Minutes of the 572nd Meeting of SEIAA dated. 19.09.2019

The case was discussed in 393rd SEAC meeting dtd. 30.08.2019 and it was recorded that:-

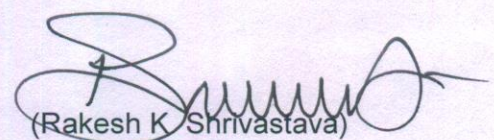

PP has submitted the response of above quarries same date vide letter dated 30.08.2019, which was placed before the committee and the same found satisfactory. The EMP and other submissions made by the PP were found to be satisfactory and acceptable, hence committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'A':

PP/Consultant made a presentation on all aspects of the project and all concerned issues were discussed in detail. After detailed discussions and perusal of recommendations of 393rd SEAC meeting dated 30.08.19, presentation made by the PP in SEIAA, it was decided to accept the recommendation of SEAC for grant of prior EC to the project subject to the following specific conditions:-

- i. Before commencing any mining activity fencing shall be carried out all around the lease area. Proper watch and ward arrangements should be made with installation of signage at 4 corners of lease area to avoid any untoward incident involving public and animals by the PP.
- ii. PP shall not start mining activity before execution of lease agreement.
- iii. The depth of the pit shall be as per the Approved Mining Plan.
- iv. The entire area shall be fenced and three rows of plantation should be done on the periphery of the boundary.
- v. PP shall ensure the proper water supply arrangements for dust suppression, regular sprinkling, plantation and drinking purposes especially in summer season.
- vi. No blasting will be carried out in mining lease area.
- vii. Total 2000 saplings shall be planted under plantation programme. Suitable tree species i.e. Neem, Mango, Pipal, Bargad, Karanj, Amaltas etc. for plantation around lease boundary, both side of approach road & village area shall be ensured by PP on priority.
