

The 347th meeting of the State Level Environment Impact Assessment Authority was convened on 01.07.2016 at the Authority's Office in Environmental Planning and Co-Ordination Organization (EPCO), Paryavaran Parisar, Bhopal. The meeting was chaired by Shri Waseem Akhtar, Chairman, SEIAA. The following members attended the meeting:-

1. Shri H.S. Verma Member
2. Shri Anupam Rajan Member Secretary

A. Following other than mining cases have been considered:-

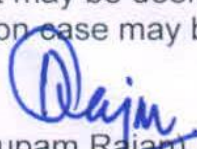

S.No.	Case No.	Category	No. & date of latest SEIAA meeting
1.	4151/2016	8 (a)	343 rd SEAC meeting dtd. 22.06.2016

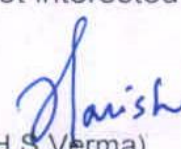

B. Following mining cases received from SEAC & SEIAA query response have been considered:-

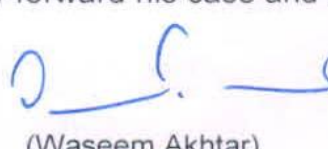

S.No.	Case No.	Category	No. & date of latest SEAC
2.	2433/2015	1 (a) B2	31 st SEAC-II meeting dtd. 15.06.2016
3.	2909/2015	1 (a) B2	31 st SEAC-II meeting dtd. 15.06.2016
4.	3048/2015	1 (a) B2	31 st SEAC-II meeting dtd. 15.06.2016

2. **Case No.-2433/2015** Prior Environment Clearance for Sand Quarry (opencast manual method) in an area of 7.781 ha. for production capacity 25,000 cum/year at Khasra no.-251, 351, at Village-Banki, Tehsil-Kukshi, Distt-Dhar (MP) by Shri Jagdish Singh S/o Shri Lakhu Singh, Village & Post Mandleshwar, Khargone (MP)-454331.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. Sand mining cases pertaining to Dhar, Alirajpur, Badwani and Khargone which falls in the submergence of Sardar Sarovar are under litigation and are being heard in the Hon'ble NGT (CZ). Before commencing of the mining activity, Mining Officer, Dhar should ensure NOC of NVDA regarding submergence area and rehabilitation sites. No mining should be carried out of the lease area without proper NOCs and fully follow the directives of the Hon'ble NGT given from time to time.
- IX. No transportation shall be permitted within the village.
- X. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- XI. The entire lease area should be properly fenced and boundary stones marked at the site.
- XII. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

Hence, Prior Environment Clearance for Sand Quarry (opencast manual method) in an area of 7.781 ha. for production capacity 25,000 cum/year at Khasra no. 251, 351 at Village-Banki, Tehsil-Kukshi, Distt-Dhar (MP) **for the lease period to** Shri Jagdish Singh S/o Shri Lakhu Singh, Village & Post Mandleshwar, Khargone (MP)-454331.

- Minutes of the 347th Meeting of SEIAA dated: 01.07.2016
3. **Case No. 2909/2015** Prior Environment Clearance for Belkhedi River Sand Mining (opencast manual method) in an area of 13.45 Ha., for production Capacity - 60,000 cum/year, at Khasra No. 339, at Vill.- Belkhedi, Teh.-Shahpura, District-Jabalpur (M.P.) by Shri Satyendra Singh, OIC, M.P. State Mining Corporation Ltd., 1222/2, Napier Town, Near Fourth Bridge, Jabalpur (M.P.)-482001.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. No transportation shall be permitted within the village.
- IX. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- X. The entire lease area should be properly fenced and boundary stones marked at the site.
- XI. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

Hence, Prior Environment Clearance for Belkhedi River Sand Mining (opencast manual method) in an area of 13.45 Ha., for production Capacity - 60,000 cum/year, at Khasra No. 339, at Vill.- Belkhedi, Teh.-Shahpura, District-Jabalpur (M.P.) **for the lease period to** Shri Satyendra Singh, OIC, M.P. State Mining Corporation Ltd., 1222/2, Napier Town, Near Fourth Bridge, Jabalpur (M.P.)-482001.

4. **Case No. 3048/2015** Prior Environment Clearance Sand Quarry (opencast manual Method) in an area of 5.165 Ha., for Production Capacity - 18,000 cum/year, at Khasra No.- 222, 23/1, Vill.-Badara, Teh.- Anuppur, District-Anuppur (M.P.) by (Shri Atul Gondal, Manager, M/s S.R. Traders, Rudra Enclave, Front of Banglow, Malakhedi Road, Hoshangabad (M.P.)-461001.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

the production capacity shall be limited to the quantity as recommended by SEAC-II.

- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
 - IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
 - V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
 - VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
 - VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
 - VIII. Before commencing the mining activity, site demarcation should be done leaving 100 m. on both sides of Road Bridge and 100m. on both sides from the water retaining structures as a "no mining zone". The demarcation should be done by the Revenue Officials in the presence of PWD & WRD Officials and Mining Officer, Anuppur
 - IX. No transportation shall be permitted within the village.
 - X. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
 - XI. The entire lease area should be properly fenced and boundary stones marked at the site.
 - XII. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.
- Hence, Prior Environment Clearance Sand Quarry (opencast manual Method) in an area of 5.165 Ha., for Production Capacity - 18,000 cum/year, at Khasra No.- 222, 23/1, Vill.-Badara, Teh.- Anuppur, District-Anuppur (M.P.) **for the lease period to** Shri Atul Gondal, Manager, M/s S.R. Traders, Rudra Enclave, Front of Banglow, Malakhedi Road, Hoshangabad (M.P.)-461001.
- 5. Case No. 3620/2015** Prior Environmental Clearance for **Sand Quarry (Opencast Manual Method)** in an area of 5.970 ha. for production capacity of 2700 cum/year at Khasra No. 1 at Village-Hameerkhedi, Tehsil & Distt.-Ujjain (MP) by Shri Ban Singh S/o Shri Heeralal Singh, Village-Gadi Billouda, Tehsil Depalpur, Distt-Indore (MP).
- After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-
- I. PP shall not start mining activity before execution of lease agreement.
 - II. The production capacity shall be limited to the quantity as recommended by SEAC-II.

