The above seven cases have been recommended by SEAC for grant of environmental clearance.

SEIAA while scrutinizing the records observed following points:-

- (i) The forest NOC submitted in case no 131/2008, Shri Ashwin Purendra Singh Chandel, 15, Sardar Patel Marg, Alirajpur-P.O, Jhabua M.P., Behadawa Dolomite mine 8.34 ha, 4000 TPA at Vill- Behadawa, Teh-Alirajpur, Distt-Jhabua M.P and case no 192/2008, Nilesh Upadhyay, S/o Shri Ramesh Chandra Upadhyay college road, Distt- Jhabua M.P. Lime stone mine 7.50 hact. at Vill- Kosdana, Teh-Gandhewani Distt- Dhar M.P. do not reveal the distance between forest boundary and mining lease area.

Hence it was decided that these two cases may be sent to SEAC for reconsideration on the above ground.

- (ii) Authority also observed that public hearing report submitted by the Distt. Collector and his representatives in all the seven cases are neither focused nor to the point. He has not expressed his clear opinion in the report. In some cases the views of the project proponent on the objections raised by people have also not been recorded. Hence it was decided that a clarification as above should be sought from the respective Distt. Collector regarding pubic hearing reports in all the above seven cases by the Authority.

Meeting ended with a vote of thanks to the chair.
