13. **Case No 6006/2019** - Prior Environment Clearance for Crusher Stone (Gitti) Quarry in an area of 2.620 ha. (15660 cum per annum) (Khasra No. 3), Village - Neelbad, Tehsil - Huzur, Dist. Bhopal (MP) by Smt. Ketki Sood W/o Shri Kunal Sood, E-2/42, Arera Colony, Bhopal, MP – 462016

This case was discussed in 385th SEAC meeting dated 12.07.2019, and it was recorded that :-

In the SEAC 361st meeting dated 12.04.2018, the case was scheduled for the presentation and discussion wherein PP and their consultant were present. During perusal of the documents submitted by the PP it was observed by the committee that earlier PP has obtained EC for this lease from DEIAA issued vide letter no 43 dated 23/05/2016. Committee observed that DEIAA has issued conditional EC stating that after 31/03/2019 renewal shall not be considered. PP submitted that they have valid lease and thus may be permitted to work.

Committee after deliberations decided that since DEIAA have put up a condition for not renewing the EC, same cannot be withdrawn by them. However, PP submitted that they have requested competent authority to amend the condition and requested that 60 days time may be given to them for getting permission from collector for mining in this area.

Committee after deliberations decided that in above circumstances this case can not be appraised for grant of EC however, 45 days time may be given to PP for getting suitable permission from collector for carrying out mining on this lease. If same is not submitted within 30 days case may be referred back to SEIAA for delisting.

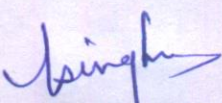

Vide letter received dated 06.07.2019 requested that extend 45 days time to provide suitable permission from collector for carrying out mining on this lease. Because parliamentary election collector and local officers are involved in the election duties and unable to pursue our matter and then after collector has transferred.

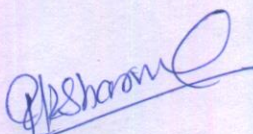

Committee after deliberation decided to give additional 45 days considering PP's request for taking permission from Collector for carrying out mining on this lease and if same is not submitted within 45 days case may be referred back to SEIAA for delisting.

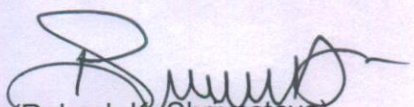

This case was discussed in 385th SEAC meeting dated 12.07.2019 and it was recorded that PP shall submit the permission from Collector for carrying out mining on this lease. PP has again requested vide letter dated 5.08.19 to consider his case for prior EC. **After discussion, it was decided to seek clarification from Collector, Bhopal about any development activities anticipated in near future in nearby area to consider prior EC for carrying out mining on this lease area.**

14. **Case No. 5894/2019** M.P. Audyogik Kendra Vikas Nigam Indore Ltd, I and II Floor, 3/54, Press Complex, Agra Mumbai Road, Indore, MP. Chhatarpur (MP) by Shri Upendra Kumar Shukla S/o Shri Ram Kumar Shukla, R/o Rajendra Nagar Kabrai, Dist. Mahoba, UP – 0210427.

This case was recommended in 390th SEAC dated 10.08.2019. and it was recorded that.....

"Committee observed that during site visit it was observed by sub-committee that the site is located on a hillock of > 100 meters and on hilltop outcrops/fractured stone and on foot hill Murrum can be seen on site. On some parts of lease thick green area can be seen. A local resident Mr. Vinod Kumar Behariya, Gram Mudehara present on site informed that this is the highest hill of the area. During discussion consultant submitted that the mining is proposed from the hilltop and to carry out mining of stone where gradient is too high involves lots of risks to workers & issues of slope stability and deployment of men and machine. The proposed site is also having lots of green area. Thus considering above situation, committee recommends that this case shall not be considered for grant of EC".

As per the above observation, the case is hereby rejected considering above environmental sensitivity. Copy to PP & all concerned