(Anupam Rajan)

(Shri Ban Singh)

(Shri Atul Gondal)

- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. No transportation shall be permitted within the village.
- IX. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- X. The entire lease area should be properly fenced and boundary stones marked at the site.
- XI. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

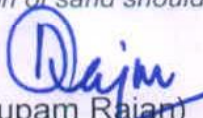

Hence, Prior Environmental Clearance is granted for **Sand Quarry (Opencast Manual Method)** in an area of 5.970 ha. for production capacity of 2700 cum/year at Khasra No. 1 at Village-Hameerkhedi, Tehsil & Distt. Ujjain (MP) for the lease period to Shri Ban Singh S/o Shri Heeralal Singh, Village-Gadi Billouda, Teh.-Depalpur, District-Indore (MP).

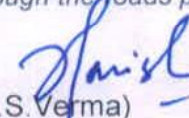

6. **Case No. 3637/15** Prior Environmental Clearance for Sand Mining (**Opencast Manual Method**) in an area of 4.00 ha. for production capacity of 40,000 cum/year (as per mine plan) at Khasra No.-01, at Vill.-Narayanpur, Tehsil-Jabalpur, District- Jabalpur (MP) by Shri Foulad Singh Patel (Authorized Signatory), M/s Sharma Construction Company, Sub Lessee, The M.P. State Mining Corporation Ltd., Vill.- Samnapur, Tehsil-Kareli, District-Narsinghpur (MP)-482001.

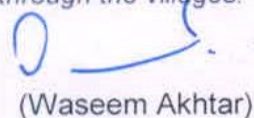

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"The case was presented by the PP and their consultant wherein it was observed by the committee that the approved mine plan is for 40,000 cum/year and the replenishment plan submitted by PP is also for 40,000 cum/year. However, PP has applied for the quantity of 60,000 cum/year which might be due to typographical error is considered and recommended as 60,000 cum/year as per mine plan. During presentation PP also informed that in today's presentation, they are demanding quantity as 40,000 cum/year based on replenishment capacity. The case was presented by the PP and their consultant wherein the submissions made by PP were found satisfactory and acceptable and thus the committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B':

- Production of Sand as per mine plan with quantity not exceeding 40,000 cum/year.
- District Authority should record the deposition of sand in the lease area at an interval of 50 meters annually in the last week of September and maintain the records in RL (Reduce Level) Measurement Book. Accordingly authority may allow lease holder to excavate the replenished quantity of sand in the subsequent year.
- Evacuation of sand should not be allowed through the roads passing through the villages.

(Anupam Rajan)

- Heavy vehicles (Hywa) should not be allowed on Kachcha, narrow roads.
- If causeway (Rapra) is required to be constructed for mining. It should be removed completely before rainy season every year.
- The river bank from where access ramps are made should be restored and access should be closed every year before rainy season.
- No diversion of active channel should be allowed for mining.
- 10 meter area be left from the both banks of the QL as no mining area to avoid bank erosion"

After detailed discussions on the above recommendations it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. No transportation shall be permitted within the village.
- IX. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- X. The entire lease area should be properly fenced and boundary stones marked at the site.
- XI. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

Hence, Prior Environmental Clearance for Sand Mining (**Opencast Manual Method**) in an area of 4.00 ha. for production capacity of 40,000 cum/year (as per mine plan) at Khasra No.-01, at Vill.-Narayanpur, Tehsil-Jabalpur, District- Jabalpur (MP) **for the lease period to** Shri Foulad Singh Patel (Authorized Signatory), M/s Sharma Construction Company, Sub Lessee, The M.P. State Mining Corporation Ltd., Vill.- Samnapur, Tehsil-Kareli, District-Narsinghpur (MP)-482001.

7. **Case No.4464/15** Shri Kailash Chandra Gupta, M/s Esteem Infrabuild Pvt.Ltd., Sub Lessee, Madhya Pradesh State Mining Corporation Limited, R/o P-4, Lal Bahadur Nagar, Durgapura, Jaipur (Raj.). Prior Environment Clearance for approval of Sand Mine in an area of 3.00 ha. (9,000 cum/year) at Khasra no.-445, Village-Baraithraj, Tehsil-Mehgaon, District-Bhind (MP)

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, ToR recommended by SEAC is hereby approved.

8. **Case No. 5129/16** Prior Environment Clearance for **River Sand Quarry** (opencast Manual Method) in an area of 20.00 ha. for production capacity of 1,60,000 cum/year at Khasra no.-1144, Village-Basadi, Tehsil-Badwada (MP) by Shri Amit Khampariya, Sub Lessee of MPSMCL, 3162, Ganga Nagar, Jabalpur (MP)-482001.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"PP has submitted the revised mine plan which was forwarded by the SEIAA vide letter no. 1911/SEIAA/16 dated 09/06/2016. The case was presented by the PP and their consultant wherein it was observed by the committee that as per the revised mine plan the reserves are estimated as 2,20,000 considering 1,80,000 sq. meter area with 1.5 meter depth and the proposed production capacity against estimated reserves is 1,60,000 cum/year. Committee after deliberations decided that since approx.40% area is submerged in water, only 60% area is minable thus quantity may be reduced to 96,000 cum/year. The other submissions made by PP were found satisfactory and acceptable and thus the committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B.'"

After detailed discussions on the above recommendations it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. No transportation shall be permitted within the village.
- IX. Alternate transportation route should be decided in consultation with the local Gram Panchayat.

