the forest department + 650 sapling in an area of 0.65 ha comes under green belt area.)
- IX. No overburden will be dumped outside the mine lease area.
- X. Regular air & water quality monitoring shall be carried out by PP before discharging it into the nearby agriculture fields from authorized laboratory in consultation with Regional Officer, MPPCB.
- XI. PP shall ensure generation of employment opportunities to nearby Village on priority bases.
- XII. Payments of wages to the workers shall be done in consonance with the provisions in the labour laws.
- XIII. Proper infrastructure with shelter, drinking water, toilet and first-aid facilities shall be provided for the laborers. A provision should be made to construct a pakka rest shelter along with toilet and drinking water facility.
- XIV. PP should also carry out regular sprinkling of water in the mining lease area to arrest dust emission from mining activities affecting the nearby agriculture fields
- XV. Mining shall be limited to the area as shown in surface plan and as per the approved mining scheme.
- XVI. PP shall ensure to construct and maintain Cement Concrete approach road from the mine site. Plantation will be carried out on both sides of the approach road. PP shall also ensure maintenance of existing pakka road in consultation with competent authority.
- XVII. PP shall ensure proper water supply arrangements for plantation especially in summer season.
- XVIII. PP shall ensure proper implementation of plantation, dust suppression, construction of CC approach road and maintenance of existing pakka road as part of Environmental Management Plan. Additional budget provision shall be made as part of EMP.
- XIX. PP must ensure implementation of the following activities with separate budget provision of Rs.4.0 lakh under CSR
- a. Potable Drinking water supply during summer season in village Patan, Panchi & Nayakhera.

The modification to the above activities can be made with the permission of the district administration and need based activity for the development of nearby villages shall be implemented by PP in consultation with the District Collector and Grampanchayat.

XIX. PP should ensure to submit half yearly compliance report and CSR activity report with photographs of plantation in MP-SEIAA.

Hence, Prior Environmental Clearance is granted for Pyrophyllite Mine (Open cast semi mechanized method) in an area of 4.95 Ha. for production capacity of 100000 TPA at khasra - Compartment No. 166 at Village- Forest Block – Patan 'A', Forest Range – Bajna (Old – Bada Malhara), Forest Division Chhatarpur, Tehsil - Buxwaha, District- Chhatarpur (MP) for the lease period to M/s Khajuraho Minerals Pvt. Ltd, 6th Km Sagar Road, Dhadari, P.O. & District - Chhatarpur, MP - 471001.

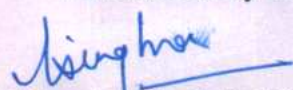

4. **Case No. - 5825/2019** - Prior Environmental Clearance for Sand Quarry (Open cast manual method) in an area of 2.50 ha for production capacity of 47000 cum /year at Khasra No.(611/1/1, 611/2, 527/2, 612/2 - 2.0 ha mining area & 509/1-1/2, 511/2 - 0.50 ha subsidiary area) at Village- Barua, Tehsil - Gorihar, Dist. Chhatarpur (MP) by M/s Khajuraho Motors Pvt. Ltd, 6 K.M. Sagar Road, Dadhari, Dist. Chhatarpur, MP – 471515

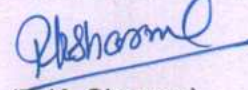

This case was recommended in 341st SEAC meeting dated 31.01.2019 and it was recorded that.....

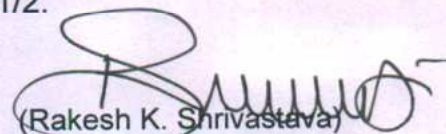

----- PP has submitted the response of above quarries same date vide letter dated 31.01.2019, which was placed before the committee and the same found satisfactory. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee after deliberation found that The EMS and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'C':

After detailed discussions and perusal of recommendations of 341st SEAC meeting dated 31.01.2019, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

1. The production capacity shall be limited to the quantity approved by SEAC.
2. No in-stream mining shall be allowed.
3. The depth of the pit shall be as per Approved Mining Plan.
4. No in-stream mining shall be allowed. No ramp will be allowed within the river basin to transport sand to the other bank. Transportation will be allowed on the bank side where the mineral is being excavated.
5. The entire lease area should be properly fenced and boundary stones marked at the site.
6. PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail.
7. Over loading will be strictly stopped.
8. PP shall ensure to plant 1000 saplings of local indigenous evergreen tree species and also develop green belt along the road and river bank.
9. Sand mining will only be allowed in northern block of 2.0 ha area located at khasra No .611/1/1, 611/2, 527/2, 612/2 while mining is not allowed in 0.50 ha subsidiary area at Khasra Nos.509/1-1/2, 511/2.

After detailed discussion, it was decided that the EC issued vide L.No. 183 dated 05.05.2012 is hereby revoked with an immediate effect and forward the copy of the complaint received at SEIAA office dated 11.01.2019 to Director, Geology & Mining, Bhopal for necessary action. Copy to PP and all concerned.

