No. 930 /SEIAA/2019

Date: 30.5.2019

Office Memorandum

It has been observed that the six monthly compliance reports are not being submitted by many Project Proponents to the concerned regulatory authority i.e. MPSEIAA/Regional Office, MoEF&CC, Gol Bhopal on regular basis on 1st June and 1st December of each calendar year as per prior EC Condition. It is to mention here that submission of compliance report is mandatory as per section 10 of EIA Notification, dated 14th September, 2006. Further, non-submission of compliance report is also a violation of General condition of prior EC. A hard and soft copy of all backlog half yearly compliance report should be uploaded online on website or sent through e-mail / CD on regular basis i.e. for the period from January-June and July-December in each calendar year as non furnishing of information may lead to violation of Section-20 of EP Act 1986 & may attract appropriate action including revocation of EC.

In context of above, all Project Proponents are hereby informed and directed to submit the compliance report to the concerned regulatory authority i.e. SEIAA/Regional Office, MoEF&CC, Gol Bhopal on regular basis. As per MoEF&CC, Gol Notification dated 25.11.18, soft copy of compliance report will now be uploaded by PP on ministry's website instead of submitting hard and soft copy.

A serious note in this regard has been taken into consideration and authority decided to upload six monthly (half yearly) compliance report of EC conditions including CER/CSR activities regularly by Project Proponent on MoEF&CC, Gol website with intimation to concerned authority (SEIAA and Regional Office, MoEF&CC, Gol, Bhopal). **If Project Proponent is failed to upload or submit two consecutive half yearly compliance reports of EC conditions to concerned authority than prior Environmental Clearance issued to Project Proponent will automatically be treated as cancelled/revoked.** In case, PP is unable to upload compliance report on ministry's web site due to any reason than PP can submit hard copy of compliance report to concerned authorities.