11. Case No. 5209/ 2016 - Prior Environmental Clearance for River Sand Quarry (Open cast manual method) in an area of 23.170 ha. for production capacity of 230000 cum/year at Khasra no. 508/505, 509/506 at Village-Dimawar, Tehsil - Narsullaganj, District - Sehore (MP) by M/s Shiva Corporation India Ltd, Shri Jitendra Singh, Sub Lessee of MPSMCL, 312, Ganpati Plaza, M.I. Road, Jaipur, Rajasthan

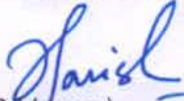

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"The committee after discussion decided that since only one mine is e-auctioned and second mine could not be e-auctioned till date and PP have also submitted an affidavit that if in future the said mine (Ambajdeed2- 21.582 ha) is auctioned they will stop the mining operations at their mine and will go for EIA studies and public hearing through new application. The committee after deliberations recommends that since the PP has submitted an affidavit that they will stop the operations of mine and will conduct EIA studies, in case the second mine is e-auctioned (Ambajdeed2- 21.582 ha), the case can be considered for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B'."

After detailed discussions on the above recommendations it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.

- XII. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

Hence, Prior Environmental Clearance is granted for Sand Quarry (Open cast manual method) in an area of 6.250 ha. for production capacity of 1,00,000 cum/year at khasra no 1 at Village-Maheba Chak (3), Tehsil-Palera, District-Tikamgarh (MP) for the lease period to Shri Nagendra Singh, OIC, M.P. State Mining Corporation Ltd., Civil Line, Tikamgarh (MP)-472001

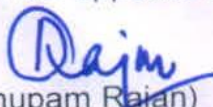

17. Case No. 4371/2015- Prior Environmental Clearance for **Sand Quarry (Opencast Manual Method)** in an area of 17.476 ha. for production capacity of 87280 cum/year at Khasra No. 821 at Village--Basai, Tehsil-Bhitarwar, District-Gwalior (MP) by M/s Esteem Infrabuild Pvt. Ltd., Shri Kailash Chandra Gupta, R/o P-4, Lal Bahadur Nagar, Durgapura, Jaipur (Raj.)-475001

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

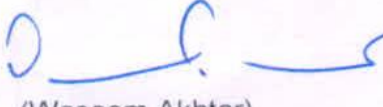

"Shri. O. P. Vyas, OIC, M. P. State Mining Corporation Ltd., Gwalior has submitted the production plan vide letter dated 15/06/2016 which was placed before the committee. On perusal of the production plan it was observed by the committee that it's an old plan which is again submitted by the OIC. Committee again observed the Google image (which was of April, 2014) based on the co-ordinates provided by the PP and noticed that the most part of lease area is submerged in water even in the image of April (summer season). OIC, M. P. State Mining Corporation Ltd., Gwalior submitted that in the western part of the lease sand is available. Committee after deliberations decided that only 10% of the area is available for excavation of sand as there are number of fully grown trees can be seen on the western bank and thus 05 meter area be left from the bank to avoid bank erosion and thus recommends that the excavation of the sand may be restricted to the 10% of the volume approved in the mine plan. Other submissions made by PP were found satisfactory and acceptable and thus the committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B': "

After detailed discussions on the above recommendations it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity (8728 cum/year) shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.

21. Case No. 3378/ 2015 Prior Environmental Clearance for Stone Quarry in an area of 2.00 ha. for production capacity of 30,000 cum/year at khasra no 939/2 at Village-Basahari, Tehsil-Khurai, Distt.Sagar by M/s Shri Guru Arjun Minerals, Shri Devender Pal Singh Chawla, Village-Basahari, Tehsil-Khurai, Distt.Sagar (MP) 470118.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"The case was discussed in the 220th SEAC meeting dated 26/08/2015 wherein after deliberations Committee decides that these case be considered as B-1 category of project following TORs were issued by the committee for regional EIA in addition to the standard TORs prescribed by the Moe & CC: 1. Evacuation plan for cumulative quantity of 90,000 cum/Year be discussed in EIA. As per the above approval ToR was also issued to the PP vide letter no. 1411 dated 09/09/2015.

SEIAA vide letter no. 1961/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for withdrawal of their case and the same was placed before the committee. The committee observed that PP vides their letter dated 24/05/2016 requested SEIAA for withdrawal of their case due to poor financial conditions. Committee after deliberations recommends that PP may be allowed to withdraw their application on the basis of grounds mentioned in their request letter and recommendations made in the 220th SEAC meeting dated 26/08/2015 should also be cancelled. File may be sent to SEIAA for necessary action."

As per the above observation, in this particular case PP wants to withdraw his application due to poor financial condition. Earlier the case was to be considered under the B-1 category and TOR was issued by SEAC. After discussion it was decided to accept the withdrawal of application as requested by PP on the basis of grounds given by him, but Collector, Sagar may be directed to have the lease cancelled on the above grounds. In case PP presents the case in DEIAA, Sagar then it should be properly scrutinized and the Cluster approach is invoked. SEAC may be informed to go ahead as per TOR for the remaining lease area. Copy to Chairman, DEIAA, Collector, Sagar, Mining Officer, Sagar.

22. Case No. 3375/ 2015 Prior Environmental Clearance for Stone Quarry in an area of 3.00 ha. for production capacity of 30,000 cum/year at khasra no 1109, Village-Basahari, Tehsil-Khurai, Distt-Sagar(MP) by M/s Shri Guru Arjun Minerals, Shri Devender Pal Singh Chawla, Village-Basahari, Tehsil-Khurai, Distt-Sagar(MP) 470118

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

As per the above approval ToR was also issued to the PP vide letter no. 1415 dated 09/09/2015.'

SEIAA vide letter no. 1963/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for withdrawal of their case and the same was placed before the committee. The committee observed that PP vides their letter dated 24/05/2016 requested SEIAA for withdrawal of their case due to poor financial conditions. Committee after deliberations recommends that PP may be allowed to withdraw their application on the basis of grounds mentioned in their request letter and recommendations made in the 220th SEAC meeting dated 26/08/2015 should also be cancelled. may be informed to go ahead as per TOR for the remaining lease area. Copy to Chairman, DEIAA, Collector, Sagar, Mining Officer, Sagar.