12. Case No. 4192/2015 Prior Environment Clearance for approval of Lakhanwah Limestone, Laterite & Reject Stone Mine in an area of 4.047 ha. (50,000 TPA) at Village-Lakhanwah, Tehsil-Rampur Baghelan, District-Satna by Shri Sanjeev Kumar Pathak R/o Chanakyapuri, Semariya Chowk, P.O. & District-Satna (MP)-485001.

1. PP has submitted an application on 10.01.2019 with revised Form-1 and PFR for reconsideration the case as per OM dated 29.08.2017 issued by MoEF&CC and requested to extend ToR validity for one year from the completion of three years.
2. It is also mention that MPPCB, Bhopal has issued directives on dated 13-07-2017 to conduct public hearing by RO, PCB, Rewa. ToR has been issued by SEAC vide L.No. 595/PS-MS/MPPCB/SEAC-II/TOR(003)/2016 dated 15.03.2016.
3. OM dated 29.08.2017 issued by MoEF&CC and regarding clarification of the validity of ToR, it is as mention in OM dated 29.08.2017 as below

(iii) The above validity period can be extended by the concerned regulatory authority for a maximum period of one year without referring the proposal to the EAC/SEAC concerned, provide on application is made by the applicant before expiry of the validity period, together with an updated Form-1 and proper justification and there is no change in terms and conditions of the ToRs. After the lapse of validity such extension will need EAC/SEAC consideration.

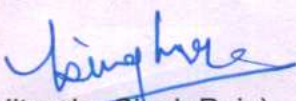

(viii) Public consultation shall be conducted during the validity of the ToRs. The public consultation conducted after the expiry of ToRs shall not be accepted by the Regulating Authority.

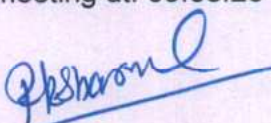

Since PP has submitted revised Form-1 and PFR as per above OM hence, it is decided to send technical file to SEAC for consideration and appraisal of case. Copy to PP.

13. Case No. – 2844/2015 Prior Environment Clearance for Sand Quarry Lease Area- 4.049 ha. Capacity - 1,50,000 cum/year, at Khasra No. – 29, 117, Vill.-Salaiya, Teh.- Manpur, District-Umariya (MP) by Shri Suresh Kumar Dubey, DGM (Geology), M.P. State Mining Corporation Ltd., Vanshroop Ward, Bhatatha Mohalla, Katni (MP) - 483501

This case was discussed in the 317th SEIAA meeting dtd. 12.04.2016. Additional condition for grant of EC subject to necessary wild life clearance from NBWL.

This case was discussed in 415th SEIAA meeting dt. 09.03.2015 it was recorded that:-

Minutes of the 524th Meeting of SEIAA dated. 26.02.2019

This case was discussed in the 317th SEIAA meeting dtd. 12.04.2016. Additional condition for grant of EC subject to necessary wild life clearance from NBWL is hereby imposed as under :-

- SEAC has put a condition for obtaining Wild Life Clearance from NWLB and PP has submitted on-line application also. No mining activity shall commence till the Wild Life Clearance is given by the National Board for Wild Life. The OM dated 02.12.2009 shall be applicable in this particular case. Mining Officer, Indore shall be responsible for compliance.
- Grant of environmental clearance does not necessarily implies that forestry and wildlife clearance shall be granted to the project and that their proposals for forestry and wildlife clearance will be considered by the respective authorities on their merits and decision taken.

ED, MP State Mining Corporation has submitted a letter No. 121 dtd. 15.02.2017 mentioning that in the Gazette of India published on 14.12.2016, the Eco Sensitive Zone in case of Bandhavgarh Tiger Reserve has been fixed with an extend of 2 km. from the boundary of the Bandhavgarh National Park and desired that the specific condition of Wild Life Clearance from NBWL should be withdrawn. It has been decided to send the file to SEAC-II for examining the Gazette Notification and recommend the withdrawal of the clearance conditions. Copy to PP

Thereafter the after decision of 71st SEAC-II meeting dt. 10.04.2017,

The case was scheduled for the presentation and discussion toady wherein PP remains absent. On perusal of the case file it was observed by the committee that as per the certificate issued vide letter no. 3199 dated 05/08/2015 by the Dy. Director, Bandhavgarh Tiger Reserve, Umaria stating that the lease is at a distance of 5.6 kms (a Notified PA) from core zone and 2.70 kms from the buffer zone of Bandhavgarh Tiger Reserve. However in the gazette of India SO No. 4027 (E) published on 14/12/2016, the Eco-sensitive zone in case of Bandhavgarh Tiger Reserve has been fixed with an extent of 2.00 kms from the boundary of the Bandhavgarh National Park. Since the certificate issued by the Dy. Director, Bandhavgarh Tiger Reserve, Umaria stating that the lease is at a distance of 5.6 kms (a Notified PA) from core zone and 2.70 kms from the buffer zone of Bandhavgarh Tiger Reserve is becomes inconclusive as the distance is desired from the boundary of Bandhavgarh National Park not from the core zone or the buffer zone. Thus committee after deliberations decided that PP may be asked to obtain revised certificate from the competent authority stating the actual distance of the lease form the boundary of the Bandhavgarh National Park in accordance with the gazette of India SO No. 4027 (E) published on 14/12/2016 for further consideration of the representative submitted by them.