- 23. Case No. 3377/ 2015** Prior Environmental Clearance for Stone Quarry in an area of 2.00 ha. for production capacity of 30,000 cum/year at khasra no 1096/1 at Village-Basahari, Tehsil-Khurai, Distt.-Sagar (MP) by M/s Shri Guru Arjun Minerals, Shri Devender Pal Singh Chawla, Village-Basahari, Tehsil-Khurai, Distt.-Sagar (MP)-470118

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"As per the above approval ToR was also issued to the PP vide letter no. 1413 dated 09/09/2015.

SEIAA vide letter no. 1959/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for withdrawal of their case and the same was placed before the committee. The committee observed that PP vides their letter dated 24/05/2016 requested SEIAA for withdrawal of their case due to poor financial conditions. Committee after deliberations recommends that PP may be allowed to withdraw their application on the basis of grounds mentioned in their request letter and recommendations made in the 220th SEAC meeting dated 26/08/2015 should also be cancelled. File may be sent to SEIAA for necessary action."

As per the above observation, in this particular case PP wants to withdraw his application due to poor financial condition. Earlier the case was to be considered under the B-1 category and TOR was issued by SEAC. After discussion it was decided to accept the withdrawal of application as requested by PP on the basis of grounds given by him, but Collector, Sagar may be directed to have the lease cancelled on the above grounds. In case PP presents the case in DEIAA, Sagar then it should be properly scrutinized and the Cluster approach is invoked. SEAC may be informed to go ahead as per TOR for the remaining lease area. Copy to Chairman, DEIAA, Collector, Sagar, Mining Officer, Sagar.

- 24. Case No. 3889/ 2015** - Prior Environmental Clearance for Garhi-1 Pyrophyllite & Diaspore Quarry in an area of 0.694 ha. for production capacity of 10,000 MTPA at khasra no 131/3, at Village-Garhi (Malhara), Tehsil-Nowgaon, District-Chhatarpur (MP) by M/s Khajuraho Minerals, Shri Ajay Pal Singh, 6th Km, Sagar Road, Dhadari P.O., District-Chhatarpur

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

As per the above approval ToR was also issued to the PP vide letter no. 40 dated 28/01/2016.

SEIAA vide letter no. 1967/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for transferring the case to DEIAA mentioning that "ToR was issued to PP on 28/01/2016. This is a case where the mining lease is less than 5.00 ha and mineral has now been reclassified as minor mineral. PP vide letter dated 17/05/2016 has requested that the case may be transferred to DEIAA chhatarpur as per the new stipulations" and the same was placed before the committee. The committee observed that PP vides their letter no. 438 dated 13/05/2016 requested SEIAA for transfer of their case to DEIAA. Committee after deliberations recommends that the case may be transferred to DEIAA through SEIAA on the basis of grounds mentioned in the PP's request letter by withdrawing the recommendations made in the 251st SEAC meeting dated 16/12/2015 as per new stipulations. File may be sent to SEIAA for necessary action."

Letter may be sent to Director Geology & Mining, GoMP to clarify whether the category of mineral for which PP has submitted the application is now considered as Minor Mineral or it is still to be considered as Major Mineral.

- 25. Case No. 3891/ 2015** - Prior Environmental Clearance for Garhi-3 Pyrophyllite & Diaspore Quarry in an area of 2.791 ha. for production capacity of 20,000 MTPA at khasra no 303, 304, 305/2, 306 at Village-Garhi (Malhara), Tehsil-Nowgaon, District-Chhatarpur (MP) by M/s Khajuraho Minerals, Shri Ajay Pal Singh, 6th Km, Sagar Road, Dhadari P.O., District-Chhatarpur

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"As per the above approval ToR was also issued to the PP vide letter no. 200 dated 28/01/2016.

SEIAA vide letter no. 1969/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for transferring the case to DEIAA mentioning that "ToR was issued to PP on 28/01/2016. This is a case where the mining lease is less than 5.00 ha and mineral has now been reclassified as minor mineral. PP vide letter dated 17/05/2016 has requested that the case may be transferred to DEIAA chhatarpur as per the new stipulations" and the same was placed before the committee. The committee observed that PP vides their letter no. 442 dated 13/05/2016 requested SEIAA for transfer of their case to DEIAA. Committee after deliberations recommends that the case may be transferred to DEIAA through SEIAA on the basis of grounds mentioned in the PP's request letter by withdrawing the recommendations made in the 251st SEAC meeting dated 16/12/2015 as per new stipulations. File may be sent to SEIAA for necessary action."

Letter may be sent to Director Geology & Mining, GoMP to clarify whether the category of mineral for which PP has submitted the application is now considered as Minor Mineral or it is still to be considered as Major Mineral.

- 26. Case No. 3892/ 2015** - Prior Environmental Clearance for Garhi-2 Pyrophyllite & Diaspore Quarry in an area of 2.28 ha. for production capacity of 20,000 MTPA at khasra no 131/1, 187/1 & 193 at Village-Garhi (Malhara), Tehsil-Nowgaon, District-Chhatarpur (MP) by M/s Khajuraho Minerals, Shri Ajay Pal Singh, 6th Km, Sagar Road, Dhadari P.O., District-Chhatarpur

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

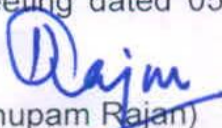

As per the above approval ToR was also issued to the PP vide letter no. 42 dated 28/01/2016.

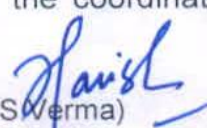

SEIAA vide letter no. 1969/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for transferring the case to DEIAA mentioning that "ToR was issued to PP on 28/01/2016. This is a case where the mining lease is less than 5.00 ha and mineral has now been reclassified as minor mineral. PP vide letter dated 17/05/2016 has requested that the case may be transferred to DEIAA chhatarpur as per the new stipulations" and the same was placed before the committee. The committee observed that PP vides their letter no. 440 dated 13/05/2016 requested SEIAA for transfer of their case to DEIAA. Committee after deliberations recommends that the case may be transferred to DEIAA through SEIAA on the basis of grounds mentioned in the PP's request letter by withdrawing the recommendations made in the 251st SEAC meeting dated 16/12/2015 as per new stipulations. File may be sent to SEIAA for necessary action.

Letter may be sent to Director Geology & Mining, GoMP to clarify whether the category of mineral for which PP has submitted the application is now considered as Minor Mineral or it is still to be considered as Major Mineral.

- 27. Case No. 4013 /2015**, Prior Environmental Clearance for **Stone Quarry (Calcareous Shale) Quarry** (Opencast Manual / Semi Mechanized Method) in an area of 1.155 ha. for production capacity 1710 cum/year at Khasra No. 645/2, 645/1 Kha, 645/1 Ga at Village- Marha, Teh Huzur, Dist- Rewa (MP) by Shri Suresh Kumar Pathak R/o Village Sakarvat,, Post Bihar, Taluka Huzur, District Rewa (MP)-486446.

PP has submitted a letter dated 28.05.2016 in response to the query raised in 290th SEIAA meeting dated 05.02.2016. From the coordinates provided by the PP, the

mining site is displayed to be close to existing human settlement and bisect the village road. However, the report submitted by the Revenue Authorities have submitted that the road is 200 m from the mining site and "Grameen Abadi" is 1 km away from the mining site. The picture is not clear yet and Mining Officer is hereby directed to prepare the map of the human settlement, village road and their exact distances from the mining lease area.

28. Case No. 4031/2015, Prior Environmental Clearance for **Stone Quarry** (Opencast/ Semi-Mechanized Method) in an area of 1.00 ha for Production Capacity 8550 m³/year at Khasra No. 479/1, 479/2 at Village – Daryapur, Tehsil - Burhanpur, District- Burhanpur (M.P.) by Mr. Mahendra Marchant S/o Shri Chunnilal Marchant, R/o, Daudpura, District Burhanpur (M.P.) – 450331.

After detailed discussion of query response in 290th SEIAA meeting dtd. 05.02.2016 and recommendation of 265th SEAC meeting dtd. 17.01.2016 It was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC

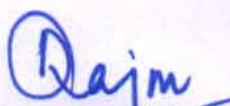

- (i) PP shall not start mining activity before execution of lease agreement.
- (ii) The depth of the pit shall be as per the Approved Mining Plan.
- (iii) Before commencing the mining activity, site demarcation should be done leaving 50 m. from the village road as a "no mining zone". The demarcation should be done by the Revenue Officials in the presence of PWD & WRD Officials and Mining Officer, Anuppur
- (iv) The entire area shall be fenced and three rows of plantation should be done towards the human habitation side.

Hence, Prior Environmental Clearance is granted for **Stone Quarry** (Opencast/ Semi-Mechanized Method) in an area of 1.00 ha for Production Capacity 8550 m³/year at Khasra No. 479/1, 479/2 at Village – Daryapur, Tehsil - Burhanpur, District- Burhanpur (M.P.) **for the lease period to Mr. Mahendra Marchant S/o Shri Chunnilal Marchant, R/o, Daudpura, District Burhanpur (M.P.) – 450331**

29. Case No. 2982/2016 Prior Environment Clearance for Laterite & Ochre Mine in an area of 7.33 ha. (67,611 TPA) at Village-Dharampura, Tehsil-Sihora, District- Jabalpur (MP): Mr. Abhiudya Agarwal (Authorized Signatory), by M/s Geomin Industries Pvt. Ltd., 270, Garha Fatak, Jabalpur (MP)-482002.

PP has submitted a letter dated 23.06.2016 wherein he has requested to appraise his application in B-2 Category for the minerals mentioned above as Laterite & Ochre. Letter may be sent to Director Geology & Mining, GoMP to clarify whether the category of mineral for which PP has submitted the application is now considered as Minor Mineral or it is still to be considered as Major Mineral.

2. **Case No.-2433/2015** Prior Environment Clearance for Sand Quarry (opencast manual method) in an area of 7.781 ha. for production capacity 25,000 cum/year at Khasra no.-251, 351, at Village-Banki, Tehsil-Kukshi, Distt-Dhar (MP) by Shri Jagdish Singh S/o Shri Lakhu Singh, Village & Post Mandleshwar, Khargone (MP)-454331.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. Sand mining cases pertaining to Dhar, Alirajpur, Badwani and Khargone which falls in the submergence of Sardar Sarovar are under litigation and are being heard in the Hon'ble NGT (CZ). Before commencing of the mining activity, Mining Officer, Dhar should ensure NOC of NVDA regarding submergence area and rehabilitation sites. No mining should be carried out of the lease area without proper NOCs and fully follow the directives of the Hon'ble NGT given from time to time.
- IX. No transportation shall be permitted within the village.
- X. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- XI. The entire lease area should be properly fenced and boundary stones marked at the site.
- XII. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

Hence, Prior Environment Clearance for Sand Quarry (opencast manual method) in an area of 7.781 ha. for production capacity 25,000 cum/year at Khasra no. 251, 351 at Village-Banki, Tehsil-Kukshi, Distt-Dhar (MP) **for the lease period to** Shri Jagdish Singh S/o Shri Lakhu Singh, Village & Post Mandleshwar, Khargone (MP)-454331.

- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. No transportation shall be permitted within the village.
- IX. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- X. The entire lease area should be properly fenced and boundary stones marked at the site.
- XI. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

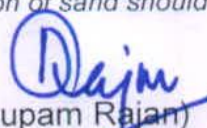

Hence, Prior Environmental Clearance is granted for **Sand Quarry (Opencast Manual Method)** in an area of 5.970 ha. for production capacity of 2700 cum/year at Khasra No. 1 at Village-Hameerkhedi, Tehsil & Distt. Ujjain (MP) for the lease period to Shri Ban Singh S/o Shri Heeralal Singh, Village-Gadi Billouda, Teh.-Depalpur, District-Indore (MP).