Thereafter case was discussed in 297th SEAC meeting dated 08.11.2017. The submission made by PP was found satisfactory and acceptable and thus the committee decided to recommend the case for grant of prior EC.

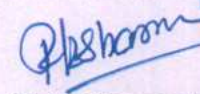

Prior EC was initially granted by SEIAA in its 456th meeting dtd. 16.11.2017 by accepting the recommendation of 297th SEAC meeting dated 08.11.2017 and revised EC issued was issued vide letter no 1291 dated 07.12.2017 by withdrawing specific conditions given in prior EC point no. 13 & 14.

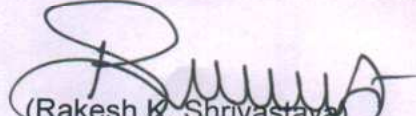

Now MoEF & CC Gol , Regional Office western Region Bhopal has submitted vide letter No. 18-B-37/2018(SEAC) /140 dtd.15.02.2019 received in SEIAA office dt. 20.02.2019 as under :-

We would like to inform that is response to the communication of this office the Project authority have responded the status as non-operative of mine and now the mine is handed over the MPSMC. It is said to be allotted to Gram Panchyat. The MPSMC does not have Ownership of the mine. The EC issued by SEIAA vide letter no 1291 dtd.7.12.2017 is not transferred to any part and mine is not yet started, directed to refer the matter for cancellation of Prior EC.

After detail discussion it is decided to accept the recommendation of Regional Office, Western Region, MoEF&CC, GOI Bhopal and EC issued by SEIAA vide letter no 1291 dtd.7.12.2017 is hereby cancelled. Copy to PP and all concerned.

14. Case No. 3324/2015 - Prior Environmental Clearance for proposed Group Housing Scheme at Khasra no. 57,58,59,60,69,70 Village Khajuri Kalan District- Bhopal, M.P. Plot area – 105622.13 sq.m Built up Area – 228098.4 sq. m. by Shri Ajay Kumar Tiwari, E.E MPH & IDB Dn. No.4, Satellite Plaza, 1st floor, Ayodhya Nagar, Bhopal, MP- 462041 E-mail dn4bhopal@mphousing.in Mob No. 91-9406912017 – **Amendment in earlier EC.**

- (1). Prior Environmental Clearance under EIA Notification 2006 was issued to PP vide letter no. 4735 dtd 13.12.16 and
- (2). Vide letter dtd. 30.01.19 (received in SEIAA office 31.01.19) PP has requested to amendment in the EC issued earlier by MPSEIAA due to large magnitude of project & steep down fall in Real Estate market pan India M.P housing & Infrastructure Development Board could not start the project on which EC was granted to them. PP further requested that since the magnitude of the project is considerably reduced hence the impacts on environment issues are also reduced accordingly.
- (3). PP has assured that ready to abide by all the conditions stipulated in prior EC granted vide letter referred herein above.

The case was discussed in depth and it is noted that the prior EC issued vide letter dated 13.12.16 was for the built-up area of 228098.4 sq.m however vide letter 30.01.19 PP has informed that in new planning the built-up area of the project will be reduced upto 100729.46 sq.m i.e. 1,27,368.94 sq.m. **It is decided that the case may be referred to SEAC for appraising the changes, if any, in the environment impacts and prior EC conditions with respect to change in water requirement, waste water discharge, MSW, parking area, green area, road width, etc. due to reduction in the built-up area.**

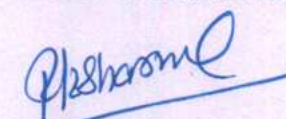

CORRIGENDUM

15. Case No. 5535/2017 Prior Environmental Clearance for Stone Quarry (Open cast semi mechanized method) in an area of 7.760 Ha. for production capacity of 44657 TPA at Khasra no. 60, 72, 73 at Village- Bangaon (Heti) , Tehsil - Pandhurna, Dist. Chhindwara (MP) by M/s Adityaraj Stone Crusher, Shri Ujjawal Singh (Partner), S/o Shri Dashrath Singh Chouhan, Santoshi Mata Ward, Tehsil- Pandhurana, District - Chhindwara, MP – 480334

The Prior EC was granted to M/s Adityaraj Stone Crusher, Shri Ujjawal Singh (Partner), S/o Shri Dashrath Singh Chouhan, Santoshi Mata Ward, Tehsil- Pandhurana, District - Chhindwara, MP – 480334 in 484th SEIAA meeting dtd. 17.05.2018. Due to typographical mistake, the production capacity 44657 TPA has been mentioned in the minutes in place of 44657 cum/year (as per approved mine plan & recommended by SEAC). **In view of above, it is decided to correct the production capacity as 44657 cum/year instead of 44657 TPA.** Copy to PP and all concerned.

Meeting ended with a vote of thanks to the Chair.