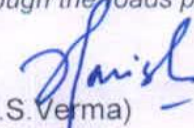

6. **Case No. 3637/15** Prior Environmental Clearance for Sand Mining (**Opencast Manual Method**) in an area of 4.00 ha. for production capacity of 40,000 cum/year (as per mine plan) at Khasra No.-01, at Vill.-Narayanpur, Tehsil-Jabalpur, District- Jabalpur (MP) by Shri Foulad Singh Patel (Authorized Signatory), M/s Sharma Construction Company, Sub Lessee, The M.P. State Mining Corporation Ltd., Vill.- Samnapur, Tehsil-Kareli, District-Narsinghpur (MP)-482001.

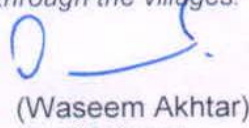

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"The case was presented by the PP and their consultant wherein it was observed by the committee that the approved mine plan is for 40,000 cum/year and the replenishment plan submitted by PP is also for 40,000 cum/year. However, PP has applied for the quantity of 60,000 cum/year which might be due to typographical error is considered and recommended as 60,000 cum/year as per mine plan. During presentation PP also informed that in today's presentation, they are demanding quantity as 40,000 cum/year based on replenishment capacity. The case was presented by the PP and their consultant wherein the submissions made by PP were found satisfactory and acceptable and thus the committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B':

- Production of Sand as per mine plan with quantity not exceeding 40,000 cum/year.
- District Authority should record the deposition of sand in the lease area at an interval of 50 meters annually in the last week of September and maintain the records in RL (Reduce Level) Measurement Book. Accordingly authority may allow lease holder to excavate the replenished quantity of sand in the subsequent year.
- Evacuation of sand should not be allowed through the roads passing through the villages.

- Heavy vehicles (Hywa) should not be allowed on Kachcha, narrow roads.
- If causeway (Rapta) is required to be constructed for mining. It should be removed completely before rainy season every year.
- The river bank from where access ramps are made should be restored and access should be closed every year before rainy season.
- No diversion of active channel should be allowed for mining.
- 10 meter area be left from the both banks of the QL as no mining area to avoid bank erosion"

After detailed discussions on the above recommendations it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. No transportation shall be permitted within the village.
- IX. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- X. The entire lease area should be properly fenced and boundary stones marked at the site.
- XI. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

Hence, Prior Environmental Clearance for Sand Mining (**Opencast Manual Method**) in an area of 4.00 ha. for production capacity of 40,000 cum/year (as per mine plan) at Khasra No.-01, at Vill.-Narayanpur, Tehsil-Jabalpur, District- Jabalpur (MP) **for the lease period to** Shri Foulad Singh Patel (Authorized Signatory), M/s Sharma Construction Company, Sub Lessee, The M.P. State Mining Corporation Ltd., Vill.- Samnapur, Tehsil-Kareli, District-Narsinghpur (MP)-482001.

7. **Case No.4464/15** Shri Kailash Chandra Gupta, M/s Esteem Infrabuild Pvt. Ltd., Sub Lessee, Madhya Pradesh State Mining Corporation Limited, R/o P-4, Lal Bahadur Nagar, Durgapura, Jaipur (Raj.). Prior Environment Clearance for approval of Sand Mine in an area of 3.00 ha. (9,000 cum/year) at Khasra no.-445, Village-Baraithraj, Tehsil-Mehgaon, District-Bhind (MP)

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, ToR recommended by SEAC is hereby approved.

8. **Case No. 5129/16** Prior Environment Clearance for **River Sand Quarry** (opencast Manual Method) in an area of 20.00 ha. for production capacity of 1,60,000 cum/year at Khasra no.-1144, Village-Basadi, Tehsil-Badwada (MP) by Shri Amit Khampariya, Sub Lessee of MPSMCL, 3162, Ganga Nagar, Jabalpur (MP)-482001.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"PP has submitted the revised mine plan which was forwarded by the SEIAA vide letter no. 1911/SEIAA/16 dated 09/06/2016. The case was presented by the PP and their consultant wherein it was observed by the committee that as per the revised mine plan the reserves are estimated as 2,20,000 considering 1,80,000 sq. meter area with 1.5 meter depth and the proposed production capacity against estimated reserves is 1,60,000 cum/year. Committee after deliberations decided that since approx.40% area is submerged in water, only 60% area is minable thus quantity may be reduced to 96,000 cum/year. The other submissions made by PP were found satisfactory and acceptable and thus the committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B.'"

After detailed discussions on the above recommendations it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. No transportation shall be permitted within the village.
- IX. Alternate transportation route should be decided in consultation with the local Gram Panchayat.

11. Case No. 5209/ 2016 - Prior Environmental Clearance for River Sand Quarry (Open cast manual method) in an area of 23.170 ha. for production capacity of 230000 cum/year at Khasra no. 508/505, 509/506 at Village-Dimawar, Tehsil - Narsullaganj, District - Sehore (MP) by M/s Shiva Corporation India Ltd, Shri Jitendra Singh, Sub Lessee of MPSMCL, 312, Ganpati Plaza, M.I. Road, Jaipur, Rajasthan

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"The committee after discussion decided that since only one mine is e-auctioned and second mine could not be e-auctioned till date and PP have also submitted an affidavit that if in future the said mine (Ambajdeed- 21.582 ha) is auctioned they will stop the mining operations at their mine and will go for EIA studies and public hearing through new application. The committee after deliberations recommends that since the PP has submitted an affidavit that they will stop the operations of mine and will conduct EIA studies, in case the second mine is e-auctioned (Ambajdeed- 21.582 ha), the case can be considered for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B'."

After detailed discussions on the above recommendations it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.

- XII. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

Hence, Prior Environmental Clearance is granted for Sand Quarry (Open cast manual method) in an area of 6.250 ha. for production capacity of 1,00,000 cum/year at khasra no 1 at Village-Maheba Chak (3), Tehsil-Palera, District-Tikamgarh (MP) for the lease period to Shri Nagendra Singh, OIC, M.P. State Mining Corporation Ltd., Civil Line, Tikamgarh (MP)-472001

- 17. Case No. 4371/2015-** Prior Environmental Clearance for **Sand Quarry (Opencast Manual Method)** in an area of 17.476 ha. for production capacity of 87280 cum/year at Khasra No. 821 at Village--Basai, Tehsil-Bhitarwar, District-Gwalior (MP) by M/s Esteem Infrabuild Pvt. Ltd., Shri Kailash Chandra Gupta, R/o P-4, Lal Bahadur Nagar, Durgapura, Jaipur (Raj.)-475001

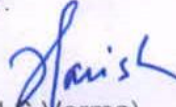

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

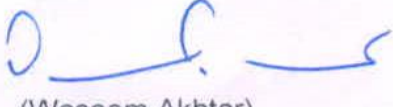

"Shri. O. P. Vyas, OIC, M. P. State Mining Corporation Ltd., Gwalior has submitted the production plan vide letter dated 15/06/2016 which was placed before the committee. On perusal of the production plan it was observed by the committee that it's an old plan which is again submitted by the OIC. Committee again observed the Google image (which was of April, 2014) based on the co-ordinates provided by the PP and noticed that the most part of lease area is submerged in water even in the image of April (summer season). OIC, M. P. State Mining Corporation Ltd., Gwalior submitted that in the western part of the lease sand is available. Committee after deliberations decided that only 10% of the area is available for excavation of sand as there are number of fully grown trees can be seen on the western bank and thus 05 meter area be left from the bank to avoid bank erosion and thus recommends that the excavation of the sand may be restricted to the 10% of the volume approved in the mine plan. Other submissions made by PP were found satisfactory and acceptable and thus the committee decided to recommend the case for grant of prior EC subject to the following special conditions in addition to the standard conditions at annexure 'B': "

After detailed discussions on the above recommendations it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity (8728 cum/year) shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amarkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.

- VIII. No trees on the western bank should be cut.
- IX. No transportation shall be permitted within the village.
- X. Alternate transportation route should be decided in consultation with the local Gram Panchayat.
- XI. The entire lease area should be properly fenced and boundary stones marked at the site.
- XII. PP will ensure three row plantation towards the village settlement side in the entire length of suitable species three year old to conserve and retain the banks.

Hence, Prior Environmental Clearance is granted for **Sand Quarry (Opencast Manual Method)** in an area of 17.476 ha. for production capacity of 87280 cum/year at Khasra No. 821 at Village--Basai, Tehsil-Bhitarwar, District-Gwalior (MP) **for the lease period to M/s Esteem Infrabuild Pvt. Ltd., Shri Kailash Chandra Gupta, R/o P-4, Lal Bahadur Nagar, Durgapura, Jaipur (Raj.)-475001**

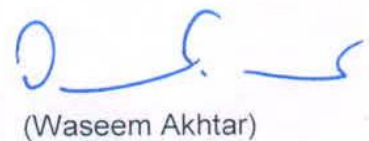

18. Case No. 4348/2015- Prior Environmental Clearance for **Sand Mine (Opencast Manual Method)** in an area of 17.456 ha. for production capacity of 70,000 cum/year at Khasra No. 158 at Village- Gadhota/Kupeda, Tehsil-Bhitarwar, District-Gwalior (MP) by M/s Esteem Infrabuild Pvt. Ltd. Shri Kailash Chandra Gupta, , P-4, Lal Bahadur Nagar, Durgapura, Jaipur (Raj.) – 477 001.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC :-

- I. PP shall not start mining activity before execution of lease agreement.
- II. The production capacity shall be limited to the quantity as recommended by SEAC-II.
- III. The lease area should be properly demarcated in the presence of the Revenue & Mining Officials and proper boundary stones should be established.
- IV. No in-stream mining shall be allowed. The local authorities should ensure that the mining activity is confined only in the dry portion of the river where sand is exposed.
- V. The depth of the pit shall be as per Approved Mining Plan and not exceed 3m or normal water level prevalent in the lean season whichever is less.
- VI. The final decision of Hon'ble NGT (CZ) Bhopal and Hon'ble NGT Principal Bench, New Delhi in OA No. 49/2015 (Amkant Mishra Vs State of MP & others), shall be obligatory on the part of PP.
- VII. PP should ensure that no access ramps are made for transportation of sand from the opposite bank of the river.
- VIII. No transportation shall be permitted within the village.
- IX. Alternate transportation route should be decided in consultation with the local Gram Panchayat.

21. Case No. 3378/ 2015 Prior Environmental Clearance for Stone Quarry in an area of 2.00 ha. for production capacity of 30,000 cum/year at khasra no 939/2 at Village-Basahari, Tehsil-Khurai, Distt.Sagar by M/s Shri Guru Arjun Minerals, Shri Devender Pal Singh Chawla, Village-Basahari, Tehsil-Khurai, Distt.Sagar (MP) 470118.

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

"The case was discussed in the 220th SEAC meeting dated 26/08/2015 wherein after deliberations Committee decides that these case be considered as B-1 category of project following TORs were issued by the committee for regional EIA in addition to the standard TORs prescribed by the Moe & CC: 1. Evacuation plan for cumulative quantity of 90,000 cum/Year be discussed in EIA. As per the above approval ToR was also issued to the PP vide letter no. 1411 dated 09/09/2015.

SEIAA vide letter no. 1961/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for withdrawal of their case and the same was placed before the committee. The committee observed that PP vides their letter dated 24/05/2016 requested SEIAA for withdrawal of their case due to poor financial conditions. Committee after deliberations recommends that PP may be allowed to withdraw their application on the basis of grounds mentioned in their request letter and recommendations made in the 220th SEAC meeting dated 26/08/2015 should also be cancelled. File may be sent to SEIAA for necessary action."

As per the above observation, in this particular case PP wants to withdraw his application due to poor financial condition. Earlier the case was to be considered under the B-1 category and TOR was issued by SEAC. After discussion it was decided to accept the withdrawal of application as requested by PP on the basis of grounds given by him, but Collector, Sagar may be directed to have the lease cancelled on the above grounds. In case PP presents the case in DEIAA, Sagar then it should be properly scrutinized and the Cluster approach is invoked. SEAC may be informed to go ahead as per TOR for the remaining lease area. Copy to Chairman, DEIAA, Collector, Sagar, Mining Officer, Sagar.

22. Case No. 3375/ 2015 Prior Environmental Clearance for Stone Quarry in an area of 3.00 ha. for production capacity of 30,000 cum/year at khasra no 1109, Village-Basahari, Tehsil-Khurai, Distt-Sagar(MP) by M/s Shri Guru Arjun Minerals, Shri Devender Pal Singh Chawla, Village-Basahari, Tehsil-Khurai, Distt-Sagar(MP) 470118

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

As per the above approval ToR was also issued to the PP vide letter no. 1415 dated 09/09/2015.'

SEIAA vide letter no. 1963/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for withdrawal of their case and the same was placed before the committee. The committee observed that PP vides their letter dated 24/05/2016 requested SEIAA for withdrawal of their case due to poor financial conditions. Committee after deliberations recommends that PP may be allowed to withdraw their application on the basis of grounds mentioned in their request letter and recommendations made in the 220th SEAC meeting dated 26/08/2015 should also be cancelled. - 24. Case No. 3889/ 2015** - Prior Environmental Clearance for Garhi-1 Pyrophyllite & Diaspore Quarry in an area of 0.694 ha. for production capacity of 10,000 MTPA at khasra no 131/3, at Village-Garhi (Malhara), Tehsil-Nowgaon, District-Chhatarpur (MP) by M/s Khajuraho Minerals, Shri Ajay Pal Singh, 6th Km, Sagar Road, Dhadari P.O., District-Chhatarpur

After detailed discussion and recommendation of 31st SEAC-II meeting dtd. 15.06.2016, it was reported that :-

As per the above approval ToR was also issued to the PP vide letter no. 40 dated 28/01/2016.

SEIAA vide letter no. 1967/SEIAA/16 dated 14/06/2016 has forwarded the request of PP for transferring the case to DEIAA mentioning that "ToR was issued to PP on 28/01/2016. This is a case where the mining lease is less than 5.00 ha and mineral has now been reclassified as minor mineral. PP vide letter dated 17/05/2016 has requested that the case may be transferred to DEIAA chhatarpur as per the new stipulations" and the same was placed before the committee. The committee observed that PP vides their letter no. 438 dated 13/05/2016 requested SEIAA for transfer of their case to DEIAA. Committee after deliberations recommends that the case may be transferred to DEIAA through SEIAA on the basis of grounds mentioned in the PP's request letter by withdrawing the recommendations made in the 251st SEAC meeting dated 16/12/2015 as per new stipulations. File may be sent to SEIAA for necessary action."

Letter may be sent to Director Geology & Mining, GoMP to clarify whether the category of mineral for which PP has submitted the application is now considered as Minor Mineral or it is still to be considered as Major Mineral.

mining site is displayed to be close to existing human settlement and bisect the village road. However, the report submitted by the Revenue Authorities have submitted that the road is 200 m from the mining site and "Grameen Abadi" is 1 km away from the mining site. The picture is not clear yet and Mining Officer is hereby directed to prepare the map of the human settlement, village road and their exact distances from the mining lease area.

28. Case No. 4031/2015, Prior Environmental Clearance for **Stone Quarry** (Opencast/ Semi-Mechanized Method) in an area of 1.00 ha for Production Capacity 8550 m³/year at Khasra No. 479/1, 479/2 at Village – Daryapur, Tehsil - Burhanpur, District- Burhanpur (M.P.) by Mr. Mahendra Marchant S/o Shri Chunnilal Marchant, R/o, Daudpura, District Burhanpur (M.P.) – 450331.

After detailed discussion of query response in 290th SEIAA meeting dtd. 05.02.2016 and recommendation of 265th SEAC meeting dtd. 17.01.2016 It was decided to grant Prior Environmental Clearance subject to the following specific conditions in addition to the conditions imposed by SEAC

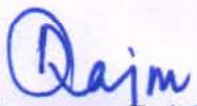

- (i) PP shall not start mining activity before execution of lease agreement.
- (ii) The depth of the pit shall be as per the Approved Mining Plan.
- (iii) Before commencing the mining activity, site demarcation should be done leaving 50 m. from the village road as a "no mining zone". The demarcation should be done by the Revenue Officials in the presence of PWD & WRD Officials and Mining Officer, Anuppur
- (iv) The entire area shall be fenced and three rows of plantation should be done towards the human habitation side.

Hence, Prior Environmental Clearance is granted for **Stone Quarry** (Opencast/ Semi-Mechanized Method) in an area of 1.00 ha for Production Capacity 8550 m³/year at Khasra No. 479/1, 479/2 at Village – Daryapur, Tehsil - Burhanpur, District- Burhanpur (M.P.) **for the lease period to** Mr. Mahendra Marchant S/o Shri Chunnilal Marchant, R/o, Daudpura, District Burhanpur (M.P.) – 450331

29. Case No. 2982/2016 Prior Environment Clearance for Laterite & Ochre Mine in an area of 7.33 ha. (67,611 TPA) at Village-Dharampura, Tehsil-Sihora, District- Jabalpur (MP): Mr. Abhiudya Agarwal (Authorized Signatory), by M/s Geomin Industries Pvt. Ltd., 270, Garha Fatak, Jabalpur (MP)-482002.

PP has submitted a letter dated 23.06.2016 wherein he has requested to appraise his application in B-2 Category for the minerals mentioned above as Laterite & Ochre. Letter may be sent to Director Geology & Mining, GoMP to clarify whether the category of mineral for which PP has submitted the application is now considered as Minor Mineral or it is still to be considered as Major Mineral.
